1960 **January** Colne Engaine near Colchester...**An hour later a car softly drew up at the entrance to the tiny meadow- this raw frosty night about a quarter to 11 pm.** The voice I thought to be **Andre Malraux spoke so softly**

here they come-do not show a light'

I heard a thud after sound of feet in the grass & before something began clearly scraping at the little door...

The voice I thought was Andre Malraux spoke again "I have hit him with my metal bar-*hope I have not killed him*

...he has a tool & was going to open your door-
I hope I have killed him... shush.."

A whistle was heard by the entrance, *there is no gate*, a soft call & a very posh voice `whats going on` ...

sounds of another thug coming close swishing its hooves in the grass up to the Caravan

'Mistral'

door. A gasp at his fallen companion

'what's up'

to the fallen murderer by the caravan stable door - a retreat by murderer no two- his voice in anxiety to the driver of the car (was there another in the car too ?) ...I could hear very posh voices- Oh so very upper crust of the Figures from a Morgue the NOBLES

OF

GROSS

dirty murdering BRITAIN...RULED by the criminally insane...its Empire fallen 1900s... NOT ENOUGH DOUGH !

A surprise return by murderer no 2 who then began to drag his fallen companion down the meadow... Soft laughing from outside the tiny caravan window-`should I give them all another bullet ...?' I still thought it was THE BURGERMEISTER OF

PARIS-

MALRAUX EMPEROR OF GAUL- ? A thought

crossed my mind`

perhaps he had some old comrades of Spain & Wartime Gaul

come to help because he was now with an important job in a place I only knew from

Wartime & some old black white films long ago...No memory of an entertaining afternoon

in the SalPetrie Hospital December 1935...& converting all staff to coming to help about the globe with GROTE HOMES & up to our Island in the Snows for the Theatre & good health...?`

I now began to get scared ! ! How brave he was *Georges Andre* outside with his GUNS

~

The voice I thought Malraux said ' I will let them get half way down' then fire my gun.... he fired his gun & said in a stage whisper laugh

" I hit him in the bum"

No 2 murderer in a scared much louder voice rather stunned & bleating in disbelief... certainly in some real fright called out to the car

"I am bleeding like a pig"

in very posh voice-

Some curses by the car! They drove off not so silently as they came

!

The night was silent & I felt I should write it down but I have been threatened with savage death by hacking & burning alive if I write anything down...I felt I could not forget this...

It was about midnight when Dr John RR finished a round of the hedges the lanes...returned & said he would have a relief in a half hour...but perhaps by 2 am they would feel it was quite safe for the rest of the night...I should get some sleep...He'd be discussing the events with Malraux's friends...`

I now felt there had been two men on my Night Watch...I fell asleep...it was 2 weeks before I knew it was a man calling himself `Uncle John`...then that all disappeared...

The young Police soon said `you should have shot them & thrown them in the hedge- we'd help you remove them when out of uniform...or ask Harry Gordon...

We've heard about this from the old retired..the records are in the Police Station & about...They are after money...`

By March the murder of Patrick MacDrew's 9 years old niece Newfoundland in 1942 was raised & that had us with more support...

A Pilgrimage got going to Castle Sible Hedingham...& matters were got out of Archives on her murder by the Mafia on the Front...

`The bloody Toffs could do this sort of thing back then...`

to come from GAUL- come swiftly to without the Walls Camulodunum-

see the situation-

TAKE A NIGHT WATCH-

Because it was deep winter

(Britain had colder winters in the first 70 years of the 20

century)

the gathering Team had to split into two WATCH times-

NIGHT WATCH & Pre-DAWN WATCH

in thick clothes-carrying guns & other weapons. THEY WANTED TO CATCH THE
MONSTERS...

I am the bait ?

In England it is dark by 4 pm in winter & doth not get light until after 7 am.□□ By February the

Team

were hoping to catch some monsters working for

British Scum

THEY

DO NOT HAVE THE GHOST HOUSE KEY YET-they have rented a room nearby- they have alerted the ex-Army Farmer & others-□ I am told by Arthur Malone best I stay put until

ANDRE comes over- they hope to catch some monsters-

THE SITUATION IS NEW TO ALL OF THEM

- they need to exchange years of information with many persons-

POST/Mail has always been

stolen

from so many of us

-

SUDDENLY AN HEIR HAS APPEARED...Greta Ransom...born on a hearse...trouble is she keeps getting off...in the way of this Noble family claiming her...`

Those early weeks for them were spent gathering information France-South

America-New York-Asia...& Essex...

