Swiftly that time MALRAUX sent to the telephone & sent off to France ...

He John RAY did not question anything !

**IT HAD ALL HAPPENED AT ONCE-** He had matter to learn of this most hideous **GREATEST CRIME OF MANKIND -**

(Ahead would be his brother LIR diaries/tapes the unfolding of the horror-& the beginning of the disappearance of his & his wife's Weddell relatives)

1948-1960 ...THE AWAKENING for Dr JOHN RAY ® **Ransom...**

finding his RANSOM ancestry 77 AD Londinium/Dunwich Suffolk -

He JOHN RANSOM name changed to JOHN RAY age 2 years USA to protect him...now

understood why he had been given THE CARE OF THIS ESTATE IN CANADA from his birth by this Goddess Margarethe RANSOM sister of his grandfather JOHN RANSOM...she a girl of the Snows whose letters he now read & saw the photographs of she & family the Island from the beginning of photography 1840s...The Great PLAY Seasons -the Ox at Christmastide- a Great Grandpa Fred Ransom looking like him but short...Gertruid in the Delacroix paintings...`Her eyes were like diamonds in the Northern Skies`

He Dr John RAY was 21 years when this Aladdin Cave/doors open into HELL/ opened before him - delayed by the entry of USA into the 2<sup>nd</sup>

World War... He was welcomed as a member of the Family by GROTE BROKERS New York - he was told by them

`Now young fellah you go & look after the Rock of Gibraltar as well as your chosen career- your aunt Mrs Ransom Grote has very kindly investments there- & you may also draw yourself an income for you are to be encouraged to continue with your splendid education & your duties will be to Tour the Girdle round the Earth the Flower Garden the JOYOUS VENTURE when you can or come on BOARD FULL TIME when you wish - this is your family & TIG is from ours...

To accomplish this TIGGY reduced the RANSOM family to NO SHOES` when he began...so we gave him 4 acres...it is now under New York...as well as the 19 acres bought by F.Ransom 1801...`

*HAPPY WORK should have begun...*

1946-1948 - ` Dr John RAY went off to see this wondrous piece of philanthropy... In France he said "it hit him like a fine ancient wine" HE DID NOT MEET ALL

... **LEN Immanuel Ransom** he was 26 years when the full horror fell about him - he could tell of insults from Figures from a Morgue who called him Ape boy...1920s Fat Angela prodding him with a smelly foot

( the dope made their feet stink)...

telling him to get out of the door at distinguished gatherings he & his parents were invited to.

***Some of them on dopes had also kicked a 4 years old girl to death in 2 hours one afternoon...Reports/early-mid 1920s British Noble life...***

1941-1948 - **Meanwhile JOHN (Ray-Ransom) was intoxicated by this line RANSOM SAILING DOWN THE CENTURIES all such good human beings...**

***his USA education had him free of Class & titles worship ...`***

“ John says he rushed to many nations & called out to people everywhere `I come from you` ... 14

*races...27 nations*

...now he knew of them all...all SAILING DOWN THE SEAS... & could speak their names as he walked upon their lands where RANSOM ships had drawn in... He found his ancestral lines- many not been lost...

only British GREED had them to keep themselves hidden ...

The WEDDELL families were vulnerable for they felt they were safe being of a hero Mariner of the SOUTH POLE...»

“ HE Dr John RAY Ransom ...had a lot to learn & A LOT TO FEAR & ALL HIS DEMOCRATIC EDUCATION COULD NOT KEEP HIM SAFE...because these MONSTROUS APPARITIONS had been allowed to COMMIT THE GREATEST CRIME OF MANKIND

Later years as numbers of the Estate SLAIN children & adults are gathered ... it will be called GROTE GENOCIDE
