**PANN Oou Chay,**

the old people in the family had never forgot

-

she took him to see everyone

- She could now recall a lot she had heard as a child - her brother, younger, could not remember anything

...

**PANN oOuw Chay` that is the nearest we can hope to get -**

THE SPANISH did not take their lands but put everything in a document, then in a book

...

**the lands were vast & she retained at her marriages 200 or 300 miles of lands from Saint Julian`s Bay onwards South**

...

**we think their TRICK was finding rich people & muddling them over the currency**

...

the GIFT that SAN JULIAN MAKES TO THE VATICAN may not be at all what these British noble crooks took off him in the matter of EXCHANGE

...

**He returned to his Ventures very broke & soon had to sell the big house**

**- we have photographs of it & of a hugh gathering in the gardens when he was at his job of Acting Governor**

...

& at the marriage OF THE ICE WHITE BRIDE his only child to JAMES WEDDELL

...

**a newspaper exists**

...

**yet we hear now that Weddell was a low seaman who NEVER married & by chance got the SEA named after him & it should be removed & given to other names !**
