REASON : He knows the history of RANSOM de Salle & that the 1939 family were FROZEN TO DEATH after JIM threw
them out of the great Ransom house into the ARCTIC WINTER ... this man could learn the truth
& HUNT JIM AS BIG GAME ...

HE MAY HAVE DIED ... after they have **FUN** persecuting the Ransom de Salle divorced ex-wife ... & getting **DOUGH** from him after sucking up to him during the Divorce ...

1968 Xmas Eve - I remember it distressed very, very much young Captain RAY GREENWOOD bringing his daughter 9 years old Susan to this Party for children Xmas Eve ... *(his sons not yet born are musicians 21st century - Radio Head)*

...

... Ray realised that Greta living here since February 1968 did not know what was happening down the School Lane, Harwell !

Another Army man with Ray Greenwood, also bringing a child to the party, was puzzled & upset too. Knowing FRED John RANSOM has an intelligent Army career ... & his bravery 1940 a long Philippines SWIM to halt the Japanese shelling of a Hospital full of children, ill & old civilians, was possible BECAUSE HE SPOKE JAPANESE & his Family owned 2 Islands end of LUSANS/ dowry held since 1512 Noble Lady of Okinawa married that FRED RANSOM -

What is so horrific is that Teresa Gordon R. arrived at The Pillar House that afternoon & insisted upon staying until XMAS DAY early morning... ALL PHONE CALLS trying to reach me were stopped ! I was deceived by she & PJPW ...
