1969 - 2nd MURDER RANSOM HEIR - Dr John RAY *Ransom* = **There arrived in England a LETTER from AMERICA,** *wr*
itten by a member of the USA STATE DEPARTMENT Washington

- **It is important information from the very kind man**

Dr JOHN RAY

Ransom

,
brother to FJR and Len

...

He wrote a letter to a British-American passports holder Peter J.P. WHITEHEAD working in FISHES

BM Natural History Museum

in

London

-

but sent it to him at The Pillar House HARWELL

saying that he was coming to London WITH PORTFOLIO from the AMERICAN STATE DEPARTMENT

...

He would like to call with his biologist wife & 11 years old son POUL RAY

Ransom

(a first cousin to Greta Ransom W.)

...

... **his written information to PJPW is that the BRITISH ADMIRALTY have agreed to** open worldwide files ON HOLD

...

The files showed where the GROTE HOMES CHILDREN had been dropped worldwide in nets IN THE SEA

...

Also the positions of the THOMAS GROTE HOMES for CHILDREN

...

close by the slain children

...

and the RANSOM settlements and lands ...

a number of other pieces of information were in these FILES

...

it was felt by both Nations that the innocent would then have a degree of safety

-

ANDRE MALRAUX & General de GAULLE have some connection to this development 1969 ...

?

20th century illegal corrupt system operating :

ALL POSTAL DELIVERIES ARE DIRECTED to AGENTS of BRITISH GOVERNMENT LORDS & CROWN ... **the WHITEHEAD twins** November 1967 or onwards - **did** not **inform** sane **persons what they had agreed to :**

they would allow ALL postal deliveries to go first for examination by Government & Crown of Gross Britain ...

especially

all

mail addressed to & from RANSOM families & their connexions :

including the Overseas Administrators-Solicitors-Brokers of the ESTATE ...

... they did not warn the GUARDIAN Andre MALRAUX of allowing this illegal confiscation of communications !

But the Whitehead twins travelled about the RANSOM ESTATE taking moneys from Banks and demolishing important parts, giving away INVESTMENTS to their ARISTOCRAT CHUMS

:

they became rather MAD with aristocrats & Doctor ***Mengele***

Harrington and began booting out small family businesses ...

“ they would give it all to the POOR ”

=

elder twin is a CAPITALIST and the younger is a MARXIST

- *its a joke since school days*

1969 March - 1st MURDER is eldest brother Frederick John RANSOM ***born November 1911 living in London***

-

Dr John RAY ***RANSOM*** would not expect CONFISCATION of RANSOM correspondence and communications - He, my father, would assume integrity from educated British-American Whitehead twins of British QUAKER background ...

... Because of the confiscation March 1969 of letter from his brother Dr RAY to Peter J.P. Whitehead
