

RANSOM Ancestry II

1938 the situation : the WILL of Margaret Ransom GROTE is accepted about the globe : **In Great Britain there were difficulties from the 1920s old ROARING `20s ... they were roaring at the two young heirs**

Greetah

and Lennie ... we encountered difficulties - below is a diary entry of one troublesome matter :

THE NAIL IN YOUR HEAD ... 1938 autumn ...

After these few pages we are SAILING with the early DARK AGES East Coast of Britain, Mediterranean and Palestine ...

350 AD into the 9th century ... you will like your early centuries HUMANIST ancestors ...

Readers might like to digest this for the New Year ...

... I survived ...

“ ... THE NAIL IN YOUR HEAD ...” 1938 -

... Dr John RAY R - 1960 - " 1938 - A NAIL IN THE HEAD ... you acknowledged as heir - the WILL of our Aunt administered USA and overseas - the BRITISH GOVERNMENT have been informed a COPY the Will may be seen at the office designated in WHITEHALL : Your father receives a telephone call of acceptance ... nothing in writing :

" ... she said it to you before you went to Convent school that morning - your mother "
... an episode I did not forget - my strong young body had me recover ...

Greta Ransom

:

(MEMO: She Teresa GORDON Ransom has not yet given birth to Colin Frederick
Ransom in October 1938 ... ? = NO ! HER MADNESS IS BECAUSE HER
FRIEND ANGELA
(now a Queen from 1937)
has thrown in her face that
she

has

WON

-□ **And SHE has taken all the OLD ESKIMO ESTATE for herself**

...

Nota bene:

Glamis Castle-LINDSAY =

other Earls and Lords s on West Side Scotland are known to be coin-less and MAD

...

they go in for witchcraft & from 1923 marriage of ANGELA□□

(Elizabeth Angela Marg. Bowes Lyon)

can manipulate the British Government & manipulate very much its overseas EMPIRE

...

administered by persons who work for a SALARY and look forward to PENSION - they do not dare disobey ROYAL commands from

ennobled

ANGELA Jim JONG, & Norwegian Imperial GHOULS

Dr John RAY Ransom : “ I will read the diary entries ... ` **He FJR had his daughter sit very still after she told him about the morning before school, and he fetched from his tools a pair of tweezers used for fine craft work .□ It was in her forehead under the hairline & had been hammered in flush to her scalp**

...

he said it had better come out

...

`

` **He had asked her□ (*Greta*) about the school lessons that day but she said she could not recall until the last afternoon lesson as she had felt rather sleepy all the day**

...

SHEshe

had said that morning before she pushed her

(daughter)

out of the house in the Old Road to walk to Convent school on the seafront
that there was a nail in her head

...

because that was what you had to do with `a changeling`

...

but you her daughter remembered she said
`YOU DID IT YOURSELF` & I shall be believed

...

YOU ARE MAD

...

like your bloody father

...

all my friends know it
& they are important

...

not like you bloody RANSOMS

...

you are gutter, apes, Eskimos

...

`

` HE NOW TOOK YOU TO THE CLACTON HOSPITAL - he told them what he had done &
asked they check the tiny wound - h
e was able to show them the nail and where he drew it from

...

they said they could not know -

they would keep you in the hospital for the night. He explained he was too scared to let
go of you - that his wife had gone
quite mad again

& tried to damage the hands of Len who was a musician -

she had attacked him, Len,

17 years old,

with an axe that afternoon

...

”

Memo : **The place where the nail was put by my mother is, I see, from a map of the brain, the area of reasoning & judgement**

...

G.R.

(NB : At the Clacton hospital this daughter of Mary & George Gordon has given them scares over the past 5 years ... & people working in the FACILITIES of this small seaside town have to tolerate LINDSAY EARLS MOB and know that they CLAIM illegally the RANSOM ESTATE overseas ...

... From the 1920s some respectable persons well remember ANGELA coming to stay at the LINDSAY `GRAND`, that sinister looking little dark grey granite building squashed between the ROYAL Hotel & the TOWERS on Clacton seafront erected 1910 -

(DEMOLISHED winter 1945-1946 because it was going to FALL DOWN & could injure citizens walking on the seafront road)

...

1920s onwards

LINDSAY EARLS & noble & upper middle class scum drank & DOPED until they dropped

...

& went on grocery shop NIGHT RAIDS out in the Essex countryside villages and other small towns

...

they enjoyed themselves with this DARE DEVIL holiday spirit

...

they cannot be caught for they are with TITLES

...

(**NNB : ANGELA = name she is known by OFF DUTY - married 1923 to `Bertie` youngest son of King George V** had not stayed overnight at the **LINDSAY `GRAND`** since 1934

...
but she made a notorious visit in 1938 to tell Miss Winifred Gordon

“
I have given all the Estate to my daughters Miss Gordon

...
I recognise you from your **FAT** Irish face

...
”

... **CLACTON-on-SEA** & other places recognise **ANGELA** from her **FAT BEHIND** in tight skirts
...
her jeering & bad **MANNERS** - & drinking until 1 of the clock the new **DAY = 1 AM after Midnight**

(1957 October - **Lord XYZ tells me GR (24 years old)** “ I know your mother & Angela - they can drink a **PUB** out overnight

**Memo : JJR = FJR/LIR diaries = 3 young Ransom brothers the sons of FCFR & Jean WR
born 1911/1918/1921** -

Dr John RAY Ransom - continues : “ **He your young father would not let go of you but held
you to him** ... ` **Yes a quiet night & no sedative to be
given, the hospital agreed** ... they would
all have to wait and see`

...

