

1937 SUMMER Clacton-on-Sea- East Anglia

George-ANDRE & Greta feel & share in tiny phrases all the excitement of a brand new
day- knowing it is ours for happiness- our QUEEN JO-CASSIOP
-AEA we
hath left sleeping...

We *doth* wear her out with our burning of the candle both ends-

she must be beautiful for THE DANCING at night-

Thus we of the Ancient East Anglia Sea peoples-combed quickly our hair-& with teeth
cleaned-all in SILENCE- not to wake the
morning household go forth to
PAINT OURSELVES IN PALE WATER-COLOURS
into the morning air & from my books become
THE FLOWER FAIRIES-
choreographing
our way to the Clacton Pier that Mr Kingsman's Father built/
encounters
we have with early morning good peoples-
shops begin to open-door ajar for the early morning Holiday maker-perhaps a regular- or
a new-comer- Kind faces welcome the visitors & cheerful words hope they have a Good
Week-`a Fortnight ? Come again Easter is nice-even October...go fishing & getting
birds for the table-
the waterways laden with dying reeds- indigo dawns & mists with ghosts you will see out
there...`
The
speech of Andre & Greetah- LIR & Harry- & all we could not share with FJR FCR JWR &
Dr John RAY/rae (Ransom)
because massive ignorant dope-divine GREED got a GENOCIDE going-

THEY'VE EARNED IT-a very pleasant holiday could be taken at Clacton-on-sea-WHERE YOU WOULD FIND THE GOSPELS ACTED OUT

For a few weeks BMNH all seemed to be normal civilized & DAYS OF HOPE but monsters were forbidding I Greta Ransom be given a memory of pre-war & Wartime & afterwards...

Perhaps because G. R. could give no warnings the relative is killed- Discovery in full is not until December 1987 causing shock- At last 1988 a coming together of persons who may investigate THE GENOCIDE...It won't be watertight-

when com`th Alfie Charles RANSOM Rear Admiral RN...he had to live behind locked doors after this gathering lead to his life work a collection of Nautical Instruments was stolen- Alfie Charles intended it be given to certain Museums who needed that piece in his name RANSOM- his family went to live offshore...

PJPW - GROTE HOMES RANSOM Estate Murder list begun late 1970s by educated

people the globe/ records...

1987 December PJPW went into shock when he heard the same recollection from two people on events February 1968- From November my poor father FJR was trying to leave the HOUSE OF MARGARETHE & TIGGY on ARRAN to his daughter G.R. & brother Len & Ivy sister...the families... The Will on FJR's sudden death by *Mengele* Harrington March 1969 was taken & administered by Teresa Gordon R & Doc *Mengele* with nothing said to those who inherit

-
PJPW was caught in this Imperial Fist genocide by the dope-fiends TRICKSTERS- He is learning how insane it has been & that it about him...

many records/LIR says 1976 where all the properties went-back to the criminally insane via a woman sitting on a purple rice woosack !

G.R. in 1968 had heard the family tragedy the death of Sir REW 1940/41 possibly from a blow from a little thug on a winter morning along the Tow path Wallingford...

Meeting the vast in-laws & seeing the house `Whitecross` it struck a chord when some of PJPW's relatives said `our Grandfather was suddenly not there...a shock to children...`

Amongst them was one person who knew the history of GROTE RANSOM & had visited a HOME pre-war & been very happy to make a stay...

1937-1968 onwards- The Ransom families & ANDRE MALRAUX & JOSETTE & boys- the mighty FIST of BRITISH HIGH CLASS SIN & FIGURES FROM A MORGUE

has followed us these years- taking all POST/mail- answering for us & other tricks- Miss G.R. enters into an unexpected life- a reluctant at first young woman but with no memory of having been married before-

only a very broken heart from

Andre Malraux

reaching back to 1953 Colchester Castle KEEP...

..nobody of the families knew of the coming marriage except 4 people Administration BMNH-we had nobody present-the idea was not to spend money-but take the children for a seaside holiday later

-
Miss Ransom known in BMNH as

`the spirit girl in the Spirit building- She came to us earlier 1962 from across The Park-MALRAUX's FORTRESS-some older go to suppers with him in those days...`

I G.R. had little useful memory- the bullying the threats & attacks had made a spirit figure-an aesthete still- yet strong `able to carry the oil cans` - & now 5 feet tree trunks into the fireplaces of The Pillar House Harwell...□

G.R.□ had had this strange life at 50 Lancaster Gate Square the home of Andre Malraux-got a broken heart but no idea of the `Early Wedding 1947 R.C.` & 3 weeks after the re-vowing 7 January 1958 no memory of that at all ...I did work out that every week my memory was taken out & often□ had no yesterdays...

