

1970s ... suspicions of a monument MALRAUX/Maljoo Lincoln Cathedral not replaced after 2nd World War -

**monument on a Cathedral wall -
2 feet x 1 feet or so**

...

a rectangle of a bronze shade

...

I GR - who saw it September 1937 ***think it is 18th or 19th centuries & it has a picture of the happening at sea*** - It is recalled by

Medical persons that Doc

Mengele

Harrington had been heard saying

HE HAD THROWN IT IN THE DEEP

-

it was known his envy of

ANDRE MALRAUX

was vitriolic -

1937 Summer - September ... **I recall in Lincoln Cathedral**

JO & I being called to come & look at such a monument on a level with Andre's face perhaps - up on the Wall -

IT IS ON THE RIGHT HAND SIDE - beyond the middle of the Nave - but we also had to go to another monument on the left hand side

...

I am telling

JO

how she could marry here & about bridesmaids-pages-& carrying her train

-

I can run it back in my head as a cine film-clearly I had descriptions of another wedding Aunt Margarethe Ransom Grote had PAID for....but Josette & Andre marrying would be a wedding of Grace ...

Ref. MALRAUX his father's line ... Dr John Ray brother to my father & LIR ... his records read on Night WATCH are in my memory upon this monument - but a visit I was helped to make to my father & Ivy Ransom March 1962 has records read on MALRAUX line sailing with us from BORDEAUX ...

... “ **ANDRE MALRAUX -**

his Father's line sailed with us from Bordeaux 1600-1633 -

I was able to check when the records were still in place before they were removed as property the British Crown from the French Archives - MALRAUX they did not sail with us after 1633 as far as we could tell

-

Rear Admiral Ransom & cousin Mainwarring helped me ” -

Frederick John RANSOM b Nov 1911 - killed by *Mengele* Royal Satrap Doc Harrington - in March 1969 ...

It is certainly ANDRE MALRAUX's SEA lines - **as well as his writing** - that had him being made GUARDIAN of Grote Homes Ransom Estate in 3 Parts - AGREED the globe by October/November 1937

-

... & not the spiteful reasons given by the paedophile **Mengele** Doc Harrington in those notorious notebooks he keeps full of disgusting lies

1938 15th May - Mr JIM JONG whose appearance that morning startled Aunt Margareth Grote ... saw the name of Andre MALRAUX on the Will

& had a surprise... He had picked up Margareth`s own un-signed copy of her Will...

... after he slit a vein behind her ear that afternoon - **in 4 days this HOB GOBLIN half Chinese murderer** ... banned from China by his grandfather for murder/embezzlement/threatening behaviour

***as the penniless British & Scandinavian Noble Class
is a supreme LIAR ...***

**1920s onwards - LINDSAY Premier Earls & JIM ... have been destroying
documents/monuments since 1920s Ransom & Gordon Families & all Irish lines -**

1953 *Mengele* Doc Harrington wrote his lists to thugs about what should be destroyed - he has
been appointed by his chum Phil the Greek

...

to see that NO BLAME is put on Angela his mother-in-law
for the slaying of the Grote children 2nd World War

...

**... YET THEY, this Noble CLASS, ALL SYPHON off MONEYS from our JOYOUS VENTURE
& thus keep themselves in luxury
& have logged the historic seashores leaving them leafless,
created SLUMS**

& not been too careful about the burying of the slain children ...

& those HUMAN BEINGS/Humanists/

**in the way of the Noble insane laying hands on moneys, lands of the settlements, small
light industries craftworks, agriculture & horticulture & the Welfare/Schooling/ Arts/ Gym/**

,
the young corpses,
the witness records

...
**should be on BILLBOARDS/POSTERS/ where ever these
criminally insane
appear ...they are scavengers-vagrants - they have paid their debts by slaying the
GROTE children around the entire globe... using the Realm to REMOVE RECORDS ...**

1953 - JIM is APPOINTED to help `Hunting Big Game` with Lindsay Earls & their scum - **some
times its hunting small game**

...
**They all take a holiday - can dash in any British Embassy & EXPENSES are settled along
special ROOMS down The WHITEHALL ...**

In 1950s
**many people were daring to give details of the
GREATEST CRIME ON EARTH /**

*RECORDS tell - many were to be slain for this ... & comments were heard that “ ... this nation
has given them too much privilege ... they have gone mad...
with their narrow irresponsible feckless lifestyle ...
they lay claim to an obscene superior DIVINITY for themselves because of their CLASS ” ...*

Lindsay 15 sounded morose “ ... it was my father & ANGELA made me ... I WANTED TO GO ROUND & ROUND like UNCLE THOMAS ”

He means he wished to circumnavigate the HOMES - **as Tiggy/ Thomas Immanuel GROTE spent his years 1864 to 1904 visiting all his HOMES & the children knew they would see him every 2 years**

it was such exciting work & the families could catch up here & there
