

1960 February - Report - POLITAN/Arthur Malone detective/ law studies 2 years/Royal Air Force/writer...

( LIR/Malraux/Politan/ 19<sup>th</sup> March 1972 renaissance evening The Pillar House, Harwell )

“ I found Mrs *Mengele* & her friend by Greta’s caravan door - she was gone to Colchester - later I found they had been in the *ghost* cottage opposite & stolen MY NOTEBOOK  
...(use of Cottage began that week)

Arthur Malone Detective “ My Report (mid-February) given that evening outside the door of the caravan ... I told Greta that evening about 7.30pm & that I found it very inconvenient because it was laced with names & telephone numbers especially from the Island ARRAN - I`d gone up on the 27<sup>th</sup>

December...

JIM had his BOOTS all over the Island

...I worried about people now...I had to warn everybody particularly some people in the Law the City whom I had known when a young man - I`d have to slip up to town next day...or make contact with Phil (Silverlee) ... But it was also the work I had from ARRAN & other sources when I had worked over this past Xmas Tide that was very worrying...notes of the help given me

Thinking back to then,

I realised Greta did not at all have the responses I would have expected

...

**& earlier when I explained**  
SHE HAD BEEN BORN ON A HEARSE...  
**I knew ANDRE would be over**  
when he could

...

**I HAD TO NOW CARRY A GUN...**  
**I had permission from the Law...`**

`1960 February - I knew by then `Mrs *Mengele* (Harrington)...she was full of extreme  
MALICE against Greta & Andre  
`

*Oh Mengele taught her early on no doubt shaping her reasoning with this & that he calls  
medicines...you know what I mean...*

The Team Phil & I -

were awaiting a reply from ANDRE & his General-we were fobbed off for over a year by  
*Mengele's*  
professional Team...notes saying `considering` .

*Mr Mengele*

could get some State security...It was some old Territorials who came to our rescue...Pat  
(MacDrew) knew them...We had heard we were  
promised  
explosions

at Colne Engaine...it came down from London...`

**Nota bene : A small UN New York sub-committee meeting was knocked out with it early 1950s...& JIM used it now & then in The City when he held his Board Meetings...he poured the tea... 1961 December - **Harold W. Poulter Deputy Curator Colchester & Essex Museums speaking upon an envelope put in the post from Colchester the past Summer 1961 ! In it the KEY of the ghost-house in an envelope to Greta Ransom Colne Engaine with a note...POULTER establishes GRETA DID NOT GET IT ! Or if it was delivered then another took it from where the Postman placed it ! THE KEY WAS TO BE GIVEN TO ANDRE MALRAUX for he had told Poulter when he**

would arrive...late night

...( little airfields are about Essex...ANDRE MALRAUX knows Essex better than Greta Ransom...he has charged about in cars with Quakers 1950s & 1940s with Armstrong Geographer & several others...)

1958 Summer - I am still making some craftwork in `Mistral` the new Caravan bought from my wages & bonus Summer 1959 at Mr & Mrs Pritchard's `Old Curiosity Shop The Holiday Shop at Jaywick Sands... AND

RE came down Summer 1958

...helped Mr Smith a few hours in his fish & chip shop...they meet in London on Fund Raising for Childrens Charities...Mr Smith`s second-cousin is Bernie a millionaire. Mr Smith called me down...“ How do you like my new assistant... Kiss her boy...” he said to Andre.

Mr Smith went up to

*SHEshe*

calling her

`Mrs R.

` saying

“now...what`s your objections to ANDRE...a good lad...not so young as he was...but got a good heart ”...

THE MATTER OF THE MISSING 8 letters was solved ! Mr Smith got hold of the 19 years old Post delivery boy & said “...tell  
me about those letters addressed to young Greta  
...or I will SEE YOU DO NOT GET PROMOTION...I know your boss since we were boys !..”

The post boy said how

SHE Mrs Ransom,

John`s mother,

had demanded the letters be handed to her !

He said everyone was scared of her !

**AMAZING CHANGE** in Mad mother Kali invited **ANDRE** to supper at 10.30 pm at the back of the shop-she had everything prepared-eggs in a bowl-pan-table laid with orange juice & rolls.

She directed **ME** to make the omelette. He ate it. She now cracked fresh eggs for my omelette. *She does not eat eggs or chickens* . He ate & said I was expected to return with him to **HOLLYTREES MANSION MUSEUM**  
...**ANDRE MALRAUX**  
said that we should not keep Mr Poulter up after midnight

.  
**SHE REFUSED TO LET ME GO**

.  
I had reached for my bucket bag with my pyjamas towel & sponge bag, makeup...perhaps Mr & Mrs Smith had said I was to go...**HE LEFT ALONE IN THE TAXI !**  
She kept saying I worked for her !  
She expected me to be on the spot early morning to help with the newspaper delivery...

1959 September - **REPORT H.W. POULTER** his half a day out to the Seaside...(2 coloured photos of Mr Poulter & Greta at Jaywick... *SHE is in Colchester Hospital with a nosebleed...& hooked on heroin...*)

He is reporting upon an **ANDRE MALRAUX** visit to him 1958 August...

“ He, Andre, arrived back to Hollytrees about midnight, Child...was not well...at 1 am I called the doctor at the Hospital  
...he came & fetched another when I explained who it was...They got him through the night...

it was food poisoning

...then so he did not attract attention in the Hospital they put him in The Falcon & ? Inn as they would be very discrete & a senior nurse was with him for 2 days...