A Surgeon my brother knew & trusted would come from London to-morrow

...

`

` **When you returned from the hospital to the little Old Road home your father told you to
do as he said ... sit still & do not talk but sip the warm milk ... you said you would like a
lettuce and cucumber sandwich of soft bread and butter**

...

the Hospital had said ` yes a little supper & warm milk and happy stories to be read

...

then you should sleep and it would all be better in three days

...

`

...

BUT NOBODY KNEW OF SUCH A MAD ATTACK BEFORE

...

they would all have to wait and see

...

` ... So it was agreed there be no excitement & you should not speak but have an evening with nice stories read by your father & a long warm sleep ... *Mary Gordon your grandmother should not be told anything or Miss Winnie her daughter at home ! Your father would see that it was a very safe night*

...

and the Police Station would have a kindly Policeman you knew keep guard at the back of the little house all the night and another would **PASS BY up and down in the Old Road able to see the front of the house**

...

It would be best if your mother took a rest in the big hospital at Colchester or Tendring or somewhere else

...

& she should be away from her old London friends & the Races

..."

(... *NB* : The Hospital knew that Teresa Gordon come from a good respectable family had recently been placed at Tendring Hospital and Colchester before that, even sent on a visit to a SWISS Hospital & also gone on a CRUISE but there seemed no way of giving her effective treatment ... the problem was that her friend from her childhood the older woman ANGELA (*now with a Crown after ousting her brother-in-law a kind person*) sent word or had a representative visit the hospitals with messages

that Teresa Gordon RANSOM was to be sent home & did not need any treatment

...

& the RANSOM family were to blame

...

⌘⌘⌘)

(NB : *no paperwork is ever sent by Imperial chums ... only persons in big purple Imperial boots are sent*

... good

citizens in jobs in the community cannot handle this ABUSE of IMPERIAL POWER

...

there is no way to protest

)

ANGELA had been helping herself to our family philanthropy GROTE HOMES for Children and the

CLEAN money making

RANSOM ESTATE

to pay Family BILLS,

aided by JIM JONG Pimp

moonlight Worker for various Scots Earls including LINDSAY Crawford

...

... It begins 1923 when after her Imperial marriage she is sent BILLS to PAY - **these are for the Imperial Family of her husband who have had to borrow money from Lenders abroad & the interest on the interest**

has only been possible to meet since the discovery that

Mary

of
Teck
Queen Mary estranged wife of King George V
had been heavily GAMBLING with friends for some years
...
one year the Family found she had spent ahead ALL the GRANT coming to them from the British Government
...

... *she, Mary of Teck, found the marriage dismal sometimes & kept her own London Town House as well as the Palace - her husband King George V was happy with his old Sailor friends*
... REPORTS : ` & some Bills are cunningly paid on the worldwide HOMES our ESTATE in NORWAY - these are for Angela`s in-law Louis Mountbatten & his relatives in Norway & Denmark - ***the attitude amongst penniless Aristocracy is that Old Eskimos cannot have great Estates***

...

The BILLS are sent to Angela from WHITEHALL centre of Government ADMINISTRATION of the BRITISH EMPIRE ...`

1960 **January/February** - NIGHT WATCH Colne Engaine -

Dr John Ray Ransom - continues : ... “ **Try keep in mind, that from 1932 Christmas Angela and JIM**

have been promising your mother half of our Estate & they taunted her she had married an APE & that our family had NO TITLES !

...

First she was to

ABORT

you

...

**& she is to complain of the marriage to our brother Fred
*who is 5 years younger than her***

...

**She should say her Gordon parents forced her into it
or other nonsense**

...

`

“... AND Teresa Gordon now legal wife of my brother FJR is to supply them with information on our family Estate -

**Information on
the Homes for Children encircling the world and the Estate which draws its moneys
heavily from safe transport investments**

...

***these are investments made by our great-grandfather FRED RANSOM the father of Aunt
Margareth***

...

`

`... this leads to the British Government & Earl of Crawford Lindsay & his large ***often penniless***
Family□

agreeing to confiscate our Estate MAIL claiming you are of their Family
- but it is done in the NAME of ANGELA

...

As she is now of the Imperial Family her money matters are PRIVATE
as the Imperial Family

...

& incidentally they pay NO INCOME TAX

...

so that this THEFT can be easily hidden

...

This is the MAIL delivered by G.B. ROYAL MAIL - and they began to steal so easily from it

...

GREED took over when they began to get at ALL your Christmas and Birthday presents

...

`

`... I will repeat - all post and parcels to my brother *your father* is stolen after you are
proclaimed HEIR 2 weeks after your birth

...

