

2nd part - assembled 2011 AD ... Greta RANSOM for her father FREDERICK JOHN
RANSOM ... his 100th year ...from his
work ...

20th century - destruction of many RANSOM properties lands and

RECORDS - & we are granted a continuous

GENOCIDE

... by the IMPERIAL criminally insane ...

Our RANSOM BC history & the centuries 1st century AD to 19th century was on the early
computer work of

Dr John RAY Ransom
USA State Department
Washington,
& at NASA
1950s ...

**He is horribly killed by five
Aristocrat
criminally insane
thieves
of the Grote-Ransom ESTATE -**

2 Witnesses had to get overseas fast ...

... Dr Ray wished to step in at the door of the Scotland Montrose Farm bought by his Ancestor in 1500 & was admitted - unfortunately THIEVES had informed of his coming - **this is the dwelling bought 1500 AD by F. Ransom Widower & to be the BRITAIN home to his 2**
nd

wife **The Lady of Japan .**

It was early summer 1969

&

Dr JOHN RAY

Ransom

is in employment to the

STATE DEPARTMENT USA Washington -

he is due back to Washington USA to take up SENATE WORK 1969/1970

=

... **It was known he** Dr JOHN RAY Ransom **USA Citizen was to call ... The Farm was**
classed as **BRITISH CROWN**
PROPERTY **& there**
was an aristocratic TENANT
who rented it from THE CROWN ESTATE

-

Dr RAY had no intention of confronting the CROWN - he had no idea of the horrendous evil of the tenant & that he wore pellets of DIVINORUM SALVIA SCOTLAND up his snout as did the aristocrat dope-growers of Scotland ...

He was aware our property was stolen in 1939 September-October after a horrendous killing of the old RANSOM childless couple
- he is descended from JOHN RANSOM the younger brother of FRED RANSOM the sons of the FRED RANSOM who

`to-day

I purchased a

PARCIL

of 19 ACRES

New York` ...

DIARY 1801 ...

The purchase is made using the name of the DUTCH Uncle of his wife - it was swiftly written as the property of RANSOM & sons ... This is the grandfather of Margareth RANSOM who will marry TIGGY GROTE 1863 ...

Nota bene : For RANSOM descendants who are in the LAW PROFESSION : **The farm is stolen autumn 1939 for THE CROWN ESTATE by violent sadistic murder and THEFT by JIMMIE JONG now calling himself a MAJOR**

this-and-that ...

HE

JIMMIE

RUNS A 2-MAN UNIT at the back of Buckingham Palace called

`INTELLIGENCE`

...

& he has his 1921 2-room apartment which he can easily enter from the back yard of the Palace ...

1969 - THE BRITISH CROWN ESTATE has yet another piece of STOLEN PROPERTY ... **THE CROWN ESTATE is**

not

entitled to

`BROKER A PENNY`

of the great worldwide GROTE HOMES & RANSOM ESTATE in 3 PARTS ... Copies of the legal Will and printed copies were in every GROTE HOME and with every large INVESTMENT we made 1830s onwards in transport, industry, scientific research, the ARTS including MUSIC funding ...

this called

“ Aunt Margaret UMBRELLAS ”

... there were also many Courtesy Copies sent ... Thus all nations received a signed copy

or printed copy

of the LEGAL WILL of

Margareth Ransom GROTE

before the outbreak of

the 2

nd

World War

in September 1939 ...

“ 1938 SUMMER - My father b. 1911 Fred John RANSOM obeyed the LAW of Gross Britain = **He went to The WHITEHALL in person and wrote them a LETTER, and his solicitors overseas and in Gross Britain for the ESTATE also wrote to The Government of Gross Britain, to the correct OFFICE for these matters ... THE LAW of Gross Britain requires they be ADVISED of overseas inheritances by persons of British and foreign parents or grandparents**

` authorized COPY of the WILL to be placed WHERE its Government SOLICITORS can view copy the WILL -

this was all that was required by BRITISH LAW

...

