

1937/1938 XMAS-tide - the Guardianship ... became known to her families in Manchester,
Southern Ireland
by letters
from Mary Gordon & her sisters at the seaside
... *Miss Butler`s aunts* ...

1937-1959 - Neither she or her Manchester families, *as far as she knew* , had a letter from
ANDRE

MALRAUX - no
telephone call - there were messages of a sort she heard of - from a department - an
Embassy
(*presumably to the elders in her family*) ...

“ perhaps the blame was being laid on the early marriage - She had to leave it to the men
in the family who had the better education

...

but it had made her quite ill
... she had slipped into depression ...
slipped into the BLUES » ...

“ Her cousin Teresa was 12 years of age in 1919 when she & these TRUE BLUES in 1920 burned the Murphy household down Southern Ireland ...
little Brian a first child,
age 6 years,
was dropped out of a window - nobody else survived -
The Irish Police were horrified & knew it was not the work of niece Teresa Gordon on her own -

THEY these BRITISH had ALL been AT THE RACES - & WERE COINLESS - HAD LOST - & were on the pin ”

1957 October/November - I Miss Greta Ransom lived at 50 Lancaster Gate Square two

winters

1957/58/1959 ...

helping my mother 2 summers at the seaside with the JAYWICK Holiday Shop owned by the kind elderly Pritchard couple

who live in Charles &

Mary Lamb`s house at Enfield

-

ANDRE MALRAUX

had told Teresa,

he would put some money into this small business if the first summer 1958 did well ...

she would then have a place of her own & an income & need only work summers ...

1957/1959 winters - **ANDRE MALRAUX** coming & going from GAUL - but I GR had little **memory of his visits some occasions**

- I had physically attacks

of such a mad kind

& had to keep a bucket filled with

urine/toothpaste water/tea-leaves/

to THROW at the INVADERS

... I caught 3 at least OH GOODY GUM DROPS

...

they would NOT

wear those smart togs

in WHITES

Gents vice CLUB

again

-

ANDRE-Georges might be over from GAUL & as I came in those winter early evenings so bitterly cold,

he would have his door open & smile gently & say `I am so happy you are back, Little One`

... & tell me to

`

Come down to me in 20 minutes`

...

I would climb to the top to my room & make a warming cup of tea, or take a drink of Squash,

& have NO MEMORY

-

Little One

can pick him up !

He took to calling me his 3

rd

son ...

1957 November - **One evening in my room ANDRE MALRAUX poured himself a big glass of Robinsons Lemon Barley squash, drank it half down saying he was thirsty ... THEN ROSE FROM THE FLOOR WHERE WE WERE SITTING WITH OUR BOOKS ...**

& did a sort of

Doctor FRANKENSTEIN

monster-MAN

walk to the door

... slowly very slowly flung it wide ...

& with out a word

did a PERFECT Frankenstein MAN walk

stiff & slow along the passage

...

disappeared down the long flights of stairs

...

I...now called Greta MALRAUX Ransom... heard two days later he was picked up in the drawing room NOT KNOWING HIS NAME ... he then slept for 16 hours ...

Clearly I, Miss Greta Ransom, had some tolerance to this stuff ...

But I was frightened at how very effectively the MEMORY could be removed ... **I now tried
drink only water**

...

& got nice & slim in

**5 days - all young girls do this, of course, go on water diets ... especially with a new
frock ... you can suck hard sweets if giving up your QUICK
1 or 2 weeks
slimming programme ...**

Very clearly slimming on AQUA/water had saved me from appearing a dumb ZHOMBIE very
often ... & as all young girls knew we SAVED MONEY n
ot needing foods or milky drinks ...
