It is accurate history after we have had the SUMMER HOLIDAY OF HAPPINESS 1937 5 weeks - & to Lincoln -

A time of lovely days & happy things to do for ANDRE MALRAUX & JOSETTE & *Greetah* 5 years old next March 1938 ...

1960 January - MALRAUX New Minister of France **has taken a Night Watch Britain/ he given permission by General de Gaulle**

to come from GAUL - come swiftly to without the Walls Camulodunum- see the situation
- TAKE A NIGHT
WATCH - It is
deep winter & Britain had bitter cold winters the first 70 years of the 20th century.

The gathering Team had to split into two WATCH times- NIGHT WATCH & Pre-DAWN WATCH , clad in thick clothes-carrying guns & other weapons. THEY WANTED TO CATCH THE MONSTERS...*I am the bait ?* In England it is dark by 4 pm in winter & doth not get light until after 7 am.

1960 winter - By February the Team were hoping to catch monsters working for British Scum... nail them to a door & ask WHY have you been hunting us to death/how much of the Estate have you got/the children are slain you are obscene in your lust for dough/etc

All this is covered by day-to-day observance & help local community/Malone others diaries/notes/ THEY DO NOT HAVE THE GHOST HOUSE KEY from Hollytrees MUSEUM until mid-February/MALRAUX went into see Mr Poulter & asked for loan of the cottage/He said his assistant had told Greta December 23rd 1959 when he Poulter called out to her in the Museum `got you a berth & a cottage alongside - go see Sprack `... I say to MALONE 1972 I did not understand this !
(*As I had no idea I was the Golden Goose girl I would not be wanting a rented cottage as well as a place to put my new caravan...*)

1960 2nd Week January - Arthur Malone rented a room nearby with the Marsh End boys in the farm workers cottages/they had to be told some things because of the number of MEN coming up to Arthur`s room immediately, & Harry Gordon`s niece in new caravan in the tiny meadow... They alerted the ex-Army Farmer & others. Some help will be given. People were observant. When Pat MacDrew comes many local people know him. His brother & family lived at Castle Hedingham about 4 miles away before & during the war then all of them were killed...
terrible tragedy the 9 years old...`
I am told by Arthur Malone best I stay put until ANDRE comes over again. They hope to catch some monsters...learn more...`

1959 December 27th - OPEN SESAME/to the jaws of Hell ! **Arthur Malone took off to ARRAN after 2 days with his parents & family at Christmas...& called somewhere else to do with this work for MALRAUX... `On the Island I was spotted after a week !**

Malone had all the information from Miss Teresa Butler about GRETA born heir to her Aunt a Miss Margaret Ransom who married a man with Orphanages around the world.

SUMMER 1937...

Listen!

Try to remember us - the three of us - summertime...I want your arms around me, telling me

I shall get well !

One day I awoke & was pale & nervous - had my nerves you all said !
You would not take me to the beach !
Until the end of the day.
(*wrapped up in jumper & jacket - I Greetah insist-*)
I must stay in bed & sleep my illness away.
You took JO to see the
' world pass by ' in the afternoon.
She said she felt you might walk her to A STAR !
So stoutly did you walk
'thee - shee ' that day .
I needed to rest all that day you told me .
I
needed to rest...& I do to-day...
I want your arms around me & not have to keep going away !

Death is going to take me one day & I want OUR LIFE...

I want you , your arms around me. As you did that break of day 1937 - when we were
young - beside the sea. When we were young & you
had me stay in bed ...& took
JO-our JO-
'to watch the world go by - the world pass by...
' Said JO
" an expert on STARS - an expert on other things...
"
I want you beside me - then I'll be an expert on this stage...the world
...I will amaze people how expert I am if you...if you come & put your arms round me
again... "

Andre Malraux to Greta Ransom January 1960

1937 summer - He did not have real nerves early morn...

but he had a high temperature & a cold in the head from going out the previous dawn without his jumper or jacket. I did complain & say it was *too cold of a morning* & everyone

here

abouts

knew you did not go about in chill sea mists without a jumper tied round your waist when there was colder mists from the sea probably coming in-not just the night mist...&

besides,

the day might arise with heavy clouds of grey-

I can see him now...in my head...this minute-

as George Shearing plays piano music CD

-

Georges-ANDRE with his head on the pillow & big beautiful sorrowful eyes looking at me & not quite brown eyes at all but a spring fawn green sheen then an emerald STAR appears-

& I shall be HIS MOTHER FOR EVER & ever & if JO does not want him...perhaps I will not always be a dwarf with so much to learn...`

1957 December - He *say`th* “ What do you want for Xmas ? ” *I sayyyyh`* YOU-in cellophane with violets-bluebells-lavender` Reply AM-Gov-Sir
“ You have me - I will choose you something then...”

