1939 December WEST GREENLAND the 2 letters received from Cousins Poulsen de SALLE 1939 23rd

December -

INNER ARCTIC ISLAND

JACOPSHOLMEN, WEST

GREENLAND -

a family with 4 children under 13 years are ordered out of the big warm 19th century RANSOM HOUSE - left to die in an unheated hut on the seashore -

DECEMBER 1939 …

“ **Dear little Greetah we were just making the cake we always make for Christmas … … …**

I am writing another letter to your father for my father

…

who is unwell

…

but he will write some things himself

…

/ **Sarah**

”

23rd December 1939 these letters are delivered because a Skipper in a small boat stopped at the Island & gave the family Poulsen de SALLE old furs and oatmeal and took the letters - he did not know where he would be ordered so did not take the family - war has just begun … :

The 2 letters were posted in the SHETLANDS and arrived 2 weeks later to Clacton-on-Sea on the 23rd December 1939 : The letter to my father Warrant Officer FJR will tell of JIMMIE & thugs ordering this family of cousins OUT into the ARCTIC WINTER without stores and allowed to take no bedding … Parents and 2 small sons died in 18 months
…

JIMMIE JONG James/Carew/O`Carroll etc ? / calling himself a British Army Major is seen on the Island 1941 : Events become utterly sordid and sadistic madness takes over
…
as known to happen in Aristocratic SCOTLAND
…
A Danish Yacht with criminally insane dope-soaked Aristocrats joins a persecution of the 2 girls left alive :

Sarah who was 13 in 1939 is able to speak in 1958 to Dr John RAY Ransom USA citizen of the American State Department … but her life is threatened as the RANSOM families lives are … NOTHING MUST BE SPOKEN ABOUT THE SLAYING of the GROTE HOMES CHILDREN :

From the end of the 2nd World War British and Scandinavian Aristocrats & all Imperial creatures, aided by the British PRESS,
have become DIVINITIES helping to make Gross Britain RICH

www.gretaransom.com `1937 SUMMER Andre Malraux, Josette Clotis & Greta Ransom Clacton-on-Sea and WEST GREENLAND` docu ment in 3 parts `scaffolding` :

I have used great letters and turquoise and blues to aid understanding of what it was like to be cast out of the big warm RANSOM 19th century house in the inner Arctic winter - by JIM Pimp now calling itself a Major of Buckingham Palace , coming ashore with 6-7 thugs in British Army tough clothes & ordering the family of 2 adults 4 children under 13 years OUT into the cold & wiring up the house with explosives ORDERS BRITISH GOVERNMENT & other Noble THUGS
:

(((JIMMIE JONG born 1898 is the criminal companion of Angela Bowes Lyon and my mother Teresa Gordon/ a superb horsewoman winning money at private Races from age 10 years old/ since 1917 : MEMO: Her respectable GORDON family had always tried to STOP this relationship with Angela and JIM - bo th of them older than she & both WILD of behaviour :

1950s - … persons of standing informed this nephew he had NO CLAIM to take monies from the Banks of our GROTE RANSOM family Estate : It is around learned & fashionable London of his Princely jeers at our RANSOM modest life styles -
1960
he hurled at Len Immanuel Ransom in public `My friend the Ape Boy`
:

1946-1980s - NAVAL FIGURES/RECORDS : ` … he is not a Naval man but a PLAYBOY - takes the Estate moneys in arrogance for his expensive gambling and other pleasures
:
THE SLAYING of the GROTE HOMES CHILDREN has the British Navy never so disgraced since ALFRED FOUNDED IT 10th century AD
…
`

“ … his Uncle gave permission to sail the ships in - and went ashore certain places around the world after the children were slain - he was portioning out RANSOM lands where the GROTE HOMES were built
…
”

FJR and others … LIR and GR have also encountered personally this vulgar brash Viking type : not at all a Noble Greek as we learn of from history lessons …

COMMENT :

All of these sub-sub APES recorded by many abused persons, and by my young father FJR, are dangerous from DOPE SOAKING themselves :

They also get PROFIT from growing and wheeling-&-dealing in DOPES overseas *(after it was becoming difficult late 19th century with the input of QUAKER morality into the City of LONDON)* :

ARISTOCRATS & IMPERIAL FIGURES use the obscene DOPE called Divinorum Salvia grown by Scotland Noble Scotland - fire-blown
~~~~~~

pellets up the SNOUT hit their brains in 2 seconds ::::::::

… **These NOBLE SUB-SUB APES also get PROFIT from sending this 2 yearly SCOTLAND CROP to BRITISH EMPIRE/COMMONWEALTH slave labour factories and other disgusting establishments they with their stomping ghoulish creepy IMPERIAL AUTHORITY run for quick dough = moneys :**

Sincerely : Greta RANSOM daughter of Frederick John RANSOM my PEDAGOGUE =

… I remember the physical violence dealt me 1930s/early 1940s by many of these NOBLE VERMIN of GROSS BRITAIN & SCANDINAVIA … and the ongoing THREATS … and threats made to me,
families and children
,
1968/71
…
into the late 1980s
…

1946 December some British Naval Figures said that the killers of the GROTE HOMES CHILDREN should be left on a remote tiny island and left to die … :

STATEMENT : ABOUT mid-19th century 20th century IMPERIAL GROSS BRITAIN and its relatives in SCANDINAVIA *et al*

` FROM THEIR OWN SAVAGED IMAGINATIONS they have created for themselves a glorious time of Empires … especially The declining BRITISH EMPIRE = thus EMPIRES of their own MINDS :

They in expensive clothes, trained in nothing intelligent … raised to strut out front … their authority has become awesome with the aid of weekly paid newspapers and scavenging Diplomatic crowd drawn from their supporting
ramparts
:
they have all formed themselves a `PETRIFIED MIND STATE` = petrified in ancient cities presented in their early learning
…
whose day-to-day life was never what these PLAYBOYS spout from their enforced late 19th
century early 20th
century learning of BABYLON, GREECE and ROME

“ do you remember … a TRIO … we practice at `Jerusalem` … your father, your grandfather, me … that evening we go to the bigger house of a friend

“ YOU HAD A TALE … Sheshe had gone mad again - you had your left ankle in plaster and splint … Hospital said it would heal … she had kicked your shins and it had left a bump … the Hospital said it would be alright after awhile
…

This is what happened : you were left alone with her that morning last week - she did not let you go to school
- perhaps her friend JIMMIE JONG was coming to make big ham sandwiches and drink all the day :
BUT A MAN CALLED AT THE LITTLE FRONT DOOR
and asked for the Story Book that his daughter had been given
…
you thought she had a drawing in it
…
`YOU SAID THAT THE BOOK had been read to you by Aunt Winnie and it was propped up on the tiny desk ready for him

She had said NOT HERE

It could not be found.

her husband is an invalid

…
You went for a walk

limping
…
later you went to Granny Gordon`s when you knew Uncle Harry would come for his midday dinner

“ You told Uncle Harry … you did not worry Granny Gordon … you should have been coming from the Convent School to your dinner at `Crail` anyway :
this is to keep Granny busy

now she is a widow

the Doctor has said this

“ Your father said `do not confront her - she is like her Noble friends … they can never be blamed for anything … `
