one method is to see they do not do well at school -`

Greta Ransom-from age 7 years 1939 has her mother rub white powders in her mouth-nose-eyes... before she leaves for SCHOOL/Report Chief Medical Officer-Retired-retired-retired...

to see child did not do not do well in her school books which were given to her Noble PREDATORS -

Angela/Lindsaybuggarhs

ask for my school books to jeer at me - Treasa Gordon-Gordon R. is heard drunkenly

boasting

-

(They also use doping on their race horses -make them go fast or slow- reports
1930s.../1950s/)

**School teachers & others of high intelligence speak of these tricks ordered by criminally
insane of HIGH CLASS SIN to steal from young heirs or old ones often old relatives/**

1942 - The woman *Angela* sent me Greetah Ransom a message I was to call myself **PEA
RL BARLEY** winter 1942/1943 at Captain Leroy

,
**s Llewellyn Road town school- here we have University teachers during the war years-
one marked me TOP in Science 1944 - it was recognized my mad mother rubbed powders

indicated this 1920s/1940s by the wearing of the colour aubergine - a tie/scarf/frock...

1940/1941 - **JIM (2 man Unit Intelligence back of Palace)**

& Angela were stopped winter 1940/41 Bulford Camp Salisbury Plains at more tricks/ In October 1941 she & he

Jim

had had

Greetah

put in the Deaf-Dumb-partially sighted school & a telephone call from her

or for her

from Buckingham Palace said blazing wicked things about the Ransom family &

GREETHA

of an Ape mentality -

... but Mr Polly taught part-time & he had been at a New York GROTE HOMES SYMPOSIUM
1938 - & after a few days got Greta Ransom OUT with help

from

Mrs MacDonald in the normal school / He is

another MARTYR

...

Mrs MacDonald whose father lives on Arran now protected me /records/letters/1940s on.../

Mr Polly was soon blown up in his car - **the steering wheel had been fitted with an explosive**
- his face, chest got it/ he was recovering - BUT A

DOCTOR WAS SENT FROM LONDON -

Mr Polly died immediately-

(Records/etc)

These are the usual tricks of the Nobles when somebody knows about GROTE

1937 Summer - **Mary Gordon tells ANDRE MALRAUX `...Jim & Angela they have been chums since start of the last War- a nuisance to all our families- her parents were having Witchcraft up there- took Teresa out with them- in 1919 when War finished they were baiting me for information on my Irish cousins**

...
(3 baronetcies Murphy-O

Brien
& Carroll with a castle-sometimes raise horses)
` they thought they

d learn things about our peaceful work for Southern Ireland

...
& make out we were revolutionary-
The
D`ivils- I have her on the phone baiting me about the child & an inheritance
- they were after getting at their properties over there & they sometimes raise horses a bit
...
They were all at the parties in that house
...
that got her into trouble & all those years put away
...
we engaged a leading Barrister
...
it cost us a fortune even though he only took half his fees

1937 SUMMER 5 **HAPPY WEEKS** then to LINCOLN-

JO & ANDRE MALRAUX are offered a nice house at Orford/Orford Ness...no rent to pay-
Owners going to America- they stay if WAR comes to Europe
-

JO & ANDRE could have lost their lives very soon...

Noble Britain violence & destruction of character is directed at them because they have been with us & now he is Guardian-

If they had received the Grote Brokers Post/mail or met other administrators of the Estate then they would have been given an accident by Noble Britain & perhaps bodies burned in Scotland...barbaric sadistic hate would descend upon them from the Noble penniless
ON THE PIN

& Divinorum Salvia Scotland

Report Chief Medical Officer **retired-retired-retired-** “I’m always trying to **RETIRE...I came upon one of the worst scenes of cruelty to a child- an attempt to cripple Greta Ransom nearly 10 years of age - Early freezing morning on our seafront the Holland end - stop her going to school/ her grandmother Mary Gordon a very intelligent woman taken to hospital that week - fiendish violence done by her mother & noble chums since the WAR began because these children had an inheritance**

...

from the Far North

...

1939 December when the father Fred RANSOM rushed out to Philippines-no sense in it- his training was needed in Britain-Gunnery-Stores/ the WAR OFFICE 1943 that summer to Africa sent Orders for Officer/Captain Frederick. J. Ransom to RETURN FOR HOME DUTIES

...

.this was stopped by the mother

,

s noble chums a branch anxious to harm the Ransom children - girl senior heir , younger boy Colin

-

to have them put in an Asylum as bred from Apes/Inca/& Eskimos/ Greenland/ not unusual to have these beliefs amongst the upper classes living on investment income from overseas

-it was believed the middle child JGR was a bastard

...

although the father said not so & produced photographs of his side of the family as proof

...

,

`Intention was to pull a big ESTATE OFF the families - AS CROWN LANDS - the Mafia a Scots Earl mob

...

been on our seafront since

1910

in their **GRAND**-pulled down

1946

slipping inwardly **OUTWARDLY** a dangerous construction Scots granite too heavy at the start but they won a Court Case after taking the Builder to task

...

he did not want to go on with its construction

...

A lot of them Noble Britain - wanted their share too

...

I
,

d retired twice by commencement of this last War - walked my dog & learned of these things-**ROUND THE TOWN**

...

Ah I had made a study of **DOPE** amongst the Well Off since 1923- this was unusual- it interested me medically...

(he told me Greta Ransom/in **SHOCK** that winter frost morning / lots of practical things that morning he rescued me-& wrote the first letter of complaint on his typewriter ...he was kindly & informative & had dry humour about his work for those who

got in need of help

on **DOPE** ! & his Auntie 3 doors away

younger than him

- we would call on her soon -)
