1961 25th May/ It is **2 days after the SLAYING of the sons of Josette & ANDRE Malraux - She**

CLYTEMNESTRA

old Mother Ransom

made some **INDIRECT** jokey insults semi-questions about

` **THE OLD FOSSIL** ` ...

I GR cannot speak upon ARAGORN KING OF KINGS ...

A man at 50 Lancaster Gate Square whom I feel nowadays went away to GAUL many centuries ago ... I had no

memory of January-April 1960 !

I was again in my mind *fragments of understanding ...* a pauper, tormented by **TREASA GORDON & her NOBLE SCUM...** /

am the beggar girl of King Carpetua ..

.

& MALRAUX in Gaul is surrounded by expensive dames ...

his NIGHT WATCH visits 1960 January had disappeared almost completely ...

... IF I DARED SAY A WORD to CLYTEMNESTRA about him ...

the Man in the Glenn Miller raincoat ... I knew she so big & CRUEL looking would begin frothing at the mouth & bitterly saying her uncouth phrases ... “ YOU LIAR - there is NO SUCH PERSON - WHO WOULD LOOK TWICE AT YOU...

You bloody stupid STUPID bitch

I WANT TO HIT YOU ... YOU HAVE RUINED MY LIFE ...

I I I ME ME ME I could have married A RICH MAN ...”

... *I have for some years occasionally halted her VIOLENT TONGUE & asked her why she does not go & marry a rich man ... the responses were a torrent of HATE the more ...*

1961 SUMMER - I am left with the EVIL of *Mengele* Harrington & helpers, Teresa Gordon
R. *who together go dancing TANGO in*
expensive London discrete restaurants

,
& both give threatening messages to me from dirty JIM CUR JAMES ...

& he JIMMIE,

with a woman called Angela,

have been a nasty nuisance in England & Southern Ireland to MARY & George Gordon & their children from 1919 AD ...

BUT I HAVE NO MEMORY OF 1930s

...
sparse memory of 1940s .

..
FEAR of the 1950s ...

MALRAUX did come here January-February 1960 on 3 visits

... my memory is far away ... MY UNDERSTANDING of JANUARY & FEBRUARY 1960 has departed ...CENTURIES AGO

...

Back then in WINTER there was a feeling that he ANDRE had LET US DOWN ...

& I could recall that the over-worked Detective & casual helpers had received no Payment ...

JIM & *Mengele* HARRINGTON a sadistic spoof Doctor are the buddies of Mad MOTHER KALI ... she now come here 1961 May 25th on a visit 2 days after the SLAYING of the boys Pierre & Vincent & SHE KNOWS WELL the phrase "... done FOR THE CROWN..."

... & that is how these EVIL get DOUGH ! They have a CODE BOOK of how to be EVIL - it has been copied by several persons in secret - IT instructs to KILL ...

1970 - I learn from PJPW talking to Malraux -

" March 1960...YOU WERE OUT OF IT...they had to move Operations elsewhere...Malone stayed on guard...the others came & went...they were to buy the little Cottage by winter

1961...then you MOVED the caravan away to Kent...Malone came with you & Silverlee came down on the train once a week or fortnight to give Malone two or three days off ...
No one could understand you ...”

...

NB : I have had my post stolen since November 1967 3 weeks after making a Civil marriage to PJPW
- Peter JPW agreed with Noble

SCUM to let them take it & he
could go abroad & enjoy EXPENSES ...

I WAS NOT TO BE TOLD - he could have taken his elder children with him as other Scientists do & introduce them to their work ...

But we were all now spoken of as working class paupers ..

The BM Natural History Museum said they felt PJPW was back on DOPE as in his Kenya days

...

The 20th century has been called THE EVIL CENTURY ...

1970 - IF I HAD BEEN QUICK WITTED I should have answered to his remarks on 1960 ...

“ BUT I HAD NO LETTERS, NO DEPUTATION came with my father leading ”

... as Chairman MAO told Dr John Ray & brother LIR 1960s AFTER he had been visited by AN DRE MALRAUX 1965 ...

