NOTA BENE : **As *Pere* PACELLI**, representing the VATICAN in Germany 1920s, he knew much about the violence dealt the GROTE HOMES RANSOM Estate the world by the G. B. Government & Crown ...

& the murder of Tiggy Grote 1904 ...

1864-1954 - HALF the GROTE HOMES were in Roman Catholic Nations

& had been APPROVED by the VATICAN early 1870 ...

& PACELLI knew as others did, that GERMANY would NOT harm the children AROUND THE WORLD in the Grote Homes !

NB: There were no JEWISH children in the Grote Homes - because the Jewish communities took care of their own orphans.

If there were any half Jewish children then they & we did not know -
it might show in their faces later or not

...

GERMANY is NOT harming the German Grote Homes children or those in their territories or conquered territories abroad

-

BUT the British Government & its NOBLES were doing this in secretive BREAK-INS ...

1931 ... **beginning 1931 when they TESTED THE WATERS organising a SECRET visit to the HOMES UN-AUTHORIZED**

by GROTE BROKERS New York or the Argentine Solicitors for RANSOM Joyous Venture a flower garden around the earth ...

... 1931 ... **it was now the penniless obscene British Scandinavian NOBLES saw the VAST ART WORKS in the HOMES...bought by RANSOM family for the children to grow up with...to exhibit around the HOMES...these REAL HOMES ...**

1934 Harold MacMillan went to GREECE telling LIES that he was a Representative for GROTE BROKERS & come to change the ART WORKS ... his awful nymphomaniac doped up wife was giving him **ANGST** problems YAH Know ...

A Miss Goering writes from 1900s ... In 1935/36 HITLER caught BRITISH NOBLES & Diplomats **fingering** in the HOMES - **EYEING** the ART WORKS & even the toys of Grote Children...

They are caught taking the Orphans Christmas toys, & stealing the ART WORKS in the HOMES, brazenly saying "THEY WERE THE PROPERTY OF ANGELA

Miss Teresa Mary Butler speaks to Arthur Malone then ANDRE

MALRAUX, 17/18th December 1959 -

“... The early Marriage ... was allowed ...

... BECAUSE of the INHERITANCE from The OLD LADY a former Miss MARGARET or Margarethe RANSOM -

... It was she had left Greta Ransom ALL & should the girl die in childhood, then to Len her father`s younger brother - her legal heirs & a legal WILL made this clear ~

The Solicitors & Brokers were anxious she name an heir ... her French son had refused ... but he helped with the running of the HOMES ”

...

NB: he is poisoned in 1933 October

“ ...The entire Estate is left to the Ransom Family

- Margareth Mrs Grote to her only nephew Frederick Charles Ransom -

the son of her brother JOHN RANSOM/*m Millie Frobisher ... Greta`s grandfather ...*

She, *his Aunt Margaret*, had been waiting for his children to grow up ... He married 1909 Jean Weddell ...

because of her INCA family, The Brokers & Mrs Grote had put a lot of philanthropy & investment into PERU ..

a broad system which could be enlarged by fellow humanists

...

IT WAS

NOT

THE PROPERTY OF THE BRITISH CROWN . ”

NB: The violence done by British/Scandinavian Nobles to

PERU showed tragically by 1948 ... Electricity/water/Welfare input was TORN OUT as if by barbarians

..

JIM & LINDSAY were boasting of this 1960 !

It sounds as if they wished to teach PERU a lesson because RANSOM married into the INCA Noble line

!

late December 1959/with Malone Detective she Miss Butler, has looked at some of her collection/ relatives Manchester & telephoned

/

Mrs Grote knew her nephew Len & began to instruct Greetha by telephone...the children were great friends & with the family

& a programme arranged by educationalists

they had begun training in the manner of the GROTE curriculum of Humanism ...

learning to take care of the peoples & the lands ...

She, Miss Butler,

had heard from her Aunts The Misses Bessie &

Annie Williams,

friends of Andre Malraux from 1945 ,

that

young Len was training to head TRANSPORT for Grote Brokers & he could fly planes -

They heard that the overseas solicitors & brokers were very pleased with the children when they were touring the Worldwide Estate before the War ...
