THE 3 WILLS operating the Estate were not seen by Andre MALRAUX & General de GAULLE until MARCH 1962-

1960 Feb-March- The common sense plan the detectives-colleagues- people in LAW-

USA & other Nations decided upon was to print on their front pages newspapers on the same date around the globe a simple question & let the daylight in on `genocide` by a fallen Empire's Nobles-

'WHERE ARE THE GROTE CHILDREN ?

Here are ours ! & print photos of the death pits-witness reports/remains/ Evidence of the high intelligence of the GROTE HOMES system its humanism its COMMON SENSE to raise standards round the globe & to remove the power of the dirty mouths of Great Britain who hushed the matter up by saying all HOMES were prostitution...

~

(As all G.B. overseas diplomatic branches had often to resort to in order to pay their bills & get a `decent standard of living` ...) - MARCH 1960...

The Plan was AGREED by all NATIONS A to Z -some had several HOMES as FRANCE -5 HOMES-

beginning 1864 - G.B. Noble Class sponsored theft of woods minerals & since 1945 were now grasping destroying all that is registered in the legal WILLS of RANSOM

& threats MOUTHED that the deaths of the Children were the Nation itself...

` The RN boats had come along to stop the IMMORALITY !

& the Nobles changed their clothes 5 times a day & strutted about with NOBLE FACES FROM A MORGUE-

Where are GROTE CHILDREN- Mother Britain ? You said for 70 years they interfered with your trade- *Dr Barnado had a tussle with you-to educate to 15 years children going into Apprenticeships !*

Not just factory-domestic work-farm hands- This was the message going out from every Nation that had a GROTE HOME-or HOMES- & the RANSOM `VOYOUS VENTURE` upon its shores its lands...