Summer 1937 - A FEVERISH COLD - He Andre-Georges has been put in the little room on his own at 8 am... which has a

kinder east-south light I think.

We bring him a cup of tea & an ASPERIN perhaps two tablets is melted on a spoon & is given him by Josette & he is to keep wrapped up & sleep .

We will come & see him at 11 am & a decision will be made upon his health.

He

&

I have been keeping impossible times.

Up by 4 am & rushing into the DAWN

...

on the go depending on the activities arranged, sometimes an afternoon rest of an hour & a half, then on the go until nearly midnight !

I can

knap-kip

anywhere as he says-

on his shoulder

in the car, beach, countryside -in a cinema seat.

I can see as a cine-film that morning &

George-Saint-

ANDRE- our patient - who is to do as he is told .

JO

will come & smooth his brow when she has bathed done her cosmetics-arranged herself &

ENTERED UPON THE DAY

...

I announce rather grandly I shall therefore bathe myself in the bathroom when it is free ... **& it will be in**

cold water

as it is my family custom in summertime...Tierra del

Fuego-Ecuador-Peru-Argentina-Uruguay-Bolivia-Chile & A to Z !

I have not yet been to Japan...

ANDRE MALRAUX has decided that with 3 people using the bath I The Prophet can be put in the kitchen sink & soaped up !

My dignity suffered !

Then I realised I would think of myself as a flower fairy bathing in his teacup ...!

I could have said 'Lennie & I bathe with penguins in Jean`s

lands...but I am not to *laden* he OUT OF SPAIN with any anxieties for he thinks all I tell

him of the globe is from my dreams ...

1937 Summer - **IN TWO DAYS Saint George ANDRE MALRAUX** was well - a little sniffing-
but a summer cold mending

- he will

not

go out in the early hours when

ROSY FINGERED DAWN

WEARS HER CLOAK OF GREY IN EARLY MORN

& he

hath

I have told him that like Uncle Harry Gordon he must look after his chest if he smokes

SUMMER 1937

WE HEAR PEOPLE SAY THERE MAY BE ANOTHER WAR

there is a War Memorial over from the Rose Gardens-

1960 **JANUARY** I Greta Ransom have come to live in the most beautiful place in the
world I felt but fearful I am from 2nd January when Mengele Harrington
broke in on me with a key to my own home, this new little caravan.

Here is ancient

Colne Engayne

a

hamlet & I have for one pound

(20 shillings)

a week a tiny meadow sloping gently to the East & South.

Colcestre

is 15 minutes on the bus to the centre-

Those 5 days of January 1960

I think about

Georges-A

ndre...

so many nasty tricks about me these last 3 years & he so tall & solemn so full of DIGNITY...this man of the Glenn Miller RAINCOAT

whom I cannot recall back in time but know he is there if only I had a memory...

& he has now to be

I N

G A U L

...

& then Arthur Malone turned up the 6th January I think...

I found myself composing bits of lines...` ONCE AGAIN WE STEP UPON THE STAGE OF TIME...begin the Play...written by the Poet of a thousand years...we know the end, the years of the TOMB...then another beginning...& so on...PERHAPS THE POET WILL RE-WRITE OUR TRAGIC PLAY...perhaps for the next Performance...

G R

1960 5th January - **feeling better from the Influenza I thought that perhaps a miracle will happen but meanwhile I will make my craftwork & live in PEACE here...**

I have a list of books to read from Deputy Curator

Colcestre

H.W. Poulter - 18

th

th

centuries...

he sometimes`

throws a book` my way

...

He had me read Norman Douglas SOUTH WIND

...
“

The world Child is divided into two kinds..those who have read South Wind & those who have not...you might ponder the matter ...”

1960 JANUARY *1st or 2nd of this new year...* came THE DEVIL

Mengele Harrington ...he is RUNNING A CULT HE HAS JOINED IN FRANCE `Saint Michael falling & Fallen
& has hissed at me at Midnight breaking in on my room at 50 Lancaster Gate Square

“YOU you Ape GET WHICH ONE YOU DESERVE ” - spoof Doc *Mengele* Harrington paedophile Gollum Royal Satrap
appeared barging into my own new little home
...I was scared at now 26 years of age-
I did not expect that MONSTER to appear in the Ancient Lands of *Camulodunum Colonia Victricensis*
again -

Mengele ...barged in-he actually had a key-& threatened me so violently & horribly in my HOLY HOME with what the FUTURE held now he had got me away from his “
MY MY MY
PATIENT MALRAUX...”
I had FLU` & sniffed & coughed pretended disinterest as with a sometimes tiresome person you have always known

...

