

1972 LIR (Dr Len Immanuel RANSOM with Andre Malraux & friends March 19th/20th) - “ 1
938

My mother found after 4 days -
they were about to bury her in a pauper

s grave

-
It had been carefully co-ordinated -
JEAN 53 years-still dancing

...
a ballerina perhaps still at her best

...
now the violence picked up- denying her ancestry- although they had begun this- some
of the Earls Uncle` Lindsay soon after the marriage of 1909 when they could not get hold
of ALL her family SAN JULIAN & WEDDELL Trusts - properties -moneys

...
& MINERVA Olivea her Song Books especially the very popular /5 or 7 printings...`EVEN
SONGS`

that Graham Greene`s Father had on the top of the piano `while we were growing up «

...All this property/investments/annotated libraries/letter collections which would delight any
historian.../so much INTELLECTUAL PROPERTY is to be destroyed by EARLS Crawford
LINDSAYbuggarhs
claiming IN secret silence this ESTATE FOR THEMSELVES...in the name of the British
Government & Crown...

Of interest to SCIENTISTS are especially the drawing books/notes done in the
SUB-ARCTIC SEAS by SAN JULIAN a young married man ... & a little later with his friend
JAMES WEDDELL ... a CATHOLIC

& QUAKER OFF SHORE ...both sail with a flag HUMANITAS ...

GROSS BRITAIN NOBLE penniless... They refused to acknowledge the Weddell marriage of 1824 -mouthing the SEA could have a more noble name- & were demanding ALL RECORDS GROTE HOMES- property of the British Crown & Lindsaybuggarhs - & the Government had some acknowledgement now & then - for this

Noble

crime -

NOTHING

COULD

BE

GOT

IN WRITING -

OF THE

NOBLE

CLAIM- The Earls Lindsay ever forceful in secret silence that we were kin & UNFIT to have this Estate -

& they in charge for G. B. Government & Crown

- WAR CAME

...

we all joined in

...

the heir got left & violence reigned

...

even though careful arrangements were made for her safety

...

they began to enjoy destroying her education her health & their tongues grew so long & black attributing their crimes to her not yet reached 2 figures of age & to RANSOM & all kin -

1972 LENNIE...` 1938 we found this madness had lead to the destruction of graves everywhere - so many bodies missing - so many kin missing overseas who should have been alive with families & well -& the HOMES entered into as we had reported to us 1936- many valuable items

...

art works-furniture-claimed as property of THE BRITISH CROWN -

Aunt Mag is still alive !

This was what the small GROTE Homes were subjected to & sometimes the Diplomatic branches slithered in - The HOMES educating children in humanism & The Gospels Acted Out to 18 years are outside the Imperial British Empire & had always been kept low key - an agreement with the nations they were in - especially after Tig 's murder on Arran - 1904 - But they were welcomed by all nations except Great Britain !
The nonsense you hear from behind a hand raised to a mouth in Whitehall- magnificent marble halls - gatherings of Nobility ... that the children were killed by the nations they were in is a wicked trick - gross distortion has been spread about the quality of the HOMES as you know now- as we discovered - as we have hissed at us... these last years-

1972 `renaissance evening` The Pillar House Harwell - LIR is at pains to have Beryl follow for she has intelligent friends

ANDRE MALRAUX with dead boys Mai 1961 cannot always make the matter clear AS HE ATTEMPTS TO EXPLAIN ALL THIS PAST - THIS TIME WE HAVE ALL TRAVELLED THROUGH - he is crushed - finds himself at fault for not being more alert

-

& they

hasten to tell him it is not so - They all know it is the GREATEST CRIME ON EARTH by monstrous greed-ignorance & heavy use of dope-booze-

a DECLINE & FALL embellished with such ignorance & on going VIOLENCE...by the ILL BRED ...

1937 - THE MENAGIER DE PARIS - The Goodman of Paris/

“ WE BEGAN WITH A SUMMER HOLIDAY -

Clacton-on-Sea, of unexpected happiness...” *for Andre-Saint George, Greetah Ransom age 4 & 6 months & a young lady he calls in an excited absent minded way -`*

figures from a morgue
about us...5 weeks & then to LINCOLN...with his parents SEA ancestry to trace ...

`A holiday of thoughtfulness - lengthened thrice times - we saw paintings-made
visits-took picnics-sat evenings on Jo

,
s beach Holland-on-sea

...
talking with locals sometimes ... went to the theatres-swam-collected limpets-walked
miles with our
days needs
- swim things-umbrellas-water bottles-woollie jumpers-sandwiches-all
piled on the old push-chair that my great-grandma Millie Frobisher Ransom pushed my
Grandpa FCR out in
Hithergreen
& Deptford
*(1885-1892 were grandpa`s push-chair days until he was 7 years !
He was safe from horses, carriages & early cars & Mill could hang a bag with simple
shopping & folded rug, bat & ball, for the Parks, a glass bottle of lemonade
2 folding cups from Japan...)*

We 1937

visited daily the convalescing father of our hostess in the big white glass veranda Home on the seafront near the Holland beaches...

& gather strength from the memory of that happiness & a stout heart for he tried to give Guardianship to G.R. after bewildering troubles - caused by the NOBLE criminally insane of massive greed ...

1970 - ANDRE MALRAUX - " he comes in good faith to ask he be accepted into the family as an elder relative ...for EVIL IS AT THE DOOR...& Greta is having it behind her back again