We of this big family will all have a hand in your training

...

if you die there are many RANSOM heirs to the Estate of our Aunt

...

& you ARE

NEVER

A WARD OF COURT of British QUEENS

...

!`

“ ... A SET of DOCUMENTS, Reports, is sent to FJR your father from 1933 summer ... **These were not missed because a complete set had always been sent to our father Frederick Charles Frobisher RANSOM -**

Fred did not know of this arrangement made by the Brokers until 1938 =

then the

THEFT

was understood !

The LINDSAY EARL had given his name to this THEFT 1933

...

claiming YOU as THEIR heir

...

you have ONE great-great grandmother born a Miss Lindsay

!

This is the family that had me attacked when I was one month old & why I had to be hidden in America

...

”

` The MAIL & parcels from Summer 1933 are always received to the back of Buckingham Palace where 3

men from WHITEHALL come to investigate the Estate Documents

...

Mr JI

M

Jong

well known PIMP

had an apartment at the back of Buckingham Palace from 1921 ...

he is now knighted as Sir James and is co-Steward/then Steward of WHITES CLUB since 1952/53

...

... THE CONFISCATION of all presents sent to your father for you began Christmas 1933 -

kind people reported the vulgar behaviour going on at XMAS and your birthday

...

a fuller REPORT is from Christmas 1936 at Buckingham Palace & vulgar behaviour described and a list of whom was present

-

the Report includes hearing some children mocking you as AN APE -
your name was on the presents they were ripping open ...

**Your father had been told by these dirty crooks many lies -
that his Aunt Mrs Grote had said
all the presents should go to poor hospitals abroad**

...

... There is the obscene matter of a 200 years old CHINESE CHRISTENING ROBE kindly sent
for your christening ... **it was dirtied and torn, abused,** by **Earls of LINDSAY** & this old
gang - who
have **PLAGUED** my Aunt Margareth since her husband Thomas was killed by some of them on
ARRAN 1904 -
on land she his wife owned ...`

**` ... other valuable things addressed to your father and you and my brother Len were
either broken up or put away for sale when the PRICE was right ...
a few inexpensive gifts to you reached a hospital ...**

A room in a British Government department WHITEHALL has a man in charge of all furniture,
paintings, books, owned by our ESTATE - **he is to SELL when the Market is good & the
money goes to Angela & Lindsay Earls**

...

this has been going on since 1945 -

it was not intended your father Captain F.J. RANSOM return ALIVE from the 2
nd

World War ...

**good Army colleagues saved him twice ... he had people killed who were helping him
administer the Estate ... you may have heard of the fate of Geraldine ...**

We are told much post & packages to us have gone missing in THE ROYAL MAIL Service of

Gross Britain ...

“ LEN has written an account of the NAIL in your HEAD - it includes an attack on him that day which had him become fearful and bewildered ... **he was 17 years old ...** ”

LIR “ I was attacked by the wife of my brother Fred with an axe - **she went for my hands ... she had been eyeing my fingers - I had come for a week - she had an axe in a little sack - she had been calling me terrible names - she was spitting at me & began frothing at her mouth - I got away, got out of the little house and went to see Miss Winnie where she worked in the town. She showed me a fierce look & began to blame me for upsetting her sister - she forbade me to say anything to her mother**

...

adding that her mother was widowed because of us

...

her sister had come from a prison served 4 years of a 6 years sentence for abuse of the household of a kindly old retired man

...

her noble friends had been visiting the household and helped deceive him

...

... I had never received kindness from Teresa after the marriage to my brother Fred in 1932 ... she had insulted my parents from before the birth of Greta 1933 and immediately the babe was born demanded half of the Estate of our Aunt Mrs Grote

...

she said that the Government for the Crown would take the other half

...

her noble friends could do anything they liked

...

I was in shock after her attack on my hands - I could have lost several of my fingers - I rushed out of the little house

...

I spoke to my brother Fred where I could find him in the town - I did not want to tell him too much while I could not think clearly

...

he had an accountant for the East Anglia Estate work and they managed this part of it for Aunt Mag -

we were to meet my niece his daughter

Greetah

from her Convent School next to the seafront at the end of the afternoon

...

I decided to try be calm

...

We had seen his wife

(Teresa Gordon Ransom)

enter the Clacton Railway station with a small suitcase before we went to the school -

we had not been seen by her

...

”

“ My niece spoke of the NAIL when we returned to the home - & this was found to be in her head - the top of the nail

flush with her scalp

...

I felt the violence was becoming too much for me

...

I felt myself failing in strength

...

My brother immediately removed the nail with delicate big tweezers he used in craft work

...

the nail was an inch & a fraction long & the head of the nail a little over an 8th

of an inch □ diameter

...

We did not excite my niece

(the 5 + half years old Greta Ransom)

but showed the nail to her so she did not think it had been a hypnotist trick

...

her mother & noble friends`

were always up to tricks with hypnotism`

...

the child had overheard them at their nasty

“ It was mid-evening when I TOOK THE MOTORBIKE and began to drive from Clacton-on-sea back to London

“ I drove down The WHITEHALL Centre of British Government when I got to London - *there was nobody on the road*
