The USA General had spoken with one of the young Staff -

He wrote a letter to Andre in the Drawing Room .

**He put it with the gun in a very well sealed big brown envelope -
this package he**

ADDRESSED clearly to ANDRE MALRAUX -

placing it on his desk in his Room that evening 8 pm or so -

This letter enclosed may have given an account of what I had told the American General of LIFE in the London Malraux household -

It is supposed to be A HOLY HOUSE - the property of VATICAN & FRANCE under Diplomatic LAW !

I was to be given the GUN when ANDRE

MALRAUX was away in GAUL !

NB: THIS British Scandinavian NOBLE THEFT of ANDRE MALRAUX`s correspondence HAD OVER A MILLION CHILDREN & adults slain - to PAY THE IMPERIAL DEBTS & support a worthless NOBLE CLASS of OBSCENE VAGRANTS & SCAVENGERS & MANIACS from 1938 into the 21st century !
