PJPW & his identical twin Sir RJRW. are being lead by their ignorance of philanthropy into smashing up the Estate that RANSOM brothers with Kennedy & Malraux, others, had got circling the globe again A-Z from 1961 ...

IT IS very DOUBTFUL that HE WAS ALLOWED TO LIVE ON !

1970 winter - **The Pillar House Harwell :**

Christmastide 1967/1968... **Whitehead is being made `a sucker` :**

He has been swiftly lead into a matter he is told is a storm in a teacup & the Estate had no legal WILL & the Ransoms had never known Mrs Grote properly & she was illiterate & the HOMES were ill-run & nobody abroad wanted KIDS educated to 18 ... & RANSOM were of no standing in the society & the British Nobles had to go shoeless to pay off the great debts on this vast Estate - PJPW is directed by obscene criminally insane dope fiends-dope-soaks ...sub-apes who have squatted on Ransom *et al* all the 20th century, & now a Kenya trendy cometh from a side door Buckingham Palace to take PJPW to dinner with scum

-

I G.R. am not to know this for some years- by then matters of an alarming nature were being discovered by solid rural Tory voters- some knew of the slaying or some part of the disappearance of the wonderful children of the Grote Homes
- A witness had been kept safe close by Didcot but in 1971 after speaking briefly with PJPW he then disappeared-I fear not to safety -

A world of deceit was about Greta Ransom-ANDRE MALRAUX & the only help came from poor souls who saw that
Andre & Greetha
had been denied a life - Sometimes I could hold my head high ~ !
Here again 1970 onwards the insistence that
ANDRE MALRAUX
was the property of whores & their bedfellows all criminally insane - It is all covered by records & perplexing accounts of matters

Brutality-deceit-treachery-GREED-insanity ruled the globe where we went because of the THEFT of the JOYOUS VENTURE by IMPERIAL BRITAIN
