

1957-1958 - A young man Heyward used to exchange a greeting with me winter 1957/8
beside the great staircase at Sir Joe (Joseph) Banks Soho Square-trundling
his Sea bed Boxes in & out (his
great great Uncle Heyward on The Bounty
)

He now appeared as a Staff Member Oceanography housed in a HUT in a courtyard inside the
great Waterhouse Building BM Natural History 1962

...

He surprised me as we used our bunches of keys for the Spirit Building...saying

“ Hello - I usually see you at Sir Joe’s...How is *Camulodunum*...

must fly...come & see us in our HUT in the inner courts...coffee time

I will introduce you ” *He knew I came from the MALRAUX MORGUE*

now it goes underground !...

Nobody knew how bad my memory was...& that it was constantly being eroded day by day even...by Mad Mother Kali & her paedophile CHUM Doc Mengele Harrington...who dine & wine in expensive discrete PLACES at least once a fortnight...)

BMNH Oceanographer Doctor Heyward...he will not have learned much about my life since 1958...when he used to warn me that the ghosts of James Cook RN, Solander, Forsters, Sir Joe Banks, could come tripping up & down the stairs where I sat to read some cold mornings when I had ESCAPED from the EERIE HOUSE, the MALRAUX MORGUE of simmering violence sometimes ...found the great door to 130 Soho Square open seated myself on the stone stairs with book & announced I had been at *Camulodunum* but was now improving my education taking 18th -19th century study on Harold POULTER`s advice... *That original building with the great soaring library windows is still owned by BMNH & London County Council at this time...*

I decided to accompany PJPW to deliver the papers to the author Richard Carrington who lived very nearby Lancaster Gate square-

1957/1959 - A

I hoped he would step from the shadows of the Pillars- If only A PHANTOM-of the Opera !
No marriage existed in my memory-no re-vowing 11 years later-

many others too...

1966 November - **Nobody appeared in the dark damp mist of night. ALL WAS QUIET AS THE GRAVE AT 50 LANCASTER GATE SQUARE-THE MALRAUX MORGUE-** I had no memory of Pierre & Vincent November 1957...they did not exist in my head... No lights were in the windows...t was not yet become a hotel-

I vaguely recalled the lines by Daphne du Maurier in her novel REBECCA

...` in this ruin lay our suffering` the great house a ruin by moonlight-

I was glad to have Peter J.P. Whitehead with me- otherwise I could not stay more than a few seconds- *then run, frightened-*

I had no words for that past- only inner sweeps of feelings...

I lived in a long dark tunnel of hundreds of years where the only daylight was from memory ... fear had me wrap my shivering heart-soul in dark & mist & rain the more...I could recall it had always seemed to be WINTER & I am a pauper...with a father who was adopted...

1962 November - I had it confirmed that ANDRE MALRAUX

all of us lived there - by the housekeeper who looked startled to see me...then perhaps even relaxed...

The great beautiful Catholic home-hostel-Mission -of Andre Malraux where General de Gaulle had also work going on- he called early one morning on MALRAUX -

1962 - I speak with the housekeeper a dark November night...not too cold...&
brown-black the cat walked by ! The same cat- The building she reminded me was
so warm...cosy when we were all there - warm
inside those cold winters-
she now sad I saw, perhaps tragic...actually shed a tear...saying slowly it was to be sold
as a hotel
`it had been got off France & Diocese of Westminster...
she is a Catholic...

She suddenly said softly with bent head...“ ...not seen Mr Malraux for 9 months- since the accident...”

I felt shock at hearing his

name said softly...

did not

ask anything...

I am a pauper & a nobody...

I had no idea of an accident- perhaps I should know ?...

I did not wish to upset her more...

her husband the violin teacher-

well known-

was ill

“ coughing- the Doctor says he can do no more for him...”

`auntie` Malraux`s housekeeper, found for him by Clara Malraux 1953...she did not continue living in her basement flat no 50 Lancaster Gate Square.

Between 1965/66 she died from being poisoned/reports-

Police looking for woman in white raincoat...

` ... Andre had found her another flat after her husband died...

She had a monthly Soiree for the Malraux young staff I had been with at 50 Lancaster Gate Square the 1950s- David Brown RNVR went -

I think he was told to go in my place by the G.B. & Crown thieves of my post/mail - He was upset a bit & said `they could have left her...the Soiree were so pleasant...I looked forward to it all...`

World War by Noble British thugs strode on -

An obscene sadistic crime of greed now hushed-up by the phrase

`would do no good to British Trade if it came out-or the Crown`

Thus G.B. penniless nobles cloaked its Class in sadistic nostalgia-

A FORM OF TERRORISM & DIVINE GLOBAL POWER from 1939 was operating into the 1980s...

