You will play- I will make some notes`

This sandpit is for babies & toddlers under supervision-

I do make a mention of this softly & carefully- Andre has settled himself in an important way with his notebook- *I will be very polite & dig alongside that baby not yet 2 years...*

I only dig for something to collect & make something with-

I have made a Castle a Fort with him once or twice, Andre-George -on the beach...when no more serious matters are happening or he is showing

sitting on the grassy hill behind the sand pit

...

I tried to dig the dry sand & can see that afternoon in my head running through like a cine film- but the garden of the house opposite with a summer house & an Oak Tree drew my attention because it was all old fashioned- a woman with her hair in a low bun at her neck an old-fashioned frock of the 1900s picked roses from a miniature trellis work area ...
