1954 THE MAN OF VINCI comes to visit Greta Ransom Colchester/

G.R. well chaperoned- one suitor came from Vinci- PJPW had a word with him 1970s- he had risen to the top of the Engineering Department Italy-but his mother had been helped by Margarethe Ransom Grote ... His

mother we think knew of the slaying of the Grote Children Italy

...

she raised her son herself & put him in his late 20s into College

...
We hear his mother had worshipped Margaretha Grote who gave her a position of dignity

...
IN 1954 I had no idea I am heir to anything ALL my post is stolen by G.B. GOVERNMENT LORDS & Crown -

The man of Vinci had little English/French -Poulter spoke with him & called Italian speaker into Hollytrees Museum

...
had a hard time he & his mother

but now got this chance come late Vinci College of Engineering- I gave him some advice- he

s about 29 years old` HWP

The abode in Paris has a peculiar Doctor going in & out- generally disapproved of by the

des

troying his health-

we learn this

1957 onwards-

1960/61

it is believed there was much evidence- Doctor Harrington

Mengele

destroys the health of older men- that he took commissions-received payments-

He & his Dames were putting dangerous POWDERS on the pillows & bedding of people they wanted to have appear fools-forget day to day life-as at 50 Lan. Gate Square

1992 February... it is said by PJPW & others who from 1988 at last had private

investigation of

Mengele Harrington... “ & he is responsible for killing

your father-

he was not to go

to hospital but for a check-up with his Surgeon-

madness was allowed to go on-

nobody able to challenge

Mengele

because of his high noble connections- his social life in this country & abroad with noble

figures

(often with Philip Mountbatten given dopes by Mengele... & uncle mad Louis who allowed the RN ships 2

1976 November- **ANDRE MALRAUX** dead at just age 75 years & never to see another **CHRISTMAS** or **SUMMER** - his health harmed by *Mengele*

Harrington a filthy insane insect-paedophile-criminal-sadistic murderer-employed by the British Lords & Crown to get himself a Peerage & we begin to hear about it 1958...

Dr Len Immanuel RANSOM (*born 1921*) says "I would like to put *Mengele* Harrington in a metal chair & lower him into a furnace

calling to him he is GOING TO HELL -he has killed my wife my daughter my brothers & sons-
"

" When he came out of the Prison & the Asylum before 1938 it was found he had been with a Witch Cult of Saint Michael in France on the Continent- He may have begun his

role of extreme evil they felt 1930s 'acting Saint Michael Falling & Saint Michael Fallen-he has been encouraged by them !

He has harmed ANDRE's health & a number of other men by getting in their kitchens their bathrooms & syringing poisons into things- mixing in powders as he was doing to you & Andre at Lancaster Gate Square- in that holy Catholic house

I came in to try & help-
