from LINDSAY Premier Earls 1890 & 1897 :

“ ... Our father FCFR, 14 years of age, had his dead mother put in his arms at the door of `Jerusalem` ... that is why that tiny house by

-

The Estate given to her niece

*Greetah*

RANSOM at birth by MARGARET RANSOM & her families and Trustees - so they could train  
the young family to carry on this very civilized great Philanthropy -

... `Miss Margaret Ransom married a man who set up worldwide Orphanages to educate  
in other languages - HUMANISM ... with approval from the educated and the Rulers of  
these nations OUTSIDE Great Britain ... who always wanted to get their hands on the  
foreign lands and the investments in transport

... the British `true blues` were determined to get hold of all the money - they always  
called it A FORTUNE ... old Eskimos were not to be allowed to own anything = Miss  
Margaret had a great-grandfather who was half an Eskimo ... he was 6 feet 5 inches tall  
and could exchange letters with one of our Popes ... my men folk at Manchester and in  
Ireland know much more ...

... I began a novel twice ... its all over there with my collections from newspapers about  
this ... But I could not get in touch with ANDRE ... he knew my Aunts Bessie & Annie  
after this last War ... they said what a nice man he was and that he was the GUARDIAN to  
my niece

*Greetah ... I HAVE BEEN*  
THREATENED by my cousin TERESA ... over there you will find the newspapers with her  
friends in ... She was given a Prison sentence 1927 & when she came out they kept away

... But the moment she  
married young Fred Ransom all her old friends took her up again ... on account of this  
inheritance ... can you follow what I mean ... ”

( Arthur Malone says his hair stood on end ... **he let her finish and swiftly got message to ANDRE by a secret route ... got him over in hours to speak with her ... Andre then had to return in the dawn to FRANCE to his job in the Government ...**  
Christmas came !

**He Malone decided to go up on this Island, ARRAN, on the 27<sup>th</sup> December after spending two days with his mother and her families ... and see what he could learn ... he got help but then it became dangerous - he got out ...**

17 December 1959 **Miss Terry Butler continued ` I went up to the Island ARRAN after my niece 5 months old had been rescued from them -**

they had put her under the floorboards of a house locked up for the winter ...

**they intended finding the little body and crying that her Aunt a former Miss Ransom was a WITCH**

**= then they would lock her up !**

**A woman called ANGELA with my cousin Teresa and their `true blue` men had plotted this ... The Police told me everything ... I met some kind people up there ... they said that her husband had been murdered in 1904 ...**

COMMENT

:

the victim Greta Frobisher Weddell Maureen RANSOM would like to do this back to all of them ... they are to kill with

FUN violence

all the GROTE CHILDREN in their HOMES 1938-1954 ... )

... She, the often `invisible` Aunt TERRY Butler, describes the STATE of the country  
mansion Buckinghamshire `CLIFTON  
ON HIGH SEAS`  
= CLIVEDEN a DEN of the Waldorf-ASTOR family

...  
Miss Teresa Mary Butler tells ANDRE MALRAUX 17 December 1959 the history of this  
crime as she has learned it over the years  
She tells how she wrote him several times signing herself  
T. BUTLER, not saying too much ...  
she never got a REPLY !  
MALRAUX says he never received her correspondence.

` Concerning 1947 April : She and her branch Manchester and Southern Ireland were kept  
away from the CATHOLIC WEDDING = They would have spoken  
of is GUARDIANSHIP to this ESTATE - the men in her families Southern Ireland and  
MANCHESTER went visiting in the VATICAN - a cousin resided there - a Dominican  
Father `Stephen Foster` ... everyone was alarmed then nervous of what happened after  
1948 ... when MALRAUX went to the REGISTRY with his sister-in-law ...`

1959 December 17 `... a ROYAL YACHT & Scandinavian relatives - with some of the worst  
of `true blues` and Scotland sailed in on vulnerable nations  
& helped themselves to the Ransom Estate banks  
... She and her families were all Roman Catholics who had to go to their JOBS ...  
She said `  
ENTER my dear ANDRE  
- I have been  
wishing  
to speak with you for nearly 20 years about my niece

**Greetah**

**& her**

INHERITANCE

from her Aunt a former Miss Margaret RANSOM.

