

OUR RANSOM ANCESTORS

... we are meeting them again down the Centuries

- they have NEVER

BEEN LOST BEFORE ...

Above is photograph August 1959 Deputy Keeper COLCHESTER & ESSEX MUSEUMS

Harold Walter POULTER a great PEDAGOGUE

with Greta Ransom - **in this photo he is talking about**

“ ANGLO-FRENCH MATTERS, Child ...”

“ ... I am distressed ... when MALRAUX came to us in the CASTLE that

Christmastide 1953 he was still a very young man ... I told you then, you

dovetailed together ... rare to get two birds like you two together ...

**YOU WOULD KEEP ONE ANOTHER SAFE ... He came this time last year and he was
poisoned** -

he returned from here The Jaywick Sands and at 1 am was staggering in the

bathroom at Hollytrees Museum , crashing about ... I got the Hospital -

they came with two Doctors ... it was serious for 2-4 days ... He has enemies ...

I do wish Greene and Donovan had told me more ... Can you recall that 1953

Graham Greene got you some information from the VATICAN about an

ancestor he said you had ... an important Roman Catholic of the INCA -

knighted by SPAIN last century ... **Then times became turbulent -**

we had interference from the fat man Sir James in that Club WHITES ...

and a peculiar Physician with an expensive blue motor car kept getting up

the nose of our local POLICE ! We all seemed to have forgot this ...

I'm darned sure they were keeping things from me those two Greene and

Donovan - *on account of my great age* ... but I have the experience, darn it ~

20 years OUT EAST ... travelled the world ...

LETTERS from Harold Walter POULTER will appear as we continue with our

RANSOM ANCESTRY ... ***and find it necessary perhaps to add more***

perplexing things about the 20th century ... MIKE RANSOM & Big Chief

Bear Paw RANSOM in USA knew more ... ***but have passed to our***