Christmas 1959 into the first days of January 1960 they were working night & day learning locally East Anglia - Malone took off to ARRAN after 2 days with his parents & family... he was spotted ! He knew he was in danger of his

life

if he went back

to investigate Margarethe GROTE...

The gathering Team for Malraux & RANSOM were all in shock by January 1960...

IT WAS THE MOST HIDEIOUS OBSCENE CRIME UPON EARTH... DONE BY BRITISH NOBLE MONSTERS ALL ON THE PIN

-

the slaying of the Grote Homes Children to get at the RANSOM Estate lands investments islands art works endowments gifts individual Estates ancient buildings with families

taking care of them...many simple things like recreation facilities in cities or towns where the families had connections the last thousand years...& The Estate WAS ALL ABOUT THE GLOBE & in some small nations easy to pick off using British Noble Clout...often VERY SMALL

THE ESTATE HELD IN FRANCE WAS BIG...

it had been hacked at by 1938 by Gross Britain nobles who shared out their pickings

MALRAUX GUARDIAN COULD HAVE STOPPED THIS vast theft of the Ransom Estate France swiftly 1945 if he had received his POST/mail to France & then he would have discovered the SLAIN GROTE HOMES CHILDREN FRANCE...5 homes were pulled into 4 1930s one in PARIS-

criminally insane Nobles & Crown & Gross Britain Government ...

JOSETTE DIED BECAUSE OF THIS OFFICIAL G. B. NOBLE FRAUD with violence...

1960 January ANDRE MALRAUX speaks-he is taking DAWN WATCH- `I am looking at the STARS- I want to go back & start again-

ANDRE MALRAUX Cultural Minister of France- knows now that JOSETTE died because of the POST/mail she collected after parting from him that last time- end October 1944-
HE HAS SOME NOTES- MEMORIES on the message she sent-lost on the way-carried by 3 or 4 resistance workers-he has a little of it-from speaking with 2 of them- 'she was worried about an island'...
THERE IS TO BE RESEARCH HERE IMMEDIATELY-
& the state her mother found her in-the things she was saying to herself -her mother thought she was writing & worrying about money...
reports will come in swiftly February some from France...USA...

1960 ANDRE MALRAUX ...He says it is coming break of day-January 1960-the new day- `SUMMER 1937

-
Listen! Try to remember us- the three of us- summertime

...

I want your arms around me, telling me
I shall get well

One day I awoke & was pale & nervous-had my nerves you all said ! You would not take me to the beach ! Until the end of the day.

(wrapped up in jumper & jacket- I Greetah insist-)

I must stay in bed & sleep my illness away.

You took

JO

to see the 'world pass by' She said she felt you might walk her to A STAR ! So

stoutly did you walk ☐ `thee- shee ` that day

I needed to rest all that day you told me. ☐☐ I ☐ needed to rest- & I do to-day- I want your arms around me & not have to keep going away !

Death is going to take me one day- & I want OUR LIFE- I want you, your arms around me. ☐ As you did that break of day 1937 - when we were young- beside the sea. ☐ When we were young & you had me stay in bed- ☐ & took JO-our JO-
`to watch the world go by-the world pass by-`

Said JO ☐ `an expert on STARS- an expert on other things

I want you beside me-

then I'll be an expert on this stage- the world...

I will amaze people how expert I am if you-if you come & put your arms round me again`

Malraux to G.R. 1960

1937 summer He did not have real nerves Summer 1937... he had a high temperature & a cold in the head from going out the previous dawn without his jumper or jacket. ☐ I did complain & say it was *too cold of a morning*
& everyone *here*
abouts

knew you did not go about in chill sea mists without a jumper tied round your waist when there was colder mists from the sea probably coming in-not just the night mist-& the day might arise with heavy clouds of grey- ☐ I can see him now-this minute-
as George Shearing plays piano music CD

