ANDRE MALRAUX

to ARAGORN KING OF KINGS & told

him so...HERO-MAN-HUMANIST...& I found the evil about me as being hoards of O R C

JIM big ORC in WHITES a vice tavern of Scarlet Town

...Icy winter mornings going to my studies in the great CLASSIFYING HOUSES of South Kensington I would think upon these things in my grief or my little happiness's Andre & I might have gained...

BEFORE

Mengele

paedophile Gollum

Harrington

began with his Dames to wipe out my MEMORY VERY BADLY of even 5 minutes before !

HE SAW ANDRE &

GREETAH

were happy & someone would tell them of the ESTATE...GUARDIAN & HEIR...& he Mr *Mengele*

Gollum Harrington like the ORCS about us got big moneys from Banks worldwide in our names....

In 1957 it was 20 years of DECEIT !

Of fingering & stealing with the POWER of the British Government & Crown all POST/mail ...& keeping people apart !

THEY ALL KNEW THEY

` COULD NOT BROKER A PENNY ! `

1972 - "Andre said ... ` Peter, he felt, had a screw loose suddenly `!

It was **MENGELE** (Harrington) with his mixtures of rare dopes- pity nobody told Andre that was Doc Harrington`s name from 1952 !

He was heard boasting of

ACID BATHS for the BRAIN

...

TO REMOVE MEMORY

...

1960s - He ANDRE had learned late 1960s how they were washing peoples heads out with acids ...complete memory loss was being ordered

up so they could go on clawing big incomes from the Estate & so many other persons not guarded sufficient ...`

A GAME EVIL NOBLE BRITAIN HAD ALL LEARNED after the Great War (W.W.I.) when they came to visit

the victims of the WAR

WHO SUFFERED SHELL SHOCK etc -

the new Medical method was to sometimes WASH OUT THE MEMORY WITH ACIDS

...

then get the Men back into action or jobs

...

they were expected to now be able to enter normal life again

...if the MEMORY OF THE WAR WAS NOT ALLOWED TO SURFACE...

SEDATION was now advised

the patient to be watched

for anything that caused their MEMORY TO RETURN ...`

“ He ANDRE felt it had been done to him when *Mengele* Harrington ordered him into a Clinic having administered dopes to make him unwell beforehand