THE BRITISH CROWN OFFICE/BRITISH CROWN ESTATE of Gross Britain is quite aware of the LEGALITY of the WILL and that the two heirs have many Guardians overseas

=

& that ANDRE MALRAUX HAS BEEN APPOINTED GUARDIAN of Greta Ransom & LIR until they are 25 years of age ...

and GUARDIAN of the ENTIRE ESTATE including the GROTE HOMES -

... “ ANGELA (= **the former Miss/Lady Elizabeth Angela M. Bowes Lyon of GLAMIS CASTLE Western Hebrides**) *become a QUEEN since 1937 May,* is left 8 presents for her family, presents left to she her daughters & David ” & NO PART OF THE ESTATE

(I and others have a handwritten list of Aunt Margareth of these presents and orders - and of course, it is all lodged with the worldwide SOLICITORS) ... It is well known that ANGELA, her family, her in-laws, have no respect for GROTE HOMES and that they all wish to end education for the children of the world at age 12 or 14 years ... this is the opinion of her eldest daughter 1939 she age 13, Elizabeth Windsor = RECORDS

...

ALL of these ILL EDUCATED vulgar coarse 1920s ROARERS believe this GROTE education worldwide for children is IN THE WAY OF THE BRITISH EMPIRE & it making itself RICH OVERSEAS ...

Nota bene : **ANGELA and her Norwegian-Danish in-laws and the Premier EARLS of LINDSAY are well aware of their FRAUD = their well-planned CRIME they set about with SLAYING all the GROTE HOMES CHILDREN about the world = during the 2nd World War**

:
MEMO :

T
here was no lack of evidence of this CRIME -
it shocked those who witnessed it
or came to see the evidence
within days = they were threatened with maiming and death when it was known they dared object ... ”

1939 spring - a birthday party in Buckingham Palace gardens for the Princess Elizabeth 13 years old

-

she approaches Greta RANSOM age 6 years and jeers

“ ... you need not think you are having it all you Ape ... I - I shall have them LEAVE at 14 years of age -

THEY

DO

NOT

KNOW

WHO

THEY ARE ...

”

...

She is referring to the children of the world in the GROTE HOMES educating until 18 or 22 years of age ... These children belong to Independent Nations outside

HER

greedy Great Britain and its IMPERIAL EMPIRE ...

She cares a lot about her clothes and jewellery

...

I Greetha RANSOM age 6 years old, have been asked at this Party by the BBC to speak upon the meaning of the GROTE HOMES for 2 or 3

minutes ...

I spoke for 12 to 15

minutes as the Interviewer asked me to continue

...

He felt my clear account of the meaning of the GROTE HOMES for CHILDREN WORLDWIDE

was so good that he said the BBC would preserve my speech after they had played it on the wireless.

This is WHY she became spiteful ... but it is the terrible THREAT she has made to the education of the children of the world and their EDUCATION that had her observed ...

A half moon of intelligent mature respectable people about me heard the spiteful & greedy remarks from a sharp faced girl big
... **She was apparently Princess Elizabeth - and they said she was like her mother Angela and that she was a lout ...**

NB : ` Young Pacelli` will not want to take her out to tea in ROME ... **unless she appreciates our Grote Homes and what they do for helping PEACE reign in the world**

...
His little letter he writes to me, the niece of Margaretha, says we will go out for tea next time I come to ROME ...
and he knows where there is a jolly hurdy-gurdy
...
(*and he likes to put on a monks worn old robe and sit sketching and not be recognised ...`*)

MEMO : **if she calls me APE again I will lose my PERU Jurisdiction Degree inner calm ... and call her**

`sub-sub-sub APE`
... **My father young Fred RANSOM is my pedagogue ... it sounds as if`**
`Mr Pong` JIMMIE JONG is her teacher

...
he was not far away - little bouncing PIMP VERMIN
She is NOT a princess until she behaves like one -
she needs go to a GROTE HOMES SCHOOL

...

or a Borstal ... **What a terrible tiny mind she has about the present times and the immediate future & little understanding of the PAST - all of which is necessary if you wish to be a HUMAN BEING** ... there but
for the Grace of God go I ...

Aunt Margareth *our girl of the SNOWS* has left her, Elizabeth Windsor, a present of a piano that Franz LISZT played upon ... Fred

RANSOM of

acopsholmen Island just within the Arctic Circle

bought it for his daughter Miss Margareth RANSOM,

she to become Mrs Tiggy GROTE

in 1863 ...

the piano was in the great RANSOM house

West GREENLAND

for some years ...