-☐ with his head on the pillow & big beautiful sorrowful eyes looking at me & not quite brown but a spring fawn green sheen then an emerald twinkle appears-
& I shall be HIS MOTHER FOR EVER & ever & if JO does not want him...perhaps I will not always be a dwarf with so much to learn...`

(1957- He say`th ☐ “What do you want for Xmas” -& I sayyyyh

`YOU- in cellophane & with violets-bluebells-lavender `)

Summer 1937 - He Andre-Georges has been put in the little room on his own at 8 am... which has a kinder east-south light I think. We bring him a cup of tea & an Asprin perhaps two tablets was melted on a spoon is given him by Josette...& he is to keep wrapped up & sleep. We will come and see him at 11 am & a decision will be made upon his health. We, he & I, have been keeping impossible times.
Up by 4 am & rushing into the DAWN

...

on the go depending on the activities arranged, sometimes an afternoon rest of an hour & a half, then on the go until nearly midnight ! I can

I can see as a cine-film that morning &

George-Saint-

ANDRE-our patient- who is to do as he is told .

JO

will come & smooth his brow when she has bathed done her cosmetics- arranged herself &-

ENTERED UPON THE DAY

...

I announce rather grandly I shall therefore bathe myself in the bathroom when it is free & it will be in cold water as it is my family custom in summertime-Tierra del Fuego-Ecuador-Peru-Argentina-Uruguay-Bolivia-Chile & A to Z !
have not yet been to Japan...

He has decided that with 3 people using the bath I can be put in the kitchen sink & soaped up! *My dignity suffered !* Then I realised I would think of myself as a flower fairy bathing in his teacup !

I had FLU` & sighing sniffing feigned disinterest

as with a sometimes tiresome person you have always known...

I now told him to ☐ `OH go away- I've got flu- & do not want to speak for 4 days`

...

He left hissing

`I I HAVE TO WORK IN THE HOSPITALS-DON'T GIVE IT TO ME

...~I SHALL BE BACK !☐ You YOU are not getting in the way of The Crown & MY MY MY WORK....`

~

I waited for him to go...

heard the arrogant

peep-peep

on his `little boy bait blue car`-

arose with high temperature & headache & now tied up the new caravan Sprite door on the inside~

3 days later I recovered from the Influenza headache & ☐ wrapped myself in woollies- felt a bit weak- but knew it would do my SOUL GOOD TO SEE THE SEA...& I went to Roman Britain East Mersea to gather seashells drift woods & glass on that then quite pure & un-attacked piece of landscape...where the Reverend Baring Gould wrote novels...there is a great church...

But he knew how powerful they were working for

A FALLEN EMPIRE OF GROSS BRITAIN

& horrible Nobles & Crowns...all penniless...

all HIGH ON THE PIN...

SHOT ABOUT...in the 20

th

century LONDINIUM...

I can remember my quiet happiness at the daytime beauty of the views at COLNE ENGAINE- & the frosts & grey-green silver sleet as I came up the hill from Colchester towards Gallows Corner- *(awful to think of them poor innocents very often hung over there...they seemed to hang upon the air of the place & I willed them comfort...no more could one do...I had experience of injustice...)* I took another

trip by bus on the 6

th

or the 7

th

January to East Mersea to get some more shells drift woods for my craftwork that is going to provide me with a pittance to exist upon but it may grow & I can then go on with my education & perhaps even buy the tiny meadow & POULTER WILL SAY HOW WE COULD DESIGN A ROMAN VILLA when I enthuse over THE BEAUTY OF THE PLACE....my FLU` headaches gone my strength returned WHEN

6

th

or 7

th

January-

Mr Malone DETECTIVE gave me a shock about 7.30pm `Malone detective- Hell of a time finding you out here-I've been away research-Harry did not tell me you were moving

...

I felt it had to be the farmer for he said `its quiet & safe-I walk the old dog some nights-we brought him from Kenya when we moved here...my son is at the Horticultural College...we can do any shopping you need or take you in on Saturdays...` I HAD OPENED THE stable caravan door without fear at 7.30pm END OF THE FIRST WEEK JANUARY 1960...