I now told him
“ OH go away- I’ve got flu - & do not want to speak for 4 days to anyone ”
He left hissing

“ I -

I -

I

- HAVE TO WORK IN THE HOSPITALS- DON'T GIVE IT TO ME
~ I SHALL BE BACK !

You YOU are not getting in the way of The Crown & MY MY MY WORK...& MY MY MY PATIENT MALRAUX...”

~ I waited for *Gollum Mengele* to go/heard the arrogant *peep-peep*

on his `little boy bait blue car` - arose with high temperature & headache & now tied up the new caravan Sprite door on the inside~

3 days later I recovered from the Influenza headache & wrapped myself in woollies- felt a bit weak- but knew it would do my SOUL GOOD TO SEE THE SEA
...& I went to Roman Britain East Mersea
to gather seashells drift woods & glass on that then quite pure & un-attacked piece of landscape...
where the Reverend Baring Gould wrote novels...
there is a great church...

1959 31st December - THE ARRIVAL COLNE ENGAYNE...a pauper girl Greta Ransom with an aching young heart for a man in a Glenn Miller RAINCOAT...
MALRAUX of GAUL...

1957-1959 - I could vaguely & painfully recall Georges *Mr Brown Owl* when he would look up at me from his writings as I came up the stairs at 50 Lancaster Gate Square ...& he with kindly caring look would say
`JO used to play these games with me...

Yes then I will be Mr Brown OWL in this cardigan that Auntie has got me to keep me warm in YOUR winters Madam...

.... ` & I would feel weak at the knees & want to hide under his romantic raincoat...too in awe of him for a few minutes that I do not want to speak or even look upon `The FACE OF ATREUS Father of Our HOUSE `
until I have got used to him again & I tell him so & he laughs & says ...“ it is only because we have LOST THE LAST 10 years...otherwise we would have lots of children & be very busy with them & my career...»

I was shy of him 1945 when we walked beside the SEAS...then unconscious memories must have arisen...

but it is dangerous & unnatural to have no memory of my first 14 years of life ...

1959 Summer - Poulter kept him in my mind...I recalling & weary a little December 1959 of the CRUDE TRICKS played on us...but I felt he Georges ANDRE might not either recall any of this ?

1957

October in PARIS the women in the Jan Steen Tavern were instructed by
MENGELE

Doc

Harrington to “

TAKE HIS MIND OUT WHEN HE ARRIVES FROM BRITAIN... ”

ANDRE MALRAUX

he was to have NO proper MEMORY of where he had been ...

1960 winter spring - I can remember my quiet happiness at the daytime beauty of the views at COLNE ENGAINE...& the first two weeks frosts & grey-green silver sleet as I came up the hill from Colchester towards Gallows Corner... *awful to think of them ...poor innocents very often ...hung over there... they seemed to hang upon the air of the place & I willed them comfort ...no more could one do...*

I had experience of injustice...

I took another trip by bus on perhaps the 7th January to East Mersea

to get some more shells drift woods for my craftwork that is going to provide me with a pittance to exist upon... but it may grow & I can then go on with my education & perhaps even buy the tiny meadow & POULTER & I will think of A ROMAN VILLA when I enthuse over THE BEAUTY OF THE PLACE facing south...& I say perhaps it can be built...we gather some minutes enthusiasm in Hollytrees Museum basement June 1960... HE KNOWS IT CAN BE DONE...

...Mr Poulter Polymath...knows more of my life than I...ANDRE MALRAUX now Burgermeister of GAUL could agree to this-a ROMAN VILLA...three sides facing south turned slightly east...but with WEST windows...re-create that window HORACE speaks of in his VILLA outside ROME...` NO

1960 January 6th or 7th ...**my FLU` headaches gone my strength much returned ...** Mr Malone DETECTIVE gave me a shock about 7.30pm

”

I Miss Greta Ransom felt it had to be the farmer for he had said when I arrived `its quiet & safe-I walk the old dog some nights-we brought him from Kenya when we moved here...my son is at the Horticultural College...we can do any shopping you need or take you in on Saturdays...`

They know I am Harry Gordon`s niece...

I HAD OPENED THE stable caravan door in the utter pitch black night...without fear... at 7.30pm end of the first week JANUARY 1960 ...

but I

will

do that AGAIN

...

I have taken a room over the top...the farm cottages you can see from the little Victorian Post Box in the hedge...nice to see that still left there...

“

MALONE REPORTING...I HAVE A NOTEBOOK FULL...”

Comfort at the sound of his voice but I bewildered...what had I done ! But realization that what Aunt Terry Butler had said had some foundation.

Words of explanation by Malone difficult to follow - then I advised that some people Harry knows & some strangers are taking a Night Watch...Something Uncle Harry Gordon said Xmas Day
