C 1929 - FRANCE - There were lots of photographs black & white of Margarethe girl-of-the-SNOWS with her Gipsy Tribe

& Lennie RANSOM a young boy 7/9 years or so running about...

My father FJR & grandparents Ransom are there & there are fires & cooking tables & Margarethe in a great chair ...

I expect JEAN danced her own Spanish choreography classical ballet to da FALLA 3 Cornered Hat & Debussy`s IBERIA...

Aunt Margarethe is proud of her nephew`s ballerina wife JEAN WEDDELL of the Weddell Sea ... her parents Fred Ransom & Gertrude had met the Weddell boys sons of James the SEA when they were visiting South America ... It was in SAN JULIAN`s BAY

Where they had anchored the Mary Rose the family tall sailing ship ...

1856 onwards - Margarethe RANSOM began Welfare for her workers families & old folk at Dusseldorf when she was still in

her teens - proper housing with bathrooms & anyone falling ill cared for & did not lose their home- they could be transferred to other work if they wished...

THE GIRL OF THE SNOWS

had civilised CARE of the PEOPLES & LANDS far in advance of Gross Britain ...who just eyed her moneys in the banks & her lands & art works & wished to CLAW IT ALL FOR THEIR EVIL SELF

-

As a child I heard in civilized educated communities about this IMPERIAL GREED...& HIGH DOPE taking that caused it ...

1951/1952 - THE ELDERS at this firm Colchester I worked for about a year KNEW QUITE A BIT about the Estate & Homes -

& the MALRAUX WIDOWHOOD & then romantic early marriage to his Ward ! But it had not worked ... 1952

the town of Colchester was quite a buzz in The Red Lion over a second heiress

of the SEA...grown to full height ...

a good sense of kind cheerful humour to juniors ...
