

1930s - there was early 20th century the occasional ANABAPTIST Service in their tiny chapel just down from Great Clacton Rise at the beginning of the Valley Road. They would get permission from a Bishop.

They all good people of moderation-humanism-some come in from The Seas or fleeing the Continent & its Wars of Religions the last 400 years...

Many of them well known to the Ransom families & addressed by Christian names -

Andre & Greetah have walked past 1937...

1945 it is a carpenters workshop...

1940s - there are come & go predators about me GR that I half recognise... even though my memory is badly impaired... *but I hath a sense of evil when I see some of them...* creatures of uniforms-good tailoring-much talk of women with Military moustaches too-

Pre-war late1930s I knew they were out to destroy & rob our miracle GROTE HOMES RANSOM Estate of 2,000 years THE JOYOUS VENTURE- I do not put the 1930s Curriculum of my carefully structured early learning into words anymore-I am alone-RANSOMS & that side of my family were taken off to WAR-to be slain with the Grote children but many RANSOM family have survived with help from human beings ! The violence upon me physically has stored away my family ARCHIVES into dark landscapes lining tunnels of silver black light where THE ONLY DAWN IS FROM THE MEMORY-

These rabies ridden dogs want all of us dead- all identification removed- so they may go on with the GREAT DECLINE-the great debauchery-THEIR IMPERIAL GREEDY EMPIRE IS FALLEN...but they have piles of GOLD from a River of BLOOD from GROTE HOMES SLAUGHTER...

1946 - from September - I Greta Ransom have to appease *SHE* she not yet sent into the Asylum by December...& she slithers at me from places of overhanging trees with threats- coming at me school dinner times with buns in a bag saying in authority "...I want to talk to **YOU-**

I need help with the boys- I have to think of my sons- MY SONS-you are only a girl-you are to help me with your brothers- I require to speak with you-you...you bitch you ... " At Christmas

1947

she is still NOT IN THE ASYLUM...

she jeers at Miss Aunt Winnie XMAS day lunchtime ... "...of course I smashed that marriage...WHY SHOULD SHE HAVE A HUSBAND...when I don't have one...Old girl ... "

She Teresa Gordon Mad Mother Kali Clytemnestra Old Mother Riley-Ransom...Close chum of Angela a dope-drunk & dirty JIMMIE Mr PONG... has a bottle of spirits in each hand as all NOBLE BRITAIN did 1920s ...I burst into tears & left...went back to the 2 room flat...found she had torn it to pieces...I left it immaculate...she only had to give the boys their breakfast...I went to help Aunt Winnie prepare our solitary XMAS dinner... Teresa Gordon Ransom`s Noble friends including one Angela have been heard baiting her that ` she has given birth to Apes` ...

They do not intend giving her a big fortune from their CRIMINAL INSANITY their FRAUD THEFT WITH VIOLENCE to get Grote Ransom Estate- she would be too dangerous to them as the mother of `the Apes & Eskimos` ...
But they do not drop her acquaintanceship-

TGR is committed to an Asylum for the poisoning of her mother Mary Gordon & to be in to TENDRING ASYLUM for assessment by October 1946 the latest...but the Courts know who has put her up to all this...& these monsters Earls of Lindsay & Mr Jim Jong & others Noble always urging crimes against us RANSOM families to destroy our image ...

He had clearly come to kill Greetha Ransom yet again. He began seriously when I was 5

1957 November - He, *The Count Lindsay offshore* , did a sort of corkscrew War Dance on the steps of 50 Lancaster Gate Square & then politely asked...
`when is Andre going to be here` ...

I had replied exactly as ANDRE MALRAUX had instructed me late autumn 1957 (*when we began to have the 4 BANNS being read at Saint Etheldreda's crypt City of London for 7 January 1958*
)

“... No...I AM WAITING FOR MY HUSBAND ANDRE MALRAUX TO COME FROM FRANCE/GAUL ...” (No 15 had never been told !)