MALONE REPORTING...I HAVE A NOTEBOOK FULL...`

Comfort at the sound of his voice but I bewildered- what had I done ! But realization that what Aunt Terry Butler had said had some foundation- Words of explanation by Malone difficult to follow- then strangers taking a Night Watch- Something Uncle Harry Gordon said Xmas Day afternoon `Oh you remember him- before the war...he will come & give a hand...we called him Alan Ladd always packed a revolver...driving lorries up to Covent Garden...` A fortnight follows when I have a

rush of HOPE when I thought it was MALRAUX come again... but I unable to follow- not possible to LINK what he was saying- other things got in the way- HEAD IN A MIST... Then a Dawn Watch of ANDRE

ained & re-read 1970 The Pillar House) (expl

but I did not know whom it was by then for I had mistaken an `Uncle John` for him...

then the time became mists-

no time- lost time- important things forgot- except I AM A PAUPER & must earn my living-

LIFE AGAIN AS IF IN A MIST & PENCIL SKETCHES somewhere but NOT TO BE FOUND

....

MALRAUX owes me some small sums- pennies- silver-a pound or two-

paedophile Mengele

with his vicious dead fish eyes face his spiteful black tongue

stopped Andre's salary from Westminster Diocese 40 pounds a month-

At 50 Lancaster Gate Square it was all the time this awful dissolving mists & my lack of comprehension...the staff were living in & then did it not all fold up ? Had I not heard early 1954 that

dirty

JIM

& thugs

had fixed the lease on a place-

this Malraux place

- it was in a Square- they used a nephew of the ancient Duke of Westminster- The nephew keen to develop the Square- pull down- erect concrete commercial & shopping blocks

....no safety anywhere- Byron's childhood home gone in Hollis Street... built into the stores John Lewis...

We saw it 1953-1954...

I wrote later `where the only DAWN came from the memory & there were landscapes in the dark ..." trying to describe the removal of the memory day-by-day` - G.R.

1960 `& HE HAS TO BE A MINISTER OF GAUL- ANDRE MALRAUX- I had no memory of the happiness winter 1958-9...the girls Marks & Spencer getting him things his size-
The Menagier

de Paris/Goodman of Paris needs un-darned socks now- NOTHING WAS LEFT of that normality of the day by day- *Mengele Harrington & JIM* work for dough- dripping blood & gore from the slain GROTE HOMES children & the Ransom Estate A-Z...

Mid-February 1960- he does come with an offer of an apartment at a little place he has in his care- & all the detectives & colleagues will come to protect us at Versailles- I shivered with fear for I could not grasp the Progress of the WORK UNDERTAKEN FOR AN HEIR BORN ON A HEARSE

claimed by monsters who cull their own close born young too
(12 years old heir Lindsay down a Maritime Hole in Sea c 1910 newspapers/reports ` they all need to move up one` letter A.F.)

General de Gaulle had this idea...**MALONE** came mid-February with News & reading one of his 7.30pm Reports- by then I had MIST in my head & was scared of being attacked as in London- **UNABLE TO RECALL THE ATTACK EARLIER FROM WHICH DR JOHN RAY** saved me

...
CERTAIN DEATH January 1960

I said stiffly to Arthur Malone I had a home now- a door & windows I could lock... thinking this was so ` *when I was inside*
that is`... I need
my POST/mail...photographs of this vast important PAST...
Malone had spoken of two packages he had left early January 1960 but found I had not got them...& by end January they
the Malraux Team & Colleagues
included the
after working hours
amateurs
The Marsh End Boys
who had to be
alerted by Harry when they asked him
WHAT IS GOING ON ?
A girl who you say is your niece Harry lives in a field
& is followed about by all these men in the early DAWN
when she goes with a great big POT down the little lane to get water from the FARM
...& that IS MALRAUX OF THE SPANISH WAR-
our Mum said it is !

Malone said `they had all spotted January a peculiar figure in fawn raincoat unknown to any of us circling about the fields early mornings...& that this was where the Post/mail went... THE Centre of Operations was a room in a cottage away from shouting distance to Greta nearer to the Marsh End Boys...THE Detectives & Colleagues DO NOT MOVE INTO THE GHOST COTTAGE opposite the Caravan UNTIL AFTER 17

th

February 1960..

That was the day MALRAUX came on another fast visit out of GAUL & looked at it ...& could not understand WHY

GREETHA

HAD NO MEMORY OF HIM but belted down the lane-had he upset her ?

