Girls like her gave the money for the customary gold RING to the poor-box the Church-or began a Charity-
Her new husband would then earn the money for the gold wedding ring.
A NICE CUSTOM by Catholic Irish humanist blue-stockings

Teresa Carroll Williams

gave her five/5 daughters ancient Catholic-Classical names- My grandmother is Mary Helena-

Helena mother of Constantine who found the true cross-

of whom my Great-Aunt Annie Agnes-artist Mary`s youngest sister would say

“She, Saint Helena, would have been better staying at home cooking her son’s dinners...than trekking all over the Empire...`I HAVE BEEN READING HER UP` !

Annie reads Lucretius & the Bible...

...I Greetah Ransom hear such interesting things when I call in on the 3-storied house `S tella Maris`

1943/45 - If she has time she reads me something from The Ingoldsby Legends & is teaching me to make crosses out of anything- “ cross the wooden kitchen spoons in the kitchen on the table for a start...then nothing may burn !...” Into this holy household June 1945

Reports to ` young Paccelli ` “ **The Convent school are very happy about an early

18 years old... Andre also sings in the Nun’s chapel as his counter-tenor voice suits their
voices - Our Saint Clare nuns are very choosy whom they have in their chapel & he
suits them well a young Catholic raised man...they do not mind at all that he questions
the faith & regard this as enriching...He also drops into the schools all over East Anglia
with Mr Armstrong the geographer & gives a talk & to the Youth Clubs...”**

(The fact of Colonel ANDRE teaching a session to the BIG GIRLS 15 years to 17 years of age
in the High School Dovercourt was very worrying...

**OUR CLASS were frightened he might meet AN OLDER WOMAN ! Marriage to Greta
was to be hoped for early...**

“...So that while the Convent school girls in *Greetah's* class call him
