“ New Year`s Eve 1953 ...before you are 21 years in the March

...

...YOU MAY HAVE FORGOTTEN THIS COMPLETELY in the 1950s ... You saw the murderer that evening - he felt you recognised him - that is why you have been in danger all these years - & Andre too -

I do not believe you could recognise any of them from a long time ago ...you were a child under 10 years

...

Poulter knew where you were going but NOT WHAT IT WAS ABOUT...

Nota bene : the murderer is a young man tall dark hair descending the stairs & he stares at me as he comes down :

... it is SPADE WHEELER to be LINDSAY EARL 15 ... I do not remember him ... I wonder why I am here but am beginning to feel

creepy ...

some things I have almost forgot that the old man has just said 30 minutes ago ...

I do not have a great-grandmother Millie

...

but I have one called MATILDA Kellow GORDON ...

MALRAUX has just arrived... whom I have little memory of ...

& he is in a grey wig YOUNG IDIOT !

... by 11 pm I had no memory of ANDRE MALRAUX at all !

... but then it surfaced the next days because he had led me to Actor FINLAY CURRIE

... & I have seen the Charles Dickens film-

Andre & you, an INVITATION to a small gathering of QUAKERS & scholars he knew...New Year`s Eve beginning about 9.30pm...

`... But you were told by your mother you had to go to this Roadhouse

...an out of town modest nightclub...The pink long frock had been bought by ANDRE for this

...

ANDRE says he was in the shop with you when you bought it ... he sat in the corner & NODDED APPROVAL at this frock ... he felt it was suitable for a young girl & not two others the assistant brought for you to try on ...

... David Brown RNVR was the driver collecting you from Liverpool Street Station & to take you back for you were to work that afternoon in the Museum ...at Colchester ... IT WAS A SATURDAY ...

(it is about 28th December 1953)

but you were told your mother & Lieutenant Commander David Brown RNVR had bought it ... (**DOPE/removing the memory is being USED on GR !**)

` YOU & did ANDRE not know why you had to meet at the outskirts of London at this Road House... *he thought it was* - when he arrived there the actor FINLAY CURRIE *whom he knew* told him it had been a Family home but was now let as a Retirement home for the old who could pay

`The invitation for NEW YEAR`s EVE was given by the old couple ... your father then told your Aunt Miss Gordon & she to tell your mother that he had arranged the invitation ... YOUR FATHER SEEMS TO HAVE THOUGHT YOU & MALRAUX & THIS FAMILY WERE IN TOUCH ...

The old couple panic...when they introduced themselves when you arrived... they spoke of your Grandfather Ransom... YOU SAID YOUR FATHER HAD BEEN ADOPTED & you did not know a Millie either... But you mentioned a great grandmother Matilda GORDON ... They feared for the closure of the HOMES... they do not seem to

have known of any tragedies ? ...

HE WENT TO TELEPHONE THE POLICE but she his wife felt they should just speak with a woman there who was worldly...

THIS WOMAN GAVE SOMETHING to the tall young man to put in the glass of the old lady ... you had seen them before the **WAR** but could not now remember- ...She died at about **9.30pm** & was brought down the stairs in a chair...

it was decided NOT to say she had died there

by agreement Mary Gordon Granny -

She says

to

ANDRE

`Yea know the child inherits - so she must not be left in a room alone

she must stay in the accommodation of you & your young lady-

(she clearly believed ANDRE had been told these matters by our hostess - Unity's mother)

Granny Mary Helena will not come to LINCOLN for she wants to stay near

George-grandpa in his grave-

all so new to us that

spring 1937-

ANDRE understands G.R. has to be taken care of -

& that she a Widow doth not wish to leave her husband -

Andre he a young man brought up by 3 Graces...French-Italian born Catholic - is IN
CHARGE OF JO & *Greetha-*

We will go to Lincoln at the end of this SUMMER visit-in a week or so...THERE HAS TO
BE A LEAVE TAKING - then I shall soon be back at school they tell me - It is all nicely
arranged.

Memo : ancestry - ANDRE MALRAUX on his mother's line is Histon & Wake something... other names... The Wash - East Anglia - Saxmunden HALL- The Thorpes - it reaches back to 9

th

century - Fishing/Traders -

Then there is a Somerset branch from 17

-18

th

century -

H.W. Poulter had this information at Colchester Museums -

I hath a little more in some records -

**Did his Father's line Malraux come early centuries fishing /trading this area The Wash- s
*o important in Medieval times as rich fishing grounds***

- along the East Anglia coast-

Fishing boats sail in from The Lowlands -

where the Malraux roots are -

**Histories of Continental Refugees - Fens drainers -Dutch Wars - many have come in after
the Dutch Wars -**

**George Andre Malroo ... You & LIR 1957/1959 do not give me enough information & my
only updated source since 1937 on all this was H.W. POULTER Colchester Museums in
winter 1953/54**

- & some few words in our anguish in late January

1960 about a visit to LINCOLN -

“ MALJAUX/Maljoo/a dead (?) brave sailor ... He saved his companions ...” I recall 1937 hearing something like that as we look at the PLAQUE in the Cathedral... & JO making notes ...

1970 - MALRAUX winter readings - notebooks : **talk of a monument Lincoln not replaced after 2nd World War... & Mengele is indicated here as insane with envy of Andre Malraux ...**

A stone

(?) monument on a Cathedral wall the size you indicate when speaking winter 1970 ... 1937 in the Cathedral

...

a rectangle I seem to recall seeing

of a

bronze

shade

perhaps 2 feet x 16 inches

...

I think it is 18th or 19th centuries ... & it has a moulded *bas relief* sculpture of the heroic happening at sea ???

1937 Summer - **September...**I can SHUT MY EYES now &

SEE we three in Lincoln Cathedral - **WALK ABOUT WITH US**

again ... see you so tall calling us right side ... I talking in the central Nave with Josette ...about her wedding / I do know HOW SHORT I AM & sometimes feel apologetic but you can easily sweep me up on your arm & I hang on round your neck

...

... then we are walking on the other side of the Cathedral to look at something ...
I suppose if I were to go I could retrace our steps & get this all correct ...

1937 Summer LINCOLN CATHEDRAL - JO & I being called by you to come & look at such
a monument on a level with your face perhaps - up on the Wall -
IT IS ON THE RIGHT HAND SIDE ? - beyond the middle of the Nave- but we also had to go
to another monument on the left hand side... I am telling

JO

how she could marry here & about bridesmaids - pages - & carrying her train

- I can run it back in my head as a cine film -

as I tell her that Oh Aunt Margarethe girl of the SNOWS would pay ...

clearly I had knowledge & descriptions of another wedding Aunt Margarethe Ransom
Grote had PAID for

....

Jo & Andre marrying would be a Wedding of Grace & we would all come to it`
