

The GROTE HOMES Ransom Estate monies of blood & gore is spread wide & the offspring of **the criminally insane** has it as inheritance/they will never let go & could become as evil as their forebears who **PLANNED** the slaughter of all the GROTE HOMES CHILDREN to take the lands as `Crown lands` & then wreck all small nations the globe **for BRITISH TRADE -**

1970 - ANDRE MALRAUX winter at The Pillar House Harwell -

It is becoming clear to Malraux from the alarming events of the past 2 years that PJPW of The British Museum NATURAL HISTORY South Kensington has little idea of the GROTE RANSOM ESTATE & its great standing in the eyes of the educated world & the very SECURE financial standing of the Estate in every nation & that a third of it has been recovered by 1962 & set in motion again as secure PHILANTHROPY/

PJPW & his identical twin RJRW (*born 1930 Kenya*) have in *secret silence* put 130 New York workers in the gutter 1968...& thousands in the gutters of Brazil 1969 mainly RIO ! They have also by **BLABBING TO THEIR Noble CLASS got their cousin Palmer Sparkman killed USA (age 41) for his **FIRST JOB WAS AT GROTE BROKERS 1950s** just amalgamated with another firm **WALL STREET** after being robbed by **LINDSAYBUGGARHS** for Crown -**

.... But this is not accepted by them W. twins -

BECAUSE

THEY DO NOT GET THEIR POST/mail

- neither of the Whitehead TWINS has the LEGAL WILL copies sent to them & other Papers &
letters of kindness -

ALL IS STOLEN AGAIN !

(Nota bene : RJRW borrowed 10,000 pounds 1962 WITHOUT the permission of his Trustees his 2 Uncles - LOST IT IN 6 weeks City - In 1969 his cousin Tom Blyth discovered the Bank wanted 30,000 pounds to settle this DEBT ! It was agreed by the 3 Aunts Mercy, Joan & Christabel to pay it - & one of their Trusts should go to Peter Greta & children WHO HAD NOTHING - while RJRW had been living far above his means

...

Family justice !

The BM Natural History Museum London understood all this 1970 **when colleagues came to our Days in the Countryside the house of the immortal picture books for children by LLB... with home cooked food of other centuries done by Greetah Ransom W. who used to explore this**

Government & Crown & LINDSAYBUGGARHS... GRETA IS NOT TO KNOW WHOM SHE IS or of the vast numbers of relatives WEDDELL GRONLANDER San JULIAN & RANSOM slain & THE FEW WHO HAVE SENT GREETINGS & kindness since 1967 !**

HAS WHITEHEAD BEEN THREATENED ? OR HYPNOTIZED ? He has put many many people in danger ! **From**
**those who HIDE THE SLAYING OF THE GROTE CHILDREN FOR DOUGH
...& HAVE THAT DOUGH
...use it for their BIG TIME ... !**

1960 onwards ... Andre has tried to get free of TWISTERS - he & General de Gaulle had them clutching from 1946 because of the slaying of the GROTE HOMES children & RANSOM Estate & ITS DOUGH
... Andre`s boys were killed deliberately 1961 May - The General dies November 1970 - LEN is a source of great knowledge on the Estate - he has to hide his records -

1946 - Aug-Sept - du Cann - they came to Clacton Marital Court & said spiteful lies about Greta Ransom & Colin Frederick - they were proved liars - & had used JGR to tell lies & this resulted in him dismissed The Cubs/Scouts for life for lying on Oath to a group of 3 eminent persons- The foul mouths of du CANN were in the Marital Court to keep Teresa Gordon free to harm the more -
They keep a mad woman FREE & they supply her with *Divinorum Salvia Scotland*
She gives them information how to STEAL our Estate moneys !
The Marital COURT dismissed them & did not consider a single matter from them in its findings -
They have said in public that
“Angela gave them property Switzerland & Malaya from the Estate as she has a claim to it...!
”

1948 - du Cann will brag about Scarlet Town that Greta Ransom had been in MALAYA 1948... They got into trouble for some people dead & a man hung by the father ! I HAD NEVER BEEN TO MALAYA IN MY LIFE

...

I was kept a prisoner of Ed du Cann`s EVIL insane mother Teresa Gordon R. who had knocked me down the stairs March 1945 for my birthday

This bastard & his freak father are HEROIN SOAKS & keep

Mad Mother Kali-Clytemnestra-old Mother Ransom SHEshe

loose so she can harm my families !

-THE COURT Requested her sister Miss Winifred Gordon to MAKE ARRANGEMENTS to have her in the local Asylum within a month - meaning October 1946 - then she would be transferred elsewhere by the hospitals & stay in an Asylum until all we three children were over 25 years of age !

It was known that SHE Teresa Gordon with two others from the Earls Crawford & LINDSAY place their GRAND on the seafront ...they & she were responsible 1938 for the death of Jean Weddell her husband`s mother

...& the poisoning of her own mother 1944 June WHEN SHE HAD JUST RETURNED FROM NOBLE CHUMS IN LONDON by train

& that they were responsible for some Grote Homes children being dead on the Continent !

... It was known the matter could not proceed AT LAW because of NOBLE BRITAIN interference ...They had all gone mad in the 1920s & Clacton Town had seen it at the LINDSAY Place their GRAND on Clacton Seafront built 1910 but thankfully DEMOLISHED by the COUNCIL some MONTHS AGO ...

The Clacton Court & Elders, JPs., sitting with the Churches, Schools, Masonic Lodge, Retired Police, Newspapers etc felt the matter could be kept under control by putting Teresa Gordon where she could not consort with her Noble companions of London Town

... The Court states that Ed du CANN bastard born 1924 had NO NEED OF HIS MOTHER Teresa Gordon & it was NONSENSE to say

“ that if she was in an ASYLUM then IT WOULD INTERFERE WITH HIS CAREER ” !!!

“ THEY bastard & father INTEND KEEPING TERESA GORDON R. loose to harm Greta and Colin - **they have assisted the G.B. criminally insane in Malaya - they drip blood & gore moneys - thousands die because of this determination to aid the G.B. Government & Nobles & Crown cover up - thief Grote Ransom Estate**