MEMO : By 1946 ***the end of the 2nd World War*** - **BRITISH & Scandinavian ARISTOCRATS & its CROWNS** began spending money

they did not own

slaying

the GROTE HOMES CHILDREN and selling off the RANSOM SEASHORE LANDS ...

emptying Bank Accounts and paying their Bills from them around the world

Memo : ... During the 1960s - Dr John RAY Ransom , President Kennedy & Andre Malraux ... commence taking off Aristocrat THIEVES where they can, the properties, moneys, investments stolen by them 1940s-1950s from the RANSOM ESTATE - help given to Frederick John RANSOM who has managed the great ESTATE for his only daughter named heir in the legal WILL 1937/1938 of his Aunt Margaret nee Ransom Mrs THOMAS Immanuel GROTE ... They begin setting the stolen Estate pieces back in the global encircling Philanthropy Estate - ***with quiet legal help from other nations***

**This personal letter from Dr JOHN RAY *Ransom* informs PJPW that he comes with `PORT FOLIO`**

BECAUSE THE BRITISH ADMIRALTY HAD AGREED WITH THE AMERICAN GOVERNMENT to OPEN THE FILES on the SLAYING of the GROTE HOMES CHILDREN around the world during the 2

**They would allow information on the positioning of many BRITISH NAVAL SHIPS to be examined ...**

headed by ANDRE MALRAUX for General de GAULLE ...  
)

“ ... We then went very wrong in pursuing this ... and calling Greta a schoolgirl ... letting her live on her own ( ... *in the Caravan `Mistral` in the meadow Colne Engaine, Gallows Corner , cum Camulodunum Colonia Victricensis ... )* at  
ter March 1960 -  
having us think she wanted to play with her Dolls House

...  
ANDRE not keeping up his visits was the biggest mistake

-  
**If he had kept appearing to her then he or us had to tumble  
WHY SHE HAD NO MEMORY**

...  
every two or three hours very often

...  
& seemed to all the time be in a deep trance as she walked about,  
or went into Colchester to see Mr Poulter at Hollytrees Museum,  
or to the Library Reading Room ... or bought her meagre rations ... She went on with her craft work in the Caravan & we saw some of it drying outside in the daytime ... she managed to sell a little to her Aunts at the seaside and Mr Poulter got her some orders for lamps ...`

` ... We were told not to worry him, Mr Poulter anymore *or anyone at the Colchester Museums* ` as he worked in the Museums like a black slave - for old Leopold in the Belgian CONGO

you might say !

**He was hitting 80 years of age 1960 ... he had vast experience of world history ... had lived out EAST and travelled round about the globe for 20 years - geology mostly. Graham Greene novelist often around Colchester had said he was keen Mr Poulter was not worried with this matter of MALRAUX-RANSOM ... but then he and his friend DONOVAN the bookseller had some scares when Miss Greta Ransom turned up for work 1952 at the CASTLE MUSEUM Colchester ...**

But old Mr Poulter could not fail to have heard about this ESTATE - especially the HOMES for the children by the 1890s

**... and we would have been told where we could GET HELP ... I am sure of that now ...`**

**`... That was all a mistake not to tell him - he could have solved the whole grizzly matter for ANDRE in 1953**

**young Greta**

together

**where DANGER LAY**

-

**When she came to work at the Museum in 1952 he had asked her about her name**

-

said it was a famous name & the SUFFOLK branch RANSOM stretched into ROMAN BRITAIN

...

BUT WE HEAR THAT GRETA TOLD HIM SHE HAD NO KNOWLEDGE ...

**& she had been told that her father was an ORPHAN**

**-!!!**

that her mother did not live with her father but said he came from LONDON & had no family ...`

**Mr POULTER often referred to Greta in the Museum as `our British Maid of ROMAN**

**CAMULODUNUM**

*darned certain she had to come from this RANSOM family along the East Anglia seashores "*

**he always said that Miss Ransom had to come OUT of THAT LOT**

...

And that Graham Greene & Donovan the Bookseller of Colchester & London The Strand

knew a lot more when the girl came to work at the Castle Museum -

he had caught them whispering from time to time ...

”