My Aunts Misses Bessie and Annie, met her - they were all champions of WELFARE SERVICES to the globe.

I never got a reply from you but I knew you had to know my family name BUTLER if you were getting my correspondence -

I realised all was not well !

I used to visit my cousin TERESA in Holloway Prison 1927-1931 ... I and her sister KITTY Vansittart,

*slain by them at CLIVEDEN 1929,*

knew she had many friends who were insane

*but high placed ...`*

~~~~~

1960 January/NIGHTWATCH - Dr John RAY Ransom = **& 1973 an unknown speaker ... “ ...**
Because of the Estate inheritance it was necessary for you to understand you must value all your forebears -

especially as they have a habit of turning up on all lines

-

a very nice habit

...

... Do you remember Aunt Mecklenburg ? ... **Her telling us how she had taken the Baron Mecklenburg to Court and WON - but as he had NO MONEY she could not get repayment for the 3 fields of BARLEY he stole from her ...**

cr

weeping in when she was away ...

She is a relative to TIGGY, the GROTE side, and you do not have a blood line there

-
they are connected by marriages ...
”

“ ... *Because she is a friend of your RANSOM Uncle Fred McMurray & family ... and he has invited her to Hollywood when he makes a film ...*
I intended
to ask she or him if there is a blood link there ?

...
I only know his RANSOM line
... *I forgot to ask them ... ”*

“ ... We are all chance ... **but your LINDSAY blood line** from only one grandmother 3 times
back **has you in danger from their**
primitive greedy **violent behav**
iour ...

I & others find them to be
dangerous maniacs :
they have shown this 1938 with their rude interruption to a pleasant RANSOM tea party
by the seaside
(Frinton-on-Sea)
they ignored strangers taking tea alongside us

-
they apparently need fear no criticism from the LAW of Great Britain ... ”

“ ... Disturbing & dangerous - **a TRIBE they have a relationship with has now acquired a**
CROWN **- both TRIBES claim the property of GROTE and**
RANSOM - **OUTSIDE the LAW of Great Britain - but**

also outside the LAW of all other nations of the world - several of these smaller Nations in South America and Asia have received

very rude and vulgar oral messages in the name of British Government & Crown

...

... your tea-party guests of 1938, were disgusted and frightened to learn first hand of these two SCOTTISH TRIBES having a FUN WAR with PERU - removing by the authority of the British Government - that is by FRAUD & theft

IN

SECRECY

vast amounts of MONEY from Banks in South America

....

& destroying investments Aunt Margareth & your father and our families have made in electricity, schooling and medicine

in Peru

... These

Tribes of Scotland are insane from their habit of using the narcotic they grow on their private lands -

DIVINORUM SALVIA SCOTLAND

-

They are dangerous maniacs ...

they are out of control & demonstrated this to your family and guests that afternoon 1938 ... ”

RECORDS : it is possible the speaker 1973 was present at this Frinton-on-Sea Tea House afternoon - *when we were all pelted with smelly cockle shells by JIM JONG,*

“ ... But they have in 1937 acquired massive KUDOS ... **We did not think this possible ...**
Sadly - the way ahead for your old and young families puts a
RIVER of BLOOD
around the earth

-
it floats children of GROTE HOMES ... real HOMES built upon the RANSOM ancestral
LANDS ... ”

` ... the years ahead has two TRIBES display KUDOS from violent robbery ... & the RIVER
of BLOOD will break its banks and flood civilized family dwellings = a GENOCIDE *quite*
equal to that of madman Hitler

will be hidden by

KUDOS granted these primitive fraudsters

... They already use their booty in boastful vulgar luxury -

there has been enormous squandering & waste of our careful maintained philanthropic Estate

two TRIBES and acquaintances
dirty the lands of other nations
