

“ **But the devotion to nature - the commonsense understanding of a world** shared with other forms of life -
the dependency of all nature was born in them -
it had been passed on from father Jacop from his parents they never met -
He brings them, his children,
to Greenland several times a year - they are fiercely Greenland citizens ... Tutors come with them ... they have attendance some Norwegian Schools ...
EDUCATION was prominent in Jacop`s mind from when he was left a young boy in charge of the family & his father`s flock ”

“ It is this independence of thought that will have his daughter Gertrud ELOPE with the young `Millionaire` FRED RANSOM ” ...

(He & his brother JOHN own 19 acres under New York - that `parcil of land` their father bought when Antigua was becoming lawless & he felt the happy domestic homestead with CAIN their second son could no longer be the main home

(his 4 children are - Fred - CAIN - John - & a sister - who married & went to live in California -)

` JACOP in 1770 age 20 years old ... he is given the Island ` for father`s death ` ... Jacop was determined to have church - College - holy work begun -

“

His children were all fiercely
Greenlanders -
hoping for Independence

-

they dressed in Eskimo garb or Western clothes - in Great Britain only Western clothes~
JACOP is half British ...
a family of Carlisle - good stock - a Frenchwoman married into them some way back - but
otherwise all British stock
SEA PEOPLES ”

Nota bene: All these people joining their lives are very well humanist educated - tolerance is a feature - HUMANISM ! They ACT THE GOSPELS OUT. They are all of SEAS people ancestry -

1820s WEST GREENLAND - **there sailed into Jacopsholmen Island below Disco, off a 2 hours sail from Xristensharb,**

` Old Jacop inclined to the aesthetic & Christian holiness & *humanist learning* was only anxious to get a Church & a College up for his father POUL GRONLANDER upon the Island granted for this

...

but he was running out of finance

»

...

“ Jacop very holy, **did not at first approve the Plans the RANSOM boys put forward for workshops on his Island** - but he had NOT his father POUL's skill with moneys & trading

... & had been raising his own family on his father's Capital -

But a furniture shop began 1830 - the oak ballast lay about the shores from previous centuries -

the RANSOM BOYS

had to remind Jacop -

that

CHRIST WAS A CARPENTER ”

“ An enamel works got going as pots & pans were in great demand for cooking - but after a short time F.R. discontinued it - technology not good enough - he returned to metal pans and utensils -

an to think about a BELL ... his scrap metal pile was growing ... he seriously began to think about a GIGANTIC BELL for the Church

Beg

...

& they would have time keeping on the island - the bell would be heard for miles

... He explained to Jacop.

JACOP had his bell made

!

I am not sure if he was still alive - but he saw the designs & heard how the technology would proceed.

It was a tremendous achievement to make such a great Bell up there ... in the snows ”

...

“ FRED RANSOM explained to Jacop his father-in-law that they had to have a community & educated support coming from other nations - or the Danes would walk in & take the island

unpleasant over JACOP owning the Island ”

... even Norway was becoming

... The age wanted profit & had lost the enlightenment of the 18th century ... MUCK & MONEY was the rule ”

...

... 1967 December - Captain Alan Villiers describes the Island & its cultural life- before the British Imperial scum set about having the first bell cast in Greenland cut up in the

1940s-50s

...

I Greta Ransom, great-great grand-daughter Fred Ransom & Gertrud nee Poulsen, saw the early photographs of F.R. beside the BELL - it is much higher than him - & the OX is there - they used OX in the Xmas Plays -
a second theatre was by the shores - a natural theatre using the landscape - this was for winter lights performances - here F.R. heated the open air seats -
I think it must have been with pipes & hot water

...

electricity was used from very early & the first electric shovel to put in pylons for the experimental building for the first two Colleges

...

... Delacroix sailed up from Bordeaux & painted in the church - & inside the door ! The Angel !

That was stolen & chewed over in a magazine mid-20th

century !

The article stated it must have been a door.

Thus Gross Britain & Denmark Imperial brutes **robbed Greenland of a great parts of its 18th-19th**

century histories - because they did not want THE UNIVERSITY GOING UP on the accessible JACOPSHOLMEN island with its mild summers - it would mean recognition of GROTE HOMES RANSOM-GRONLANDER Estates ...

& also interfere with greedy PROFIT -

1830 onwards - **THERE WAS A PLAIN** reason for the Elopement -

young Fred Ransom knew the British would object to he a rich young man marrying a girl with foreign ancestry. To Gertrude it was the romantic FLIGHT that caught her imagination ... she a modern holy aesthete - reading poems, talented in music, a rich young girl with several languages who

put back in nature all she took out`

...

The BRITISH would INTERFERE, of course, with a RICH YOUNG SEA-TRADER - MARRYING an ESKIMO ! **- & they would fast**

get objections at Noble & Diplomatic level

who would be told to stop such a marriage -

even bring some charge & LOCK the YOUNG RICH MAN UP !

& if so then all his WEALTH put in the CLAWS of the BRITISH GOVERNMENT !

- they'd an eye on all rich young sea traders in Gross Britain !

The racism of Gross Britain at the TOP was disgusting ~ nowhere in the globe was it so harsh & GREEDY !

But our dear sweet Gertrud got 4 weddings - 4 frocks - 4 rings ...` & this pleased Old Jacop
her father - *keen on these*
things ...`

He old JACOP (*b 1750 first child POUL & Margaret*) had intended his only daughter make a
HIGHER MARRIAGE ... & not to a
BRITISH MAN

...

Gertrud pleased her father Jacop with her learning from him that he learned from his
parents ...
