MARTYR -

IT SOUNDS LIKE A DIRTY JIM CRIME...he likes putting people in sacks & burning them in Scotland or throwing them in watery pits...& cutting a vein behind the ear ... `

1954 March 11th - He *Mengele* Harrington with JIM & LINDSAYBUGGARHS were clearly preparing to keep the Grote Heir Greta Ransom & ANDRE MALRAUX GUARDIAN a free French citizen from attending her 21st birthday party being arranged for her by her father Frederick John Ransom & his Ransom families...

1957 October- from this date ANDRE MALRAUX had a jeering sneering dirty mouthed persecution behind his back -he noticed it in WHITES a real VICE bar with JIM there -
He say`th to Greetah whom he is Guardian to from October 1937
...`I shall stick it out...you do not wear a hat I hear

!

I think ` little one`

you should buy a hat...but I have to learn what this is about...

I G.R.

got a ` berry`

in dark green...IT WAS STOLEN at 50 Lancaster Gate Square...a white one came from Aunt Winnie Gordon...& that was stolen too...

So by mid-November I was hatless but wore a scarf like all other girls on windy days...`

1957 November - *COUNT* LINDSAY No 15 came to the *front* door 50 Lancaster Gate Square & asked to speak to me -

he said he was Count of GARNI something or other

- I

had no memory of him at all, he the Spade wheeler pre-war

...I replied to his invitation " NO...I DO NOT WANT TO COME FOR A RIDE WITH YOU "

I answered politely.

Adding ` I was waiting for my husband ANDRE MALRAUX to come from GAUL ` He looked startled & FELL ABOUT THE PILLARS...in a corkscrew dance...

He would have killed me & dumped me somewhere...JIM has told him to... I do not go for rides with anyone !

I turned away & left him on the doorstep...the housekeeper stepped forward...I SAID EXACTLY WHAT ANDRE MALRAUX HAD ME REHEARSE WITH HIM THE WEEK BEFORE -

I have been instructed by ANDRE MALRAUX how to drive off the Hades monsters coming from WHITES CLUB

-

He

doth

return

& spoke to ANDRE-

& got a shock OVER THE CATHOLIC EARLY WEDDING allowed us in April 1947 ! I do not know anything else about this... pity...

ANDRE says 1970 ... A selection of the criminally insane had again been doubting its validity & Andre-George had heard all this in jeers 1957 October November behind his back in WHITES ...! As not one of them in Noble Gross Britain can be sure who their fathers are this did not at all bother us !

1957 November - ANDRE MALRAUX has just been told by `young Paccelli` Pope Pius 12 that he NEVER annulled the 1947 wedding to Mary Gordon's grand-daughter - as far as he, Vatican, HEAVEN are concerned-it was on hold- 17

th

April 1947...

61 years anniversary 2008 AD...into eternity...

Lindsay 15 & LINDSAYBUGGARHS & JIM & other Noble SCUM... were in no doubt why P ACCELLI had allowed the GROTE RANSOM HEIR TO MARRY THE GROTE RANSOM

GUARDIAN- IT WAS TO KEEP HER SAFE & him a widower JOSETTE having died so tragically & leaving him 2 sons -

SO NOW THEY MADE PLANS TO SAVAGE PACCELLI Pope Pius XII - as well as the ongoing persecution of RANSOM GORDON RANSOM WEDDELL POULSEN...all branches...

1937/1938 - Count Lindsay 15 who used to threaten my life with his big-boys metal spade when he was **`IN TRAINING WITH THIS STUFF UP MY NOSE FOR MY ROLE IN LIFE WHEN I GROW UP`**

Its *Divinorum Salvia Scotland* fire-blown pellets hitting the brain in 2 seconds - he had a Catholic marriage (divorce 1968) & with Montague in-law began robbing the Vatican Archives after 1957 waiting for `young PACCELLI` Pope PIUS 12 to die...MALRAUX RANSOM marriage would have PAPERS & with GROTE HOMES PAPERS & ESTATE Papers in VATICAN. They, Nobles of Gross Britain dripping blood & gore moneys from murdering the GROTE CHILDREN... wished to say the HOMES were prostitution & all EVIDENCE SHOULD BE GIVEN TO THE BRITISH CROWN TO DESTROY. I can only HOPE the VATICAN is not so THICK BETWEEN THE EARS ...But they did not get discovered as ROBBERS until their 3rd visit in the ARCHIVES with a false Priest...

