1959 April - 50 Lancaster Gate Square- I was shaken & nervous when alone in the house after the horrible invasion a Saturday in April by this monstrous fat tiny grotesque gnome CUR JAMES dirty Jimmie dope addict-vice Steward WHITES Club - he had announced to the housekeeper he was running a business weekend in the Catholic house & it might go on into the evening-the foul Mengele Harrington paedophile would be snaking in I did not doubt-I shut myself in my room at the top- Andre George had fitted January a safety chain-& had the door to the other room blocked up-the bullet mark now gone-a gun fired to show me how to shoot these disgusting men when Andre was in GAUL- the USA General Nevada-Nebraska (one of my Red Indian Grandmothers straight line) he almost woke my memory up-then had to go- Mrs Mengele got the letter & parcel he left Andre-all POST/mail is opened Orders Naval intelligence & other Noble scum-

hear- when ANDRE MALRAUX began to take charge of the Charity for General de Gaulle-& there ,

s a connection of de Gaulle down Whitehall-I do not yet follow this-

British HIGH CLASS SIN could not fathom human beings who lived in civilized & lawful & humanist fashion- they had expected to encourage MALRAUX to have their kind of parties-

A Hollywood film star 1950s reports on “the shocks some film units had in Scotland-where the nobility could only go in for lewd unnatural parties- USA was more homespun & preferred girls & boys dancing & planning a future ...”

1950s - POISONING AGAIN... It was clear to educated & humanist Gross Britain that the very worst kind of sadistic useless dirty life-style was AT THE TOP- called earlier years HIGH CLASS SIN

It should be remembered that *Mr Mengele* Doc Harrington killed a 12 years old boy November 5^{th/6th} 1957 with a scarlet poisoned lolly-pop-The Catholic boy whose parents look after the Kent Hotel the end of our terrace-he jumped off a bus in traffic & was killed/reports