Dirty JIM Cur JAMES had GRINNED October 1957 in my face & said□ `put her on heroin-search her night & morning- SHE IS NOT TO KNOW ABOUT MALRAUX's WORK...she could hear things about General de Gaulle`

The ugly short fat barrel was in my room at the top when I came in at nearly 6 pm & had his 3 THUGS ex-Army Kenya

(records galore on them & him Kenya-3 killings etc)

I turned & got out & he rushed after me like a fat fairground clown & pushed me down the stairs piping

`Get Our GREETAH` ...

Ah my name had now been changed to Greta !□□ Yet I still could NOT GET A MEMORY of this bestial obscene chaser of very young men & a paedophile to children who inherited-he had savaged two children at Frinton 1930s...□ These NOBLES attacked all persons who had things they desired or objected to their savagery - Dirty

JIM Jong

Mr Pong & his MONSTERS OF THE DEEP ALL BECAME OBSESSED TO DESTROY (Maurice Ravel speaking on `the little half Chinese man who broke in on his apartment 1920s -took his clothes...had him `have seizures in the car before` -dope put in something Ravel drank-perhaps a flask...reports)

Thugs like JIM & Lindsay 14 a real paedophile never buttoned their trousers-□ I was having too little left in my memory & therefore far too little understood-□ These obscene sadistic queer HIGH dope-users were well paid &

Mengele

& his dame & others including

dirty JIM

were to see the GROTE HOMES slaying was not uncovered & that they could go on robbing RANSOM Estate having Whitehall & Liars- Cheats-Heroin Soaks call it GROTE ESTATE & shrug & mouth□ `Oh given to Angela by old Eskimo...`

G.B. Gov. Lords & Crown-

1966 December Harwell Village- Mr Doc *Mengele paedophile* Royal Satrap Harrington hides his car behind bushes & this monster that gentlefolk fear is so anxious that 'his patient-MALRAUX does not tell the Ape-Eskimo anything about the former life of his DOWNFALL- on his morning cocktail of drugs Mengele can rage forth upon the disgrace to the VATICAN

Mr *Mengele* HARRINGTON is anxious to be a Peer-a Count-& he aims higher of course. He is a paedophile gathering horrendous ideas-& this was why he got so much attention & with that blue car- in Berkshire-Oxfordshire- He oozes with such KUDOS- & the old thugs of Naval intelligence- British Scum of this & that... *dipso*-Diplomats & the new `Trendy business type with gold bath taps & cocktail Bar & `always on heroin dear Boy...` The TIMES are CRASS lifestyles & *Mengele* paedophile Harrington still earns himself his yearly blood & gore loot from *Crown Office*

-
Scandinavian Carrion Crows winged in about Ransom Estate knowing of its riches by still STEALING THE POST with the British Noble Scum-
`It's a game of `WE WIN- somewhere-everywhere- & they can with G. B. Nobles KUDOS still intercepting BANK payments- Moneys which again are circling round in the smaller JOYOUS VENTURE that delicate FLOWER GARDEN A-Z the globe restored 1961 by Ransom brothers with help from

Dr JOHN RAY ® educated USA because of an attack on him at 1 month by Earls of Lindsay family-women too...His Reports 1960- `the ancestry hit him like the sight of the Grand Canyon the Victoria Falls` He had grown up with no idea- it was the Rules of the School who were only anxious their damaged young victims get the best education in the globe-he had been fooled by a Visitor when he was 17 years- he could have demanded to have his parents to see him-that was the Rules of the School of this Doctor who had set it up and ran it with co-operation from GROTE BROKERS Grote Homes...

He had this phone call from JEAN

1937

whom he knew over the years of her LETTERS since he was 7 years old was Spanish-Latino American...he had no idea she was his mother- *he was tall fair haired- one eye blue one eye green- not unknown* ...but she said & it was the only time he had heard her voice-the telephone had been allowed...

`it is your mother-I have heard two men talking & I think I am to be killed- now I want you to STAY WITH YOUR BROTHERS- do not have anything to do with NOBLEMEN ...`

He felt that because

SHE WAS A LATINO

(& HE'D LEARNED SPANISH BECAUSE OF HER)

he felt it was something to do with Spain or the Argentine mentality...

the Rules of the school were strict while they were in their education-

the Rules of the School were to see these tiny boys were got through their difficulties of the mutilations & even if they could never leave the beautiful Premises they would have **THE BEST EDUCATION UPON EARTH`**

But he was fortunate-it was not too bad- he was able to have a son 1957 USA & go on with his work- NASA-US State Department some off-shore work...Animal Management for his Canada Estate... 1960 he began LAW Degree...he passed everything with the best marks- 1970 he was DUE BACK TO

is clearly STUFF that is well known to those who want to thieve a rich relatives necklaces-memory loss powders not all AMNESIA from shocks all Greta's life....