COULD SHE NOT FOLLOW IT WAS A SERIOUS MATTER-

He had been persecuted for years & JO had died...`

I saw him early morning come out of the hedge which gave me a shock

(1970 he explains he was looking to see if they could enter by the back & thus avoid the publicity they had been getting...)

& knew he was alive & not a ghost because he had condensing breath billowing from his mouth into the icy frosty morning with some white mist... & he slapped his LION

GLOVES that the boys had given him for his birthday 1957 & said tipping that hat which looked like SEFRIS poet hat borrowed again...& said `Goodmorning

`...(1970 he says I gave him a shock !)

IT HAD ALL BECOME SO UNREAL...

Brown rvnr had said 1

~THE CLUB said

JIM

was putting it about Greta Ransom **COULD RUIN**

MALRAUX

career **IF SHE COULD REMEMBER ONE THING ABOUT LANCASTER GATE SQUARE**

THAT MALRAUX WAS AN ILLEGAL IMMIGRANT

& HE

JIM

HAD BEEN TALKING WITH

3 BROADS & A GREEK

ABOUT HIM & they were all concerned

Malraux was harming de Gaulle-

further Doctor

Mengele

wished to keep **MALRAUX IN FRANCE** with his women- Malraux needed lots of tarts & that sort for a bit of fun

...

Greetah

had a bad reputation because of her mother & they both could harm de Gaulle

...(

nota bene

:

JIM JONG born 1898

has known Greta Ransom's mother (born Nov 1906) very well since 1919 & the early meetings are probably as with ANGELA (born 1900) when they are children...

JIM IS A PIMP

...& CRIMINALLY INSANE ...

All of them are high on DOPES...ON THE PIN...)

Brown rnvr ruminating said `he is called a dirty little brute & nobody trusts him but he has been allowed to get too powerful up there...the Club is a centre for gossip & spying on The City ...MALRAUX is a fool not to have checked that Lease on that lovely house Lancaster Gate Square

...

they are going to rip off money at sometime

in a few years

nobody trusts JIM

` He said a man he trusted at Naval Intelligence had shown him how they fitted listening devices into cars

he said only talk when we are 40 feet away from the car

he had shown him again how to check his car for this

...

but they

,

d been able to do it since 1955...` (D.B.rnvr)

I

HAD NO MEMORY OF THE NIGHT WATCH & DAWN WATCH TAKEN BY MALRAUX JANUARY...but a muddle in my head about some Guards outside the caravan recently...

Like

Malraux & de Gaulle

when they walked out of Office

...

`we left because we could no know who was telling the truth & we were weary

` I did not know who to trust

I needed it all written down

a typewriter in the caravan January might have helped

We are searched `for the Lords & The Crown` you know

17th February 1960 upon seeing MALRAUX- & I felt I had no memory & was very misty in my brain... & a pauper... & had nothing in my head to make words with...I did feel a pauper & crushed for being so...& perhaps he had friends in the big houses about Colchester & did not come to see me...I past on...

THE REALITY OF THE HEIR ON A HEARSE THEREFORE HAD NOT STAYED FIXED IN MY UNDERSTANDING...it needed to be written drawn & a Deputation come in daylight lead by my father his relatives still alive...Malraux...kind Malone & perhaps Harold W. Poulter... ABOVE ALL JIM & MENGELE HAD TO BE DROPPED IN A LIT VOLCANO...there crimes are so bestial ...**(We owned a volcano in Guatamala 19th century...Fred Ransom needed it for some mineral mix...Margarethe said so 1937...)**

I was heading for Colchester Library that iced morn & had some things to look for in books-I had just had 2 cups of tea & so was very MISTY...The bus goes in 3 minutes & there will not be another for 2 hours...On the bus I hoped he ANDRE might follow me into Colchester so I looked in at Hollytrees Museum...let Mr Sprack know I was about...said nothing else...I cannot easily frame sentences...compose anything in words...a typewriter would have helped...but *Mengele* would have it broken up... (enlightenment came with Notebooks read by Malraux 1970 The Pillar House)

A visit from GAUL- end February ? 1960-Andre MALRAUX saying 'you can bring this tin-can too' when he could not grasp my lack of comprehension- in my mind no heir has arisen other than if there is some moneys then they belong to my father whom I have not had live with us since 23rd