**IMPERIAL BRITAIN & SCANDINAVIA with Noble creeps... knew that PACCELLI had been a very active supporter of the HOMES-the Estate-
That he knew Mary Gordon her sisters & the families the Southern Irish cousins & of the girl Teresa Carroll CLASSICIST Harmony & Plato studies.
THEY HAD ALL BEEN YOUNG TO-GETHER, Roman Catholics ...**

Paccelli knew Margarethe Ransom Grote & her apartment in her house in Rome/it could be used for Visitors to Vatican if they wished/likewise all her houses & apartments about the globe...He knew the GERMAN GROTE HOMES...& her families & those of her husband Thomas Immanuel GROTE founder of GROTE HOMES the grandchild of the GROTE Family West Saxony whose mother came of the family KANT... *Frederick Immanuel KANT...*

1929-1938 - `Young Paccelli` watched British Devilry against Grote Homes Germany & Latin America...a young Priest of high INTELLECT he knew of Ransom families as visitors to VATICAN 19th century & that Margarethe came first a girl of 10...Also SAN JULIAN INCA & Aelovedah-Maria 10 years of age...she who would marry James Weddell.... &
that he Paccelli encountered with these people their descendants a REAL WORLD & UNIVERSE outside fashionable flash-glitter circles...
HE COULD SEE THE STARS IN THE NIGHT SKIES speaking with Mrs Grote & kin people who had created the JOYOUS VENTURE & ran it as The Gospels Acted Out ...

**1938 spring - How he, now Pope PIUS 12, longed to speak with young MALRAUX about his GUARDIANSHIP of the greatest piece of philanthropy in the globe...
having read his two books
La Condition Humaine & Man`s Hope
- he was agreeable to the appointment & MALRAUX had accepted 1937 after being ASKED in OCTOBER**

...

& warn him of the British Noble attitude to GROTE HOMES & his experiences in GERMANY ...seeing the British Devilry...they were keen to ROB the art works from the HOMES as well as CLOSE THE HOMES WORLDWIDE & take the lands ! ... he needed to tell MALRAUX that attacks, murders of good students in Latin America had begun ...The British Crown & Earls of LINDSAY were claiming the ESTATE outright calling MARGARET GROTE an OLD ESKIMO... He wanted to warn the young writer & HUMANIST ... !

BUT THERE WAS NO REPLY FROM MALRAUX...the GUARDIAN CHOSEN...War came...finished...but MALRAUX did not call upon anyone in GROTE & RANSOM Estate... GROTE Brokers New York announced 1949 they had replaced him with the 3 Ransom brothers ... His reputation was tarnished because of the matter of the used cheque book ! Perhaps General de GAULLE did not want him to have anything to do with the ESTATE 1945/46 ? ... IT WAS PUZZLING...& the GROTE CHILDREN ITALY & the globe were dead... killed by the British in the War !

PACCELLI would know early 20th century that the friendship from GREENLAND was wondrous... & holy when it reached back to the 18th century...& then the Island Jacopsholmen WEST GREENLAND 19th

century, the school, the THEATRE, the life saving & common sense administration that went on by having the humanist enlightened Ransom & Poulsen families owing it outright was HOPE FOR MANKIND...

Delacroix had sailed up & painted in Jacop`s Church...

VATICAN ARCHIVES had the history of the young polymath free-thinker Catechist POUL GRONLANDER -how he risked his life saving the entire ship crew of Italians...the young man was sure of his great strength coming from his goodwill...preached Saint John/

& others

...& had an understanding of the UNIVERSE that directed him into science medicine humanism...Poul brought GOODNESS TO MANKIND -

1938/1939 - Clacton-on-Sea & `Jerusalem` London, I RECALL the anxiety of everyone when MALRAUX did not contact anyone...notes from Paccelli to The Montfort Lodge Clacton the Priests Home...had anyone heard anything more other than he had written MARY GORDON October 1937 saying HE HAD ACCEPTED GUARDIANSHIP...? I can see Granny Gordon looking out for Honoria Rachel coming down the road...wanting to show her the latest note from Paccelli...& ask things of her...?
*(H. Rachel she a French Catholic now in her 70s was rich...but had to dress like a beggar woman in Clacton so the LINDSAY mug alleys & scum did not take any interest in her...
she spoke French with LEN when he was with us...)*

...

PACCELLI would know from the Archives & talking generally with Mrs Grote, that Poul her mother`s grandfather & his wife Margaret Yates of Carlisle were welcomed in correspondence with the Popes - POUL writing in 4 languages told them very much... (“
for which language your Excellence prefer...)

That Pope of the shipwreck time sent presents & was eager for POUL to visit but understood that POUL had a fear of disease & until they could all learn more medicine to protect their FLOCKS he would not come then - Perhaps when he was older & widowed & the children bigger with Jacop eldest in his teens POUL may have intended visiting Italy with them...

their mother went to save a boat of children & drowned...

Poul was away at the time.

So that his widower hood perhaps was to have him step forth into the GLOBE...GIFTS came from the Pope...a horse which they kept very well for 2 years...but the winters proved too harsh...Poul asked to see spices as they grew...discussed books & requested some...He & Margaret sent good drawings from Greenland nature & craftwork to Rome...In exchange he got the botanical wonders of the globe he requested...coming swiftly by ship to 18