1961- a cold Saturday afternoon November 50 Lancaster Gate Square-men burst in to turn off water & electricity at 4 pm- winter darkness is advancing- **ANDRE MALRAU X** bereaved of his sons in MAY 1961 is given notice to Leave his 2 room apartment (2 windows left the floor above the balcony where the flags hang out)-

either he or General de Gaulle or the Diocese of Westminster had received Gross Britain Government & Crown Orders of this in advance yet it had been planned by **JIM-Lindsay Earls**-other SCUM noble...in 1953...
to get hold of the building this way...sell it on...get income...

A second-cousin of PJPW came to the rescue & got a delay/

Jenny Brett had worked for Andre in the building 50 Lancaster Gate Square 1957 -

files/accounts/diaries/records/ her death 1989 after she & Greta Ransom Whitehead have been seen talking at the 100 Years Anniversary of Sir James Whitehead Lord Mayor Extraordinary 1888 is noted by some who were aware of the whole TRAGIC MATTER of the GROTE HOMES & Joyous Venture...

Procession City of London 1888 is 100 years since **JAMES WHITEHEAD, QUAKER**, became Lord Mayor of London...knighted as the custom 1888...

Greta Ransom married Jenny`s 2nd cousin 1967...Jenny & her family were told soon after the marriage that nothing should be spoken of about the past...she therefore would get no information from me ...& Andre Malraux

DETECTIVES & Colleagues

who could give her valuable information on the on-going killings...the globe...thus giving her some protection...

1961 - To be noted : I Greta Ransom had two interviews November/December to take a job in London - arranged by H. W. Poulter Deputy Curator of Colchester Museums - the first was with the Librarian of the King's Library British Museum- the second was to be at the Vic & Bert (Victoria & Albert) -

An errand that afternoon for Mr Poulter to call on his old friends in the British Museum Natural History curiously drew me to the Waterhouse building & its beautiful ceilings, perhaps some memory 1930s trying to rise ? ...

A phone call at 6.30pm in 10 minutes time came from London to say my father seriously harmed & taken to hospital - **Andre was called to the telephone by Miss Win Gordon & told he had to leave for London & Paris... a myth CALL CAME FOR HIM...**

I was handed the telephone & it was Miss Win Gordon my aunt...

I was dismissed immediately from the gathering “you are not invited to the Ball because you are too young-Andre has to leave immediately to go to France...& you have no ball dress-please return to your lodgings with the young Nappers...”

It was Esther in a week ... **made a strong fuss when Win excused herself with a firm... `I did not let Greta go to the Ball with the Naval people because she had no ball gown & she is too young - Esther said a bit crossly`**

I have evening frocks Winnie...several

The hideous matters - Another report 1960s...

`A list was made of the Weddell families in South America by Teresa (who was to be in the asylum from September 1946-but the du Cann father & son & 2-man legal team had forbidden Miss Winifred PORTIA Gordon to do this as it could harm the 1924 bastard Ed's career...)

...(Here was Clytemnestra Old Mother Riley Gordon-Gordon R. making a list of Greta Ransom`s 3rd & 4th cousins Weddell)

` She was asking the young teenage Weddell cousins-they had no idea of her evil noble connections - This list was put in the back of Buckingham Palace late that night addressed to Lindsay Earls... Angela & Admiralty... In 10 months these young men were dead -

19 Weddell family ` were dead in that 10 months ! /Arthur Malone Detectives Colleagues of Andre Malraux 1960...

The plan of the criminally insane Nobles was to DENY THE EXISTANCE OF ALL WEDDELL DESCENDANTS - of the marriage 1824 of JAMES WEDDELL & Alovedmah-Maria Miss San Julian THE ICE WHITE BRIDE only child of an INCA Nobleman highly educated Roman Catholic a long time friend of James Weddell QUAKER-

Then murder every Weddell using the pattern for the murders of the GROTE HOMES CHILDREN/
three-quarters of them slain by 1946-
Then put an ugly name/names on THE WEDDELL SEA ...

in 1949 in England ! This was 1951...Colchester sources were well aware of these insane Scots trouble makers... LINDSAY Earls & Noble Britain penniless pre-War ... STILL ALL ON THE PIN -

1960 - More than 150 Weddell descendants including the triplets were missing in South America a few about the globe - records/diaries/letters/histories/ Years on we are told all bodies are burned...& the grave of James Weddell St Clement Danes has another body in 1954 !

1958 Summer...**the 8 letters ANDRE MALRAUX wrote to Greta Ransom delivered to Jaywick were wrestled from the young Postman by Teresa Gordon R. threatening his job...& she accompanied by 2 thugs...making Gorilla noises... mad mother Kali Clytemnestra...**
