Winter - 1945/1946 - ANDRE MALRAUX begins to help General de Gaulle in French politics - t his was quite unexpected by British Nobles -

IMMEDIATELY - G.B. Nobles Government & Noble thugs & TRICKSTERS had de GAULLE & MALRAUX

Nobles to kill swiftly *in the 2nd World War* all the GROTE HOMES worldwide children educating to 18 plus...especially European Grote children slain in France Italy Austria as the war was being won ...
Reports by persons of conscience of the hurried night time disorganised burials in pits set ablaze with petrol, children not all dead...
later drenched in acids ...
had leaked out 1946 to some Naval & Army persons ... USA soldiers were reporting to State Department 1946 the horrors they encountered Italy ...
But few persons knew, until 1946/8,
it had happened to all the GROTE HOMES children around the globe .
Captain Fred John RANSOM was told of this GENOCIDE in June 1944 Kenya & hidden at Malindi East African coast until he could be safely found a ship back to Britain - he was told that JIM & Nobles of G.B. had given orders he be killed in Philippines 1940- they did not know he FJR spoke JAPANESE

Beginning 1938 - **Banks with RANSOM & GROTE Capital were greedily being emptied in name of ANGELA** (she now allowed to be a faceless DIVINITY *since getting a dustbin on her head May 1937!*
