

ROBBING BANKS 20th century : **Scotland Yard off duty, and in their role as good citizens, put their minds at this matter of LEN with no money of his own !**

It was not at all ESTATE money !

They unravelled the FRAUD & THEFT :

IT WAS NECESSARY TO HAVE A BANK ACCOUNT IN NORWAY to begin with !

LEN I. RANSOM - with friends after hours : “ ... HIM - Philip Mountbatten ... comes out of the mists of Norway and begins playing Fairy Prince out of Story Books ...

then the grim parts of fairy tales get going ...

getting money somewhere

...

then we know where its coming from !

... goes dancing off around the world while she counts the money ... all gets a bit sinister again ... he had one chance to stay sane in that lot ...

STAY AT SEA

... Back we get him old JIMMIE JONG

- and he begins to LORD IT in that Club -

everyone hoped he`d get shot in Kenya ... begins threatening Fred and Ivy again ...

spying on your brother John the American ...

your brother was ill advised to go in that Club

-

they had always known whom he was

... kept a watch on such a clever young man in USA ...

then ANDRE losing his boys -

he aged after that ...

”

...

1940s-1990s ... GENERAL KNOWLEDGE : ... ` **It was known since the murder May 1938 of Mrs Margaret** **nee Ransom GR**

OTE, Ayrshire,

that Lord Louis Mountbatten and his nephew withdrew big amounts of moneys for their own use - they had an establishment to do this for them

...

and these withdrawals were without any lawful authority whatsoever

- FRED

(Ransom)

managed the Estate for the young heirs his daughter and Lennie ...

but they & connexions were all threatened by LINDSAYBUGGARHS

... trouble was the mob at the top

threw mud at Mrs Ransom the former Teresa Gordon ...

Hah !

but she from 1

st

World War a close friend of ANGELA was useful to them all

... they could threaten her and the RANSOM families ... `

` **... and in the 1940s that included** the good HERO our ALFIE CHARLES REAR ADMIRAL 2 world Wars ! **Threats reached his families too ! Threaten**

n Teresa but that did not seem to worry her ... but all of them could threaten and humiliate her husband worldwide !

... AND

all of them going on threatening with

` **... with God knows what ...**

`

???? ... certainly over the Prison sentence Teresa half served ...

when the lot of them should have been put inside !

`

`IT HAD BEEN A MATTER OF BIG BOOTS ALLOWED TO TRAMP AROUND THE GLOBE ...
**should have been exposed at the end of War ... that
GENOCIDE**

**of all those children ... but then everyone thought that de GAULLE would not let ANDRE
rightful GUARDIAN have anything to do with the matter ... Fred and you left with it ...
over a third of the ESTATE stolen overnight by the lot of them ... complaints everywhere
... nothing can be done when it has gone SO HIGH ...**

**NOW WE ALL KNOW THIS IS THEFT and the money ends up in NORWAY but suddenly
there is no trace of your accounts because they silently claim the Estate belongs to them
- NO MENTION of the DEAD CHILDREN - that is dangerous !**

... You were born into it Len

...

What do you think of a SEAT IN HELL having been recently FILLED

~

**You need say nothing ... we know more or less who did
not
do it ...`**

(reference:

explosion given a monster 1979 - SUNDAY MORNING ...)

` **Margaret Grote - her Estate is the legal Estate of the RANSOM families and her WILL
names her niece & nephew Greta & Len in training as figureheads and guided by her vast
Ransom family** *& help of the GROTE FAMILY where the*
HOMES were concerned **and many civilized
persons around the world who are NOT of BRITISH NATIONALITY !**

The WILL was executed in USA and ARGENTINE 1938 ...

the BRITISH GOVERNMENT & CROWNS had no authority to BROKER A PENNY

...

THOMAS GROTE in his WILL leaves his HOMES to his wife Margaret nee RANSOM
and her heir her nephew Frederick Charles Frobisher RANSOM ...`

` **Lord Louis had the young RANSOM brothers threatened with death = Doctor Mengele**

Harrington

appointed by Philip Mountbatten 3rd November 1953

to see no mention of GROTE or RANSOM Estate interfere with the reputation of his mother-in-law ANGELA ...

By Philip Mountbatten this ex-prisoner ex-lunatic Asylums creature known as `Mengele` Harrington had been given COMPLETE USE of the British Intelligence Naval, Army, and Whitehall ... including OS Office !

This `git` was known to get graves demolished saying he represented all families RANSOM & WEDDELL

...

He could not be arrested as he appeared in so many photographs of Royal Tours ...`

ROBBING BANKS : ` Foreign BANKS have a phrase `borrowing` for Accounts held by a person in two or more nations

=

easy for IMPERIAL BIG BOOTS to BORROW to NORWAY

=

if the foreign Bank is to be

emptied

into NORWAY then all documentation can be lost - especially if a representative of the British Embassy/Consul comes asking for it - all they have to say is

`

PRIVATE BRITISH ROYAL MATTER`

... Hey Presto ! ...`

`... so your brother Captain Fred John RANSOM was left with no private money Argentina, Japan, Wales and his NORWAY Bank empty too by end of summer 1960 - The private Detective Arthur Malone said he made one mistake in his career by telling Mrs Harrington that YES HE HAD BEEN PAID = Captain Ransom had visited and paid all the WAGES owed to him from 1958 when payment from ANDRE had suddenly ceased - although ANDRE, they all knew, had sent the money !

QUICK as a FLASH she told her husband

`Mengele`

and he had his TEAMS examine the bank account of Arthur Malone - the cheque was

traced to Argentina !

A side-kick of the British Embassy could poke about in the Bank and get other Accounts - so they wiped him out ! Arthur said he had Nurse Harrington hanging about him and jeering a bit ... his nerves were on edge with a number of developments ... HIS ONE MISTAKE !

NB : 1960 the Kennedy family of America began to assist - paying for all their investigation - hoped to aid

recovery of stolen parts of Estate -

had known Tiggy, Margaret & families ... Fred Ransom was warn out by 1960 - collapsed with Ivy in Deptford.

They stayed near that little home of their parents ... their murdered parents 1938, 1939 ...

Fred Ransom had been beaten up twice after a a second visit from ANDRE MALRAUX early November 1957 - IVY RANSOM was very distressed and angry at her brother attacked after the visits - and no message or phone call came to them -

she now tried keep MALRAUX away

... she could not follow many horrible matters !

She had been attacked in the streets at night -

JIM and gang had threatened her with a halter ...

she was not to go near her niece and nephews the children of Teresa ...

Continues : 1958 - MURDERS ON-GOING :

to keep **ANDRE MALRAUX** from taking up a **JOB** with General Charles de **GAULLE** in his new **FRENCH GOVERNMENT ...**

“ 1958 January ... **It was the Chinese young woman scientist - *she had previously come into No 50 twice with some work for ANDRE***

She says she kept telling Greta she was sending in a real Doctor - keep calm ...

Mengele