They tell ANDRE I will pull up-he must keep on with his job-

TO LIVE THEY MUST PLAY THE ROLE OF `Well we have to look after them- artistic you know... Catholic raised as children... **IT WAS NEVER THEIR FAULT** poor old Andre & young Greetah

of the

Grote children

were caught & given the

same deaths

as they gave these thousands & thousands of children round the globe...MALONE & SILVERLEE & Patrick MacDREW stuck together & Malone managed to throw

RED HERRINGS

...he'd given out he'd `another piece of research to totter on with -some investigation for some big men they'd met at Jim's Place- Whites Club

when they'd all had that delightful home of Andre to relax in 50 Lancaster Gate Square...`

They all treated Mr

Mengele

his Dames & his throngs with a cheerful greeting & hoped they were keeping well...

The Team had NO PAYMENT for this work & relied on Philip Silverlee & his International Brokerage World to help...

SILVERLEE WHOSE DAUGHTER age 28 years HAD BEEN MURDERED May 1960 for getting lawfully in the Argentine from the old Solicitors for RANSOM ESTATE

the DOCUMENTS that MALRAUX & General de Gaulle had a right to have

(they were swiftly killed & the powerful Lindsay moved Special Branch Gross Britain in to strip the Offices-trace all who knew-deaths were many)

Philip Silverlee he had grandchildren to watch over...& a younger partner in Argentina & they'd two babes born 1962 & 3...he worked on two Continents...□□

MALRAUX was watched like a hawk in GAUL & even in IBERIA- anywhere else it was known he was...

*The Noble scum employed dens of rats
the like of you'd not find in old Pompeii...*

It was 1966 ATHENS when Silverlee worked magic as International Broker & got some of the moneys belonging to Greta Ransom & her heir Len...□ They had to keep away from Ransom brothers & others...the POST/mail was quite out of the question...□ They had to remain this tight small group or DIE... They had not been fooled at all when *Mengele* & his Naval Scum set up a verbose barrage of
`it was unlawfully lawful-the whole matter
...`

MALONE & the others report 1960 THE ESTATE WAS INTACT ABOUT THE WORLD BUT IT WAS ON DUCK BOARDS...

-it had been robbed broken in on every window every door-the Peru Silver Mine was such a loss...the missing families tenants as well as the children Grote Homes now began to rise...

SOME FISHERMEN HAD DREADFUL CATCHES- they went to see them as others did in disguises & with help from those in the nations still grief stricken... Nets came up full of young bodies...girls & boys mutilated limbs severed...the RN ships had stood off hereabouts...
(Reports Grote Homes official slayings are many/photos/evidence oral & written...)

Some of the dreadful catch was put in a Chapel- there was no identification on the children but there was enough memorabilia about to have them with identity enough... T HIS SHOWED EVERYONE HOW DANGEROUS THE MATTER WAS...far from slowing down as they had hoped by February 1960 when all the LEGAL DOCUMENTS were found it had galloped into more deaths...

In 1961 General de Gaulle was tricked into signing something...IF HE & MALRAUX HAD RECEIVED THEIR OWN COURIER WITH HIS BAG AS IT WAS FILLED BY PHILIP SILVERLEE then they would have had the NEWSPAPERS OF THE GLOBE PROCEED ... AS WAS THE BRILLIANT PLAN TOLD THEM in this package...& READY early March 1960 to operate A to Z the globe-

& THE ONLY ONE POSSIBLE TO BRING SAFETY TO SMALL NATIONS...

The Plan□ WORKED OUT BY MALONE & THE OTHERS...& many intelligent good people

in Britain & overseas...all of whom had to hide by spring 1960 after
NO REPLY to go ahead from Malraux & de Gaulle
...& **SILVERLEE HAD HIS DAUGHTER MURDERED...**

DR John RAY had matters USA...he could travel as LIR sometimes with MALRAUX...they maintained watch as much as they could & the few souls who could protect him...The killings since 1953 were horrendous...since 1960 many good persons had been sent to Heaven well before their time- they'd come to HELP at Colne Engaine- they had to watch the disappearances...just when they felt it had to die down... the 1960s saw that happen/filmed in 2 places/life histories of the good people are printed up/they should all become the living dead- as the GROTE HOMES children...not a hidden Genocide... to prop up some very rich nasties who could not stop their ugly big spend... their ignorance in their BREEDING...)
