World of SCIENCE say
EAST GERMANY is loaded with EVIDENCE !

1966 - A great scientist speaks on the slaying of the Grote Homes children during the 2nd World War -

He is visiting Scarlet Town & well aware of danger - his Embassy protect him -

`... it is difficult for a little nation like mine to understand

why a nation with so much had to kill all these children -

I was grateful for my HOME - You had at the helm of your Nation in the last War an ugly woman

`Germany always approved Thomas Grote's Homes & had several from 1864 to 1945 -`
generally we don

t fight - that

‘Below the photo is of Georges-ANDRE talking in New York with the composer Edgard
VARESE in March 1937 - & G.R. that year at a birthday tea

the family of Charles Magowan 1937 March/

or it might be November 1936 ?

But it is ME -

some months before ANDRE MALRAUX & JOSETTE arrive

for the Summer holiday 1937-

1936 March-April - LEN & I are out & about seeing NEW YORK-

A daughter of GREAT POUL GRONLANDER has a line in New York & USA - **cousins 2nd**
degree to Gertrud his grand-daughter - she is the mother of JOHN RANSOM my
great-grandpa & of Margarethe Ransom Mrs Thomas Immanuel Grote-
TIG the GROTE HOMES-

1936 April - Len & I had the Composer VARESE & his very nice wife with others who are friends of Aunt Margarethe to luncheon - **Som**
e perhaps are very old & they knew TIG our dear Thomas.
We are staying in the Bridal House of Margareth on Long Island- it is all white inside & beautiful full of light & a terrace garden has views of the sea -

We are learning our manners - after living rough South America travelling simply by sometimes our own airplanes-ships-trains-cars to the Grote Homes & meeting the children -

1935-1936 - **It is Aunt Mag's wishes say`th her in-laws Grote Brokers Wall Street, that we the heirs & the elders go on a Tour of the HOMES as the children do expect to see those of the family of TIGGY who gave them their HOMES -**

I think I am to go shopping with some ladies & Mrs Varese will buy a pretty frock on 5th Avenue for me - **t**
hey say American childrens` clothes are so sweet- & they have heard that Len & Jean & I have been attacked in Mexico
-
so best buy a pretty frock or two & such an attack will not happen again
...

**... I say I am brave like Fred of The Mary Rose & our Island in the Snow- They know this is the Father of Margareth -
& they are pleased I know all about FRED RANSOM with his yellow hair his sea-blue green eyes from his mother they say - & his grandmother who had a little Dutch blood -
& have just seen the Island & the great house & the Theatre ...**

An old American gentleman at our Bridal House Luncheon knew Aunt Margarethe's father

FREDERICK RANSOM OF THE MARY ROSE

& speaks to Len & Greetha

of

" ... your family ship - & his wife her mother

GERTRUID-

grand

child of Poul ...

Ah Poul a genius - we have acted his Hamlet -

we should act it again

"

**I am reminded POUL is 6 feet 5 inches tall ... & is my grandpa 4 times back with deep blue eyes & black-brown hair & Chinese & Greenland Eskimo & a little French too -
I must marry someone like him -
He is my hero as well as Fred Grandpa twice-back !**

Poul married Margaret of Carlisle - Even if we waken the dead in their ice tombs I do not

think I can marry POUL -
he is a family member & died in 1765

this would not be allowed as

-
& ANYWAY MARGARET MIGHT WANT TO WAKE UP & HAVE LIFE OVER AGAIN
-

There is excitement that the frozen mammoths may be able to be made come alive again - it's a matter of

‘
ethics
,

I think -

I may ask Len to explain ...’

