1864-1940s... GROTE HOMES children learned easily 3-4 languages from 5 years Grote system- & there was QUALITY for the HOMES in the accommodation/staff/ childrens clothes/all equipment ...holidays by Ransom ships took them all over the globe to the other Homes ...All being howled at by NOBLE PENNILESS BRITAIN who showed savage violence to RANSOM families in public ... from 1904...especially 1930s

-

1960s - more Records were found & more visits made to death pits...children dragged up by fishermen from the sea- often within the 2 miles limit

so the crimes could be blamed on these Nations outside Imperial Britain
