“ ANDRE September 1947 in ROME suddenly lost his nerve ...

`YOUR FATHER DID NOT COME TO THE WEDDING ... he FJR cancelled at the last moment ... FOUND HE COULD NOT COME` That was all Miss Gordon told him when he asked about the absence of Captain Ransom .

Miss Gordon gave this explanation to other guests at the tea party at the Winclemann home after the ceremony in the Catholic church across the road ” ~

“ 1947 September - **ANDRE, his understanding of the situation is**

AS SIMPLE AS THAT ... GRETA`s FATHER DID NOT COME ! HE HAD NOT SEEN THIS MAN AT THE MARITAL COURT !

He had NEVER answered the LETTERS that had been sent to him by ANDRE & PROFESSOR WINCLEMANN -

They were posted to THE HOUSE AT THE END OF THE REC ... or given to Miss Win GORDON

who said she would address them to Captain RANSOM in London

... SHE HAD TO LOOK UP THE ADDRESS ... or get it checked by another family member

”

...

... “ **ANDRE says he had NO REASON to doubt her good faith ...** it is not until her elder cousin MISS TERRY/Teresa BUTLER speaks with him just before XMAS 1959 that he realised what HAD BEEN KEPT FROM HE, & kind old WINCLEMANN ...

... 1960 - **the detectives & friends of Andre Malraux, after speaking with Miss Winifred Gordon said** ` She did not seem to follow the DANGER she had put them all in from JUNE 1945 ` **When he ANDRE first met her SHE HAD A COPY OF THE WILL IN A DRAWER in her home !**
She did not TELL Julie Butler her younger cousin this !

He ANDRE did not often see Julie those years ... other than perhaps three times when she was on a 4 days visit to Clacton ...
she worked in Manchester 1945/1947
living with her family - she was paying OFF the Loan they had taken out from the ATS in order to get their GUEST HOUSE started at Clacton

During the Summer 1946 Miss Win Gordon ex-ATS joined Mrs Winkleman & a lady friend, Colonel Andre MALRAUX & *Greetah*

age 12 years with a school-friend at the BLUE LAGOON ballroom - they shared two tables & all danced to a big Swing band ...

1945/1946 - **Mr Winclemann *born in Germany* stayed home those summer evenings 1945 & 1946 because many local Service Men returned from the WAR were at the Ballroom with their families -**

Miss Win`s sister Teresa Gordon was reported as very violent & rude at the DANCES & drove her Scottish kilted male partner into the dancing couples of the persons come with ANDRE one evening ... she was particularly bitter & vile as she hit Greetha & Andre with her BACKSIDE & hissed with HATE at *Greetha* " GET BACK TO THE HOUSE you dirty bitch you ".
She knew that ANDRE did NOT KNOW of the WILL & the great ESTATE he was FULL GUARDIAN to...

... Her behaviour is several times reported to Mr & Mrs Kingsman who own the Pier & *live above the Blue Lagoon Ballroom...*
The violence increasing from Teresa had them BANN her from the DANCES & The PIER Summer 1946 ...
Mrs Kingsman had been helping the young husband Fred RANSOM with the British Estate accounts since 1945 September ...

...

“ Greta`s father was in London or other places in the country...He was heard to say that his sister IVY JEAN RANSOM ex-British Navy WREN was homeless & had been threatened by the EARLS of LINDSAY *who claimed both of them as COUSINS !* & WERE INSISTING THE ESTATE belonged to them ...
