Di

...I HEAR THINGS SPOKEN FROM THE MIDDLE...never can grasp what a person says at the commencement...

but

I have a system of symbolism which keeps me very tidy -

That is how I have survived-

But I can learn from the written word ! SPEECH ALMOST FRIGHTENS ME at first...

I like to have peace to recall the few words grasped

...If the monsters increase the DOSE then crossing a road is very dangerous...some mornings leaving 50 Lancaster Gate Square I had to sit 2 hours in the Park until I could feel I was ME...

MALRAUX WOULD OFTEN BE AWAY IN FRANCE or about the globe...

when he found me with an empty head

Dr & Nurse Mrs Mengele Harrington

told him I was an idiot & HAD TERRIBLE CRIMES AGAINST my mother & this was WHY I HAD NO MEMORY...

THEY WERE TELLING LIES

...

they ROB THE RANSOM ESTATE every month by Permission/arrangement with Angela & her EARLS OF Crawford & LINDSAYbuggarhs men...

1960 February : There was one mention by Arthur Malone Detective in his evening Report :
talk of my going to see documents - BUT IF THE PEOPLE SPOKEN OF DO NOT ALL COME IN A DEPUTATION then I live in a landscape of not knowing where danger is & fear sometimes it can arise as it did at 50 Lancaster Gate Square with most horrible VIOLENCE from
killers for dough - dirty JIM WHITES CLUB & his hideous THUGS
MENGELE is about

in that blue car & uses his horn as he passes my tiny meadow...in early MARCH 1960 he was in The Ghost House & so was ANDRE MALRAUX...

Mengele is a killer -many educated young people in London know he is !

Fear can rise like heavy fog of choking grey-black-dismal shades...& sometimes I have no memory & am clearly in terrible danger- as ANDRE MALRAUX sometimes was when THIS DOPE WAS GIVEN HIM (the two women in Paris have been told by Mengele Harrington to give him MEMORY LOSS POWDERS immediately he arrives at the house

they have known as **`THE JAN STEEN TAVERN`**...

Now more than ever 1957/1959 there was the chance he might learn of the GUARDIANSHIP !

I retain knowledge mainly by symbolism & my own `stark lines`

It is too dangerous for me to keep a diary - I am searched -

I have been threatened by

Mengele

& Teresa Gordon R. my parent for years -

1950s/1960s - I have no understanding I am an heir- my understanding is by 1960 my
Father has some money/property but I can only think in thousands of pounds & then not
OFF SHORE ...I count pennies & earn my living - I HAD TO LEAVE THE
Clacton flat 1956 where I had been with she Teresa my mother since May 1947 because
**I HEARD HER SAY SHE WAS GOING TO POISON ME & CLAIM AN INSURANCE ON MY
LIFE SHE HAD... !**

**She never left me alone...trekking about after me in Colchester & London with
threats-wheedling.../ photos/accounts of these years/**

1957 November - **Mr *Mengele* HARRINGTON put her in my room at 50 Lancaster Gate
Square...**

Twice ANDRE MALRAUX hit her on
the jaw & dragged her up to the empty house steps by the Kent Hotel-

THEY MET IN December 1924 in FRANCE

-
**her behaviour to him in the house was violent & she called him OLD FOSSIL-
but the evil**

Mengele

pair were putting her up to all this...

THEY WERE ALL AT LAVISH SUPPERS paid for by THE CROWN OFFICE...

all acting out again THEIR YOUTH in the Roaring 20s...

1940s/1950s/1960s - I HAD NO POST/mail...No memory of THE JOYOUS VENTURE or ANY PRE-WAR MEMORIES of the 1930s except that ANDRE MALRAUX kept putting into my memory SUMMER 1937 by reading from his notebooks AGAIN & AGAIN & AGAIN...

I had no memory of every being RICH - But the Grote Ransom gigantic JOYOUS VENTURE was not about being rich but about making a contented civilized existence for the globe 's peoples... *SATTEUS LAETUS (Osbert*

Ransom`s motto 10

th

century)

` we are content with sufficient

...

I HAD NO MEMORY OF Lennie age 15 granted his FLYERS licence & badge 1935 when we got to New York ...& us GOING UP TO GREENLAND FOR A BEER...

or even of his parents my grandparents...

since 1939 ALL HAD BEEN ENTIRELY REMOVED FROM MY MEMORY BY CONSTANT MEMORY REMOVE DOPES...

LINDSAY MONSTERS WERE IN ON THIS...especially their filthy old EARLS...

they do this to their old female relatives

to get their DOUGH...

Mr *Mengele* Harrington born 1912- exterminated Feb 1992- has persecuted countless people for years-beginning when he was 12 years old & had to be got TREATMENT- All the while from 1938... he is helping himself to endless DOUGH dripping in blood & gore from the GROTE RANSOM Estate - *he Mengele spoof Doc HARRINGTON*

is to keep MALRAUX with nerves & cultivate a character for him that HE IS AN UPSTART from North Paris...

NO ANCESTRY will be allowed because ONE Angela has learned of the Norfolk East Anglian ANCESTRY 9th century/

& she & `Tree` with other females of the Roaring `20s are

PUT TO EXPRESS THE JEERING REMARKS of her MEN/ALL GETTING MONEYS OF BLOOD & GORE/

*(Into this penniless sponging IMPERIUM set up from 1919 has come Treasa Gordon-GORDON-Gordon/
some GORDON mob have DOUGH & lands)*

...

The paedophile HARRINGTON committed on Continent 1930s /British Asylums treatment 1940s / has a ROLE FROM HIS NOBLE & now Royal circles... ANDRE MALRAUX IS NEVER TO LEARN OF HIS GUARDIANSHIP -

& the female Ape-Eskimo Greta Ransom with all her families ARE TO BE CALLED just that

...

she is not allowed to marry except to a man with a Police record from the lower classes-& no kids allowed...
