ARTHUR MALONE =***Politan*** … speaking from his notebooks on the 1960-1961 investigation …

**“ … By the time we all got to Colne Engaine January 1960 … & Miss Teresa Butler had given THEIR game away just before Christmas 1959 -**
I had to get it off Peggy, Harry Gordon`s wife, who she was

I and ANDRE had missed this one

**She had kept newspapers and other printed matter where they**
**`true blues` appeared LEADING THE EMPIRE -**
she had written to ANDRE 3 or 4 times but never saying what the matter was - simply signed herself T. Butler … ”
