1957 November - MALRAUX`s *Scarlet Town* home...a Charity with General de Gaulle -

That night woken rudely by this ROYAL BRITISH *FRENCH* MONSTER... *The spoof Doc Harrington* ...!

remembered a Science teacher Clacton 1944 Andrews BA Oxon
telling us `be gentle with the Village IDIOT

...
the TOWN DRUNK` Class

...
,

That 1957 November after midnight

...
I asked
Mengele
`was that in the play - did you have a good supper
?`

This
brute
of
the dead fish eyes
said he had a good supper &
lots
of champagne & he
VANISHED
down the great stairs of 50 Lancaster Gate Square London-
to harm others you can be sure

...

I WAS SCARED - this is a murdering brute with HIGH CONNEXIONS ! & the whole lot at the top of the PYRAMIDS of POWER are coarse obscene FLASHY doped up GREEDY monsters

...
THE GROTE CHILDREN THE GLOBE HAVE BEEN KILLED BY some of them

...
& THEY ALL SKULK ABOUT or STALK ABOUT arrogantly

...
helping themselves to lands & DOUGH

...

The above is in the *landshaft* about MALRAUX & de Gaulle in Scarlet Town- & PARIS 1950s...

1957 October - creature called Macmillan - ***banned from Greece for LIFE in 1934 by the ATHENS Parliament for trying to steal Art Works from the GROTE HOME on the little island -he masquerading with phoney USA accent as an American representative from GROTE Brokers New York -art works taken off him- Records/USA too/***

1957 October -**Greta Ransom HEIR pays her RENT at 50 Lancaster Gate to Malraux/de Gaulle/Roman Catholic Westminster Diocese-20 pounds a month-& lives as a young unmarried girl** ...IT IS PROVING An UN-HOLY HOUSE

...

1957 - **MACMILLAN/** from Whitehall dire warnings & the young chattering & some trying to help He Macmillan learning Greta Ransom HEIR with Malraux has reportedly said October 1957 "he wants ANDRE MALRAUX & GRETA RANSOM killed"

This was foiled December by MI5 & 6 working away all one Friday evening to midnight- Report given July 1969 PJPW & GRW & others- (Information about Whitehall)

Scary perhaps - when the criminally insane are in charge of a Nation & that Nation is DECLINING from ITS FALL-

**This Retired Noble MacMillan got hold of our RANSOM Estate Grote Homes etc. Uruguay
- he kept 2 young women with a child each by him - *Mengele said he would kill them*
when MacMillan died- He is
a ruthless dope user -
Has used this dangerous dope
Divinorum Salvia Scotland since his youth
-
One of several Reports reaching Arthur Malone Detective & others-he employed by
Andre Malraux-October 1957-1961...**

1957 November - **I have woken last week & *Mengele* has been**

**methodically going through my clothes my handbag my books - I did not give away I was
awake on that frightening BREAK IN & ENTRY by the Royal SATRAP boy friend of Dickie
& Duckie Mountbatten- who pay no rent !**

**- IT WAS MOST UN-NERVING - ANDRE MALRAUX IS IN GAUL- I will be 25 years of age
March 11 th next year 1958-**

I HAVE NO POST/mail that is not intercepted by THE BRITISH GOVERNMENT & Crown-since
XMAS 1933 the year of my birth-

***Mengele Doctor not allowed to touch a patient...as this spoof Doc Harrington he is
employed by G.B. Gov & Crown & knows
ANDRE MALRAUX is GUARDIAN
to the Estate***

Angela has

has told him to help himself every month to a bank in The Midlands-

/

It is in my name-& Dr L.I. Ransom too- records/etc/sometimes the Accounts are still in the name of Aunt Margarethe Ransom Grote too

...

.

Angela has East Anglian bank accounts Ransom draining off into a Disused Apothecary & Stables Wales - it goes to her evil TOWER

- (

See Lord of the Ring by Tolkien- he explains EVIL of this nature rather well)

***Mengele Doc* Harrington paedophile sadist & the other crooks know it is only a matter of time before somebody tells**

ANDRE

MALRAUX

WHAT

HE

DOES

NOT

KNOW

-

then they will DOO HIM IN

...

perhaps

...

?

...Unfortunately a lot of people think he does know & it is a matter for ANDRE & General de Gaulle

-so they

feel it would be impertinent to ask anything of heroes

...

Killings have started again - the records are tragic / weird happenings/abductions/ & big

money is being earned by these criminally insane from the criminally insane
to STOP THE TRUTH BEING KNOWN -
Vast records round globe

Nota bene : a woman c 1970... “ They have been killing people Peter for this money...we knew about it when I was in the City

...
YOU
are too young to be in charge
...”

Another woman : 1969 Museums South Kensington... “ Margaret Grote had no enemies Peter except a woman called Angela & her travelling companion a half Chinese

...
you should know more
...”
!

(Both women are highly educated humanists)

1957 Oct-Dec- Saint`s Edmund`s House, 50 Lancaster Gate Square, Scarlet Town/Londinium/ I

t was getting scary- but I have paid my rent for a month 4 times over !

Telling ANDRE MALRAUX

- AFTER AWFUL UPSETS

-

he threw

Mengele

out -

asked the housekeeper about 80 pounds in some shock !

He now knew why I pulled myself up to his height & gave him cool looks

...

He also

FORBADE

CLARA

ENTRY as well

...

I was told by the Vic & Bert Museum staff this should not happen in a Catholic Hostel & Workplace ... They helped-

“ We have asked Paddington Rent Tribunal & you do not have to pay again for FOUR months

- & they have to

give you a year

s notice now

...

because you pay by the month they have to give you 3 months notice for each RENT you have paid the first month !

Any problems-call & see them

-

They may send somebody round there

to ask questions

-

”

Matters monetary go via Westminster Cathedral

& The Embassy of GAUL,

Gross Britain

...

so that was going to

let CATS OUT OF BAGS

...

I was told I should pay nothing in future !

1941-1954 Lindsaybuggarhs other Earls- Jimmie Jong (*Cur James 1954*) all were employing criminals

-

learning of details/rents etc of the

RANSOM 19 acres under New York administered by GROTE BROKERS off Wall Street-since 1830s- preparing to fraudulently sell in silence-tumble Grote Brokers in silence

...

BECAUSE THEY CLAIM IT IS THE DOWRY OF ANGELA who has to be a *FACELESS WOMAN*

You are all doped & boozed un-educated LIARS
