1946 (*short lived*) INTELLIGENCE dept - Republic of France...` **Malraux had one chance here** ...on his desk an afternoon spread out were in - coming papers - a pile of paper - letters

...

he looked at the desk & told his assistant to manage it

...

He, MALRAUX

went off to find General de Gaulle & to speak about matters of organising FRANCE *which he understood perhaps above all-*

(This de Gaulle Government is only for a very short time)

1946 - The Papers were from GROTE BROKERS & The Argentine Solicitors for RANSOM... **Th e Assistant relates they were put away-filed- then given 1948**

to those who knew what they mean

,

t

...

USA

...

they had been read by staff -

but at this time

(1946)

a document came from EGYPT
to FRANCE

...

they, Egypt,
had children murdered - a massacre -
& it was done by the BRITISH

...

what did it mean

...

they heard they
Republic of FRANCE

PARIS - FRENCH REPUBLIC OFFICES :

“ THESE PAPERS WERE NEVER HANDED (again) TO GENERAL DE GAULLE or MALRAUX

a Fall of Power

The Papers had been filed & a hesitancy occurred in the staff

...

they left them where they were

...

LINDSAY Earls money-grubbers who had slain his grandparents Frobisher Ransom for this Estate were awarding themselves double DSOs... **Before the WAR these illiterates raised on a dangerous dope had abused every word he JFR wrote- every hope he had for civilized society & The Crown ...insisting the Estate was for them ...**

...

1945 September - **He arrived in such shock- she who'd written such quaint almost balanced letters to him Wartime was brutish & clearly on dope**

...

2 days later he went to Deptford & saw `Jerusalem` with joists cut the family home fallen in-

Neighbours very scared

related how Angela & JONG & other men had come & raided the house first winter of the War

...

A Magistrates DECREE was expected in 2 days to STOP THEM BREAKING IN after they had his father killed in Suffolk 1939...

All night an ARP Worker said he heard the sawing...he did not question it...next day the house had fallen down

...

YOUR FATHER FJR did not cry his agony but tried to shield his brothers his sister - if he had gone to GROTE New York it might have been best

...

but there was IVY with a 9 years son slain in a fake car hit on a Swiss lane by her own Estate she managed with good tenants

1945/1946 FRANCE “ We will relate to you what happened winter 1945-46 ... **Len with no
family home a nurse wife/ a distant Weddell cousin/ & a son of 6 years took a rented
accommodation in France**

...

he had his own money from the Argentine-

SHE Teresa Gordon in a Gordon kilt with a massive safety pin appeared

...
**She had come with a man with a launch across the Channel-
no passport has she but this KUDOS as the mother of the bastards du Cann & another in
Norway-**

**She began demanding in the language of the 1920s
`her half of the Fortune`**

**S
he-she-she**

...
**had had to look after his Ransom ape kids all the war-
she now wanted her share**

...

**“ LEN broke down... then rose up recalling her manic behaviour with Mr Jong & Uncles
Lindsay before the War & Angela kicking at him as a boy trying to
have him leave gatherings where we were invited but she a gatecrasher with them**

...

(ALL ON THIS NARCOTIC UP THE SNOOT)

...

**when his 6 years old son began to cry at this apparition hooting straddling the room that
(as they did at their end of the party 1920s**

now her friend ANGELA would see them dead if they did not give her half of the fortune

...”

“ Len heard the language of the 1920s of his first years as a child - **HE BEGAN TO SHOUT THAT IT HAD ALL PAST AWAY & THEY HAD FOOLED HER TAKEN ALL THEY COULD GRASP & THEY DID NOT WANT HER-A FOOL TO HAVE DONE THIS TO HER HUSBAND** ,

TO HER OWN FAMILIES

she did not realise it had past away

”

Nota bene : Teresa Gordon could say ANDRE MALRAUX is over in Clacton each month...he is singing in the Catholic Church

...

friends with the TOWN

...

as he was in 1937...

BUT SHE DID NOT TELL LEN

...

or anyone this

...

on her visit

to FRANCE

winter 1945/1946...

“ Len from 1939 had been near dead at the fate of his parents & now the Grote children which he was learning about fast although his brother FJR did hope to shield him from this ... SHE BEGAN HOOTING AS AN OWL A WOLF...they had done this in the 1920s on dope ...at Clifton...all on their backs at sex & stupid jokes

...

Len called a telephone number & got a doctor who knocked her out... then an Army person who had her put on a lorry & delivered back to Gross Britain

...

She did not realise her age had gone

...

BUT SHE HAD BEEN FOOLED BY THEM
noble Britain

...

THEY WITH THEIR CONNECTIONS

. HAD TAKEN IT ALL OFF HER with their
KUDOS

, they able to use the British State -

Back at Clacton-on-Sea where she was delivered to Colchester by army truck

...

she knew now she was a down & out

...”

(Colne Engaine 1960/61 & tape)

1945 - 4 days before CHRISTMAS DAY -

She takes 3 children out of THE HOUSE AT THE END OF THE REC- she had abused the

Family Gronlander library parts very valuable were gone

...

she had torn up carpets thrown bookcases off the walls-sold-sold-sold in her tempers
her rages

...

SHE WAS SUPPLIED WITH THIS NARCOTIC FROM PARTIES

...

some back of that Palace

...

where her narrow-minded older friend of the 19 teens held authority with her men

...

They had used her TG/R since her marriage 1932 for information to make mischief to
persecute RANSOM families calling us Apes-

She is told by Angela when you were born

`she had given birth to an Ape then`

& this was the joke at the absinthe cocktail parties

...

*Angela is a woman who sniggers behind the back of Aunt Margarethe that she is an old
Eskimo & was discovered in Rome to be an unpleasant racist young woman*

...

she met JIM at age 12 years`

...& Weddell destruction was underway...to remove our name from the Weddell Sea...claim it

“ Her madness (*TGR*) her filthy temper from this DOPE did not at all disappear...her sister Win allowing her to bring the three of you away from The House on the REC

just before

Xmas

1945

...

You were to sing in Choir that Christmas morning-

you had taken practice with Andre the autumn-you are 12 years old

...

but were too upset & stunned-Miss Win was annoyed at you & said it was your lack of commitment to your lessons that was showing

...

she had been told this by her bastard nephew Ed du Cann & his 2 man legal TEAM who came to take TEA when she was alone

...

the rest of the family had no idea of this

...

ALL THESE NOBLE SCUM ARE HIGH ON DOPE

...”

“ You had been moved overnight nearly XMAS Eve from The House at the End of the Rec
... that became so meaningful to

ANDRE MALRAUX

... to The

dismal narrow house Walton Road where their mother

Mary Gordon an intelligent woman who had delighted ANDRE MALRAUX summer

1937

...

here doped she had been transported by Teresa & JIM October

1939

..

.

so she was close to

THE HOUSE AT THE END OF THE REC

& could be used as a servant to the 3 children

...”

Nota bene : MALRAUX remembers when with JOSETTE we looked at this house & its pretty garden with the Oak Tree ...

Summer 1937...AS A WIDOWER OF JO...he returns to find *Gretah* lives in the house...A T THE END OF THE REC

...

**`1932 ...they were to have a good time...JIM rose where he'd no idea he could...*She (Mad Mother Kali Old Mother Ransom Riley Teresa Gordon*

1946 she TGR was as in 1944/1945 `GIVING IT AWAY IN YOUR NAME...& Len your heir