December 1939 when he was sent off to the Philippines to be killed... I need the photographs these Noble scavengers & Vagrants have all stolen- I have no memory of Len or his little ballerina mother Jean Weddell my grandmother- her families in South America DO NOT EXIST FOR ME-

The Doc

Mengele

paedophile Royal Satrap

Gollum

wants hold of

MALRAUX

OF WHOM HE IS CRAZY WITH ENVY... Nobody tells me now I was out of Britain 1935/6 eight months touring GROTE HOMES with the family-

AH BUT THE MAN DOCTOR JOHN RAY of whom I have now NO MEMORY a few weeks later has tried tell me & read me on a tape & played it outside the window when he was on that NIGHT WATCH fortnight taking his turns...

The madness was back !

MENGELE

valued for removing memory so scavengers can get hold of moneys & Funds of old people went by Gallows Corner February 1960 tooting in his blue little boy bait car-then I heard he was in the Cottage with Malraux & a great luncheon took place- Doctor

Mengele

Harrington came with a HAMPER from Fortnum & Mason-

This gave me no confidence.

Brown rnvr acting in a fatherly caring manner had turned up with messages & some little household items from his mother at West Hartlepool- it gets queer- she came to bring me a bunch of tulips autumn 1957 to 50 Lancaster Gate Square but was told she could not see me by either Mengele or his Dames...

Clearly Brown was being offered money to play crook-traitor-for Lords & Crown...or was he being blackmailed- probably both.... Doc

Mengele

was without clothes at nearly 11.pm swinging an implement of metal & wood from the sounds in the hedgerows & he also had the finished ham bone in one paw wheeling that ...he had come into my meadow & was saying he was going to BREAK ALL THE CARAVAN WINDOWS- It was Brown drove him off ! It was 36 hours before

Mengele

LEFT !

Mr

Mengele

should have been PUT DOWN BY ALL OF THEM

-□ he has hideous murders for sadistic fun-he is crazy on DRUGS !□□ He is a convicted paedophile pre-war the Continent!
He attacked for at least 6 weeks a year old child !
2 years in a Nut House Great Britain did not cure him.
He was employed on this Crown FRAUD & VIOLENCE work by 1938 !
All these old Noble Vampires know one another...
penniless they are scavengers vagrants since 1890s...

I began to feel very childlike- that was a sign of somebody doping very much my beverages - make a cup every 2 or 3

hours & there is no memory of □ 2 minutes ago

-□ MALRAUX WAS GENUINE & desperate for a home & settled life with children-it was now 13 years since the marriage allowed by `young Paccelli`-

Our Team are first-class but we need 2 dozen such-
Mengele & women

,
Brown rnvr & Teresa Gordon R she now turning up to insult me with
`will you EVER go out to work again...& what TALK you have about here... with all those men in that cottage...

`□ I TOLD HER THERE WAS
NOBODY

IN THAT COTTAGE EXCEPT 2 old people came & cleaned the windows & tided the garden & the woman who had lived there had died...

SO SHE WAS SEEING THINGS

...□ I was determined to not have them interfering any more...

THEY ALL KEEP TRYING TO KILL ANDRE MALRAUX & ME...

She Mad Mother Kali Clytemnestra hangs about the ghost-cottage some evenings- men from WHITES known as JIM's THUGS run her down from Scarlet Town

...

I was considered a source of leaks I think after May & there was the painful matter of Philip Silverlee's daughter murdered.....

1960 end of February NEW YORK.... Then the theft of the briefcase that Malraux & de Gaulle were waiting for-□ 3 Wills- documents- letters- extracted- the messenger made to wait 2 hours in a hotel room-knocked out said somebody-ONLY THE UNIMPORTANT REACHED MALRAUX & the GENERAL...

For this PHILIP SILVERLEE's daughter 28 years old murdered in ARGENTINE- May 1960- she had gone to the old solicitors Argentine and got everything- met her father in New York & they had got from Grote files the complete histories-□ THIS WAS VAST

FRAUD-THEFT-on a gigantic scale- underhand from the late 1930s- Kennedy wished to make the British Government & Crown pay it all back !
