1939 - *23rd December* - **Clacton on Sea, 112 Vista Road -**

... Report by Greta Ransom 7 years in March 1940 :

`...It is about 2 pm & the friend of the secret postal address has handed 2 letters to my father FJR in Clacton Army Depo -
Postman has just delivered them by the afternoon post delivery...
The
letters have travelled from GREENLAND
via Shetlands to Essex from M. de SALLE & Sarah his 13 years old daughter...
Startling news
about what has happened to them his family
in the Arctic winter with 4 children under 13 years !

Ordered out of the big warm well equipped RANSOM house on our Island Jacopsholmen West Greenland

-

by JIM & thugs

the Nobles there must have the bowl out for gold pieces too then...

comment at that time 1930s-

` My Father & I were putting up the Xmas decorations...paper chains & holly, evergreens...a small Xmas tree in the long drawing room that stretches across the front of 112 Vista Road ... `Pearly` ...

HOUSE AT THE END OF THE REC - To here Georges-ANDRE COLONEL MALRAUX will come June 1945

...& these memories can be read by notes from both of us & oral/possibly in his Notebooks if he asked me about the first CHRISTMAS here.

.1970 he comments ...

1939 23rd December - THE ARRIVAL OF THE 2 letters of DISTRESS from GREENLAND ... *S heshe*

was mouthing `I do not want paper chains-they are old fashioned-I do not want anything up for Christmas...`

We copy other homes we have known - paintings -photographs - it is nice to make a Christmas as one the Ransoms or Gordons have enjoyed in the past...MY FATHER, only 28 years of age IS READING ALOUD THE DREADFUL NEWS from the ARCTIC WINTER...

SheSHE

said ..."

you must go to the post office & send a telegram to LEN - Quick-Quick "

My father sets out for the Main Post Office in the Town...

She

went to the front garden to the gate...watched him go...then returned crashing about

with big feet, flailing arms pulling at fags & liquor ... blowing & puffing & swishing liquor from the bottle as Nobles ALL DO !
THEY SHOULD ALL BE IN CAGES !

...

later she will put some sleep making dope in my lemonade...!

I GR was hidden behind a great sideboard making paper chains up. I had learned enough of the letters of despair...Sarah was writing one & my father read some parts aloud in distress...perhaps because she writes clearly in English & M. de Salle writes his in French...he spoke some from cousin de Salle...

(Teresa understands enough French to get around said ANDRE 1950s)

... Sarah`s

father had asked her to write her letter too...

Ransoms speak German Japanese & Spanish very well...perhaps FJR was not so good at French...I do not know...

SHEshe is talking to herself now my father FJR had rushed to Post Office... she swooped like a Vampire-ess... all have the look of Vampires now they are aging ... Teresa picked up the telephone &

dialled a number...asked for another number &

said

“

Buckingham Palace please...Room

so & so

...~

She said

‘ Its Teresa...THEY HAVE GOT NEWS OUT ... 2 letters ... I have sent him to the Post Office to send a telegram to his brother at his Unit ... try telephone Len ...A ship came in & took the letters- Shetlands~

Very well ... I WILL SEE YOU UP THERE ... ”

I felt dumb & dwarf like for I am 6 & three quarters & only just beginning to stretch out in

height ... I have spent my life hiding from her in her rages ! (SHE HAS PHONED MR PONG with a 2 Man Unit Intelligence back of Buckingham Palace ...`she knows Angela & David ...all of them have been roaring & misbehaving about this place since 1921s...`)

My father returned after an hour & a half. She wanted to know where he'd been. I think he may not have told her all.

He probably got old Grand-daddy Potter Town Newspaper & Printing Works & Lifeboat

to quickly print the letters...make copies...so they could be sent off to USA via somebody in transport/hopefully planes...& anyone else he felt could help...AMERICA & CANADA should be able to help...sail in !

Get the family off the island !

Take them to New York for Christmas...or to Uncle Poul & Aunt Veronica Frobisher in Canada ...

They lost a son at sea 1937

...

it was probably the usual dirty work...grabbing our properties & prominent family members...

Too many accidents in this family !

1939 December - **My father did not know yet that the British R.N. swiftly put a WATCH up there...nobody to go on the RANSOM Island & GET THE FAMILY OFF !**

Records/reports/madness from JIM over Summertown 1941...& trying to mine 6 inches of coal & he had the unique flowering 114 acres destroyed- It had ALL to be thrown in the sea-every bit of topsoil-this was left A RESERVE TO THE WORLD & there were photographs of it about the globe !

He tries say

ANDRE MALRAUX

signed a document to do this in 1947 !

LIES !

documents/Wills/ Jimmie Jong has `Queens Flight` from 1930s...

... & there's the criminally insane of Denmark too helping...**THEY ARE ALL AFTER GOLD! ALL AFTER THE BIG WIN. ALL OF THEM ARE CRIMINALLY INSANE-FROM THEIR MASSIVE GREED**

bred in them ... & **THIEVING** our Islands, our seashores, our moneys & hissing at us we are Eskimos & apes...

23rd December - **I HAD NO CHANCE TO SAY WHAT *SHE* had done...her Palace telephone call... & I knew she could hit my head to smithereens & call in MONSTERS OF THE DEEP IF I did say what I had heard...BUT almost immediately the telephone rang and my father was to**

He rushed about filling his kitbag...telling me

I will try & get back after this for some LEAVE...`

Then in Africa the rest of the WAR he was tormented but had some good friends !**

1945 September - **Then the return September 1945 FJR being got out July in secret from East Africa...he now had days of terrible shocks in between rushing to LONDON & about the Nation .** Much of the British Estate had been trashed or taken by **NOBLES ...** a nasty Countess had her brother **DONE IN** later for violent theft ... Records of **VIOLENCE** came from many sources...so **NOBLE BRITAIN** could lay hands on the **LACEWORK** of the **BRITISH ESTATE** running around the **SEASHORES OF GROSS BRITAIN...all beautifully taken care of before this NOBLE SCUM** began making **QUICK PROFIT...MAD MOTHER**