1965/1966 ... Chairman MAO said “ She had to receive a Deputation her Father leading ... NOT SPEAKING TO HER AT NIGHT OUTSIDE A HUT ...”

Chairman MAO **could recognise that it had been a matter with DOPE to knock the heir out**
...

He said to Lennie Ransom a little later `then I will keep Aunt Mag`s lands & moneys ...until the SCHOOLGIRL

grows up -

THAT IS ALL I COULD GET OUT OF MALRAUX ...

he & EVERYONE in CHINA are waiting for the schoolgirl to grow UP ...

Lennie has met MAO when they were younger years ... G R

21st century - Here in G A U L towards IBERIA ... this 21st century

I have retained some pieces of my craftwork & they remind me of those two years 1960/1961 ...Reading again the BBC Publication RADIO TIMES of those weeks & days I can restore a memory ...

OF COURSE ... IF I Greta Ransom HAD BEEN GIVEN MY Post/Mail ... CORRESPONDENCE MY DOCUMENTS MY WILLS my photographs of all the relatives

... the great history of RANSOM SEA TRADERS... a genealogical chart ...

I could have helped

...
SAVE LIVES
...

At least from XMAS 1959 into 1960 & onwards

ANDRE MALRAUX would have had grandchildren from his two sons, *killed when they are 21 & 18 years ...*

IN A GRAVE with their MOTHER Josette she a

FIRST ROMAN CATHOLIC WIFE of **Georges-ANDRE MALRAUX** - *born FREE citizens of FRANCE ..*

1961 - DAWN SUMMER - **a house of ASSASSINS NORWAY seems to match HOUSES OF ASSASSINS in GROSS BRITAIN ...**

1961 May 23rd - I have no idea of the boys deaths ... it seemed that Harry had had a car

accident but he was alright - he might call ...

I had no other understanding of it ... On the 25th May **she TGR has come to break my wireless & has cancelled a National newspaper that comes twice a week to me**

...

no warning of her visit !

1961 May 25th - *SHEshe* CAME WITH A POISONED CAKE ...

SHE is a much younger COUSIN to the DAWN SPEAKER Dr John BUTLER who is to ARRIVE some days or weeks later !

Colne Engayne meadow - **SHE REARS UP IN THE CARAVAN** waving her powerful arms
objecting to it all ... *This my own HOME I have bought from my*
wages hard earned from long hours helping her 2 summers at Jaywick The Holiday Shop
... It is new & all so neat with its yellow grey

upholstery & its pine panels & fitted furniture...

She has a KEY -

she has had the lock taken off November 1959

with Mr Mengele Harrington paedophile

- he & THUGS, & she,
may enter when I am out
& DOPE ALL my beverages
, rub DOPES into my pillows my bedding ... SEARCH every inch ~ SPY & STEAL !

25th May 1961 - She Mad Mother Kali seemed very weird & urging me to cut a big piece
off & eat it but I said I would have it that evening ... She kept on saying `yo
u are too thin`
I was my usual
9 stone 9 lbs
which could SURGE UP to
10 stones
if I did not have WATER DAYS every two weeks !

After she left I looked at the cake ... *got frightened a bit ... I did not like the look of it ... &*
anyway like all girls I SLIM all summer because of the cotton frocks with small waists &
gathered or flair skirts we wear ...

I threw the flat cake in the hedge that evening before the daylight went ... I threw two pieces
when she had gone down the lane - she had cut them & had PUSHED THEM AT ME ...
She would not EAT THE CAKE HERSELF ...

I could NOT recall SHE Teresa Gordon R. HAD POISONED HER OWN MOTHER, Mary
Helena Gordon ... Miss Winifred Gordon had
NEVER WARNED the rest of the FAMILY what was known to the Marital Court September
1946 ...*I could NOT*
REMEMBER that all this NOBLE MOB are poison users to get DOUGH ... IT IS IN THEIR
CODE BOOK ...but I
could remember that dirty JIM Cur JAMES of WHITES poisoned a pear in my room ...
then he poisoned a DISH of ORANGES XMAS 1958 ... I was wary & had been warned by

the young CATHOLIC WORKERS who also lived in this hostel & HOME of ANDRE MALRAUX ...
