I have come with WIDOWER Grandpa Frederick Charles & Jean`s sister great-Aunt  
Weddell BAXTER

(

younger daughter of Minerva-Olivea & James Weddell II eldest son of  
James Weddell THE sub-arctic SEA

)

Mr Tate says "Greet`ha...are you alright-why are you standing here alone-where is  
Frederick Charles & Aunt Baxter ? " I now 6 years old give him a clear  
answer `Grandpa has gone to get the Daimler- we have hired it for the day as usual- Aunt  
Baxter is with him- I am to wait here at the entrance to the Marquee...` I - Greta Ransom

have heard what Mr Tate has just said to the two men following him to the marquee entrance - " that they are going to get the Police to Jim Mr PONG because of what they have just heard him say - ` he is going to burn another woman in 2 days`...»  
.I answer this tall man with flat cap & stick *whom I know by sight*  
& I will be repeating his word `pervert` to the next enquirer of why I am standing there alone...  
I begin in my mind rehearsing for the next enquiry which I fear will come...  
for they know their dear Frederick Charles is widowed of Jean ballerina whom they have all seen dance  
*especially her Spanish classical ballet she choreographs herself...*

I go over in my mind... `There is a pervert in the Marquee -

*Jim Mr Pong...* & he tried again to poison me with a glass of lemonade ! I knocked it over & Margaret just married in pink did not understand why I did this...I did not want JIM bringing me another tumbler full !

I will relate in a firm way to who comes next what is needed to be said...`

I watched Mr Tate ...possibly the brother of the other Tate boy who founded The Tate Gallery ? .... as they went down to the gate where a Policeman is stationed & I knew he had to convince Mr Chartris to stand by what they had all heard ... but Mr Chartris is National Gallery & perhaps he fears a D. Lindsay THE EVIL FAIRY he is called that appeared at one of my christenings the 2<sup>nd</sup>

I think to see I was not given the names Frobisher & Weddell again ... The LINDSAY gang all encourage

... Immediately came old Lady `Tachel` "*Greetha Child ! ... why are you standing here alone -* where is Frederick Charles ?  
And JEAN IS DEAD  
- how terrible ... WHAT was Mr Tate saying to you ???  
I GR reply  
"... they have gone to get the Police-there is a PERVERT in the marquee...they say Ettie (*Desborough*)  
is not safe now she has NO SONS...! ”  
(*They do not trust Mr Pong*)

Lady *Tachel*- She has begun to say she has her frock on from India-it has a bustle from the 1890s ...It is a nice luncheon where some of the old SOULS wear their old clothes...this is her yellow frock & she has a pink one too from India, sprigged flowers all over it... SHE HAS REMINDED ME JEAN IS DEAD...

1939 Easter ... & here JEAN should be ... Grandpa hath brought me & Jean's sister Aunt Baxter who looks very sad & grim almost - like  
*the painting of James SEA-her grandfather she never knew for her father James his eldest son born 1825 was 60 when she was born to Minerva-Olivea who was 41 years old then-*  
LENNIE & I are training to know the whole family histories...  
Both daughters  
*trained in ballet but it was Jean who rose to be a ballerina & choreographed the Spanish dances for ballet when she was married first of all but he died of appendicitis in Spain- then she found Frederick Charles determined to have a Monument to The Weddell Sea... as everybody laughs happily when they introduce us....*

... but now JEAN is poisoned & I am not to say but help poor Lennie who is only 18 years old & lost his mother ... **Aunt Baxter married a book binder Argentine-direct line of Dissenter Baxter who survived evil old Judge Jeffreys !** **Aunt Baxter who has two beautiful looking sons- one with golden hair**