Margarethe’s father & mother are my grandparents two times back- ALL THE RANSOMS
& WEDDELLS & FRIENDS SAY I HATH HIS ENQUIRING DRIVE -
& Lennie & I will have the Island OPEN
& the Theatre School workshops going on

...
for HUMANITAS

Monaco hath said ‘a Republic’ & New York they speak the same -

1936 March - **We, Len & me recovered after the attacks -**

had an escape & a WILD DRIVE by Len driving the first part over the Mexican deserts ... then we fell at the feet of Mrs *Albaquerke* in the little town of Monterrey & she & her husband & community took over arrangements to get us safely into the USA .

1988 - **I got an apology in MEXICO from some Policemen - they said they should have been able to get the crooks -** sent by the British Lord Lindsay & his GANGS ...

1936 April - **Here we think we are safe in Aunt Mag's Bridal Home on the Island New York**
- **But we are not - Mr Paul Whiteman &**
American Senators are going to help & get our Bank moneys OFF
a wicked British Embassy
& the thieving Head of it !

I HAD MY 3rd Birthday Mexico during the ATTACK - JEAN was 6 weeks in hospital but they wanted her dancing again before she left - so she danced for everyone - (refs. 1988 USA State Department) -

Dear old young - old VARESE - JEAN can dance his music - *buildings & what you think*

about- invisible in the air -

I can see him as a cine film in my memory- he is leaning eagerly over the table talking or listening- popping questions excitedly- but such kindly manners- FJR my father has said
`he sometimes slings a hammock with us about the South American Homes-the children can play what he is working out in his head

...

...I think he is a Catholic too. It is after we *hath* eaten nice things & *hath* been speaking upon music & arts-

Len & I are really quite civilized -

& I am then to take a child rest of an hour -

then rise for the tea drinking ...

PEACE is come to us here

...

but NO !

The Agency housekeeper-maid & her husband the chauffer are GOT AT by Premier LORDS OF LINDSAY those stuffed animals in a BRITISH MUSEUM

... & a half-breed IMP may not be far away ...

he was last seen by us rushing to HIDE in the BRITISH EMBASSY in Bogota, Colombia - POLICE out looking for him

manning the street corners in 3s & 4s

...

THEY APPRECIATE their GROTE HOME for the children ...

1936 April - when we are hidden by PAUL WHITEMAN who wakes his band up in the hay at noon each day - he says `Wake up Savages` - **but he knew we had learned our manners & could host A Luncheon at the white Bridal home of Margaret Grote**

...

All the Ransom families play lots of instruments each-

Len has a Strad that Aunt Margarethe thinks the family bought from him the maker - & Grandpa Ransom who is Len

s father has a famous clarinet given him & an inscription on it -

Aunt Mag has several pianos round the world so she can keep up- & they are there for everybody to use

-

I have been bought girls clothes by all of her friends on 5

th

Avenue by the next week -

Oh some

delicate frocks with frills & puffs of sleeves & such lovely colours so delicate pale too - like dawn & dusk-

snow & sleet & water

...

1936 March-April - Lennie Immanuel Ransom & me *Greetah* Ransom

while JEAN is in the New York Hospital recovering from the dreadful attacks **are to entertain**

Margareth Ransom Grote

girl-of-the-Snows

her old friends several times-

& also accept invitations-

we have a chauffeured car here from an Agency,

or a Family car is sent to fetch us -

with a friend or servants to help us dress if we need

-

“ We are to learn our manners` - Len repeats - as he tells me if I say a wrong thing he will tug on my bib - he means the collars on my frocks -

I have heard said

we hath

been living rough South America with our Inca/Aztec kin & kith-
doing good work as Tiggy did

- & we are congratulated for going all the way to San Julian

,

s bay to visit San Julian

,

s mother

,

s line- pure

Tierra del Fugian

& a little sliver of Gaelic-Norwegian-Spanish blood-

... This is `dear Cousin Clarke Gable`s line too- & the MacMurrays` say he is acting very well- all the friends of Aunt Margareth have the news - Uncle MacMurray is a Ransom line & she sees him often when she is in New York ... & she has been to Hollywood when he is PIED PIPER & invites ALL the children in all the related families to a big Mansion he hires ...”
