1939 23rd Dec. Clacton on Sea, 112 Vista Road- Report Greta Ransom 7 years in March 1940 : It is about 2 pm & the friend had handed 2 letters to my father -Postman has just delivered them-afternoon post-
Travelled via Shetlands to Essex from M. de SALLE and family-
ordered out of the big warm all conveniences RANSOM house on our Island Jacopsholmen West Greenland-
by JIM & thugs
-acting for Crown
&
War Office -
the Nobles there must have the bowl out for gold pieces too then-

We were putting up the Xmas decorations- paper chains & holly, evergreens-an Xmas tree in the long drawing room that stretches across the front of 112 Vista Road the 'Pearly' HOUSE AT THE END OF THE REC- HERE Georges-ANDRE COLONEL MALRAUX George will come June 1945...and these memories can be read by notes from both of us & oral..1950s...1970s...

1939 23rd December... *Sheshe* was mouthing 'I do not want paper chains-they are old fashioned-I do not want anything up for Christmas ...' We copy other homes we have known-paintings-photographs-it is nice to make a Christmas as one the Ransoms or Gordons have enjoyed in the past...MY FATHER, only 28 years of age November is very anxious-reads the letters twice- tells

She
says

She

went to the front garden to the gate...watched him go- then returned crashing about
- later she will put some sleep making dope in my lemonade...

I was hidden behind a great sideboard making paper chains- I had learned enough of the letters of despair...Sarah was writing one & my father read it in distress`

SHE she talking to herself now my father FJR had rushed to Post Office... swooped like the Vampire they all are now they are in their 40s... picked up the telephone and dialled a number-asked for another number and said

‘
Its Teresa-THEY HAVE GOT NEWS OUT-2 letters-I have sent him to the Post Office to send a telegram to his brother at his Unit- to telephone him

...
A ship came in and took the letters-Shetlands

...
Very well...I WILL SEE YOU UP THERE...`

I felt dumb & dwarf like for I am 6 & three quarters & only just beginning to stretch out in height... I have spent my life hiding from her in her rages ! (SHE HAS PHONED MR PONG with a 2 Man Unit Intelligence back of Buckingham Palace...all of them have been RAVING about this place since 1921...)

My father returned after an hour & a half. She wanted to know where he'd been. I think he may not have told her all.

He probably got old Grand-daddy Potter Town Newspaper & Printing Works- & Lifeboat -

Get the family off the island ! Take them to New York for Christmas- or to Aunt Frobisher in Canada & uncle Paul her husband...they lost a son at sea 1937- it was probably the usual dirty work- grabbing our properties & prominent family members...too many accidents in this family !

December 1939- My father did not know yet that the British R.N. swiftly put a Watch up there-nobody to go on the RANSOM Island AND GET THE FAMILY OFF ! ALL A NATIONAL INDUSTRY DONE TO PROTECT THE noble CRIMINALLY INSANE
FROM BEING FOUND OUT IN THIS MASSIVE FRAUD VIOLENT MURDER-

1988 January PJPW The Pillar House Harwell.... **MENGELE KILLED YOUR FATHER (FJR)**...he had no need of an operation...then his brother went missing Montrose due back to USA to take up Senate Work (JRR)... this was the cleverest in my opinion of your relatives...whom you did not know because I **WALKED IN ON IT**...& a type of creature I loathe came using the Imperial Fist & threatening **MY WORK AT THE MUSEUM** November 1967 (*reference the violence of dirty Jimmie James Mr Pong Kenya 1944-1953*)...

..
.when I
(*a young man of 37 years born in Kenya a twin...there's a lot here that had the DOG's POUND OF HELL FEAR EXPOSURE*

(*of crimes few would stoop to...*) had little knowledge beyond some cryptic words from a man I helped with references for his book on *The SEA (Richard Carrington)*...

You could tell me nothing beyond he a tall man in a raincoat whom you'd always known but could not remember...had given you a room for which you paid 20 pounds a month...in this beautiful house where Mr **POULTER** of **COLCHESTER MUSEUMS** came & stayed a few times but you were not well when he came although you saw him one morning on your way out...**YOU HAD ME BELIEVE IT WAS A PLACE WHERE CERTAIN MAGIC POWDERS WERE IN USE**...You were there I was certain from your first poem **SEPTEMBER 1957 & YOU LEFT THE END OF MAY 1959 TO HELP YOUR MOTHER** with the Jaywick Shops... That another you did not like a little fat man & another you recited that little jingle to came in & took all the money off this man **MALROOHX**... You did not seem to want to speak about it...you took me to see the place a cold misty night I recall November 1966 when we both worked in that Classifying House that great building to **COMMON SENSE & NATURE**

Now I regret this lovely house is a Hotel...(*50 Lancaster Gate Square the beautiful HOUSE of our further DESTRUCTION by things from A DOG POUND OF HELL*) .
..but you were clearly nervous & I did not **ASK QUESTIONS ABOUT YOUR FORMER LIFE**...because as I told you...you did not seem to know where you had been the last 9 years...I **DID KNOW OF CERTAIN MAGIC POWDERS**...that you had worked at Colchester Museums was sufficient for all the Natural History Museum to be happy about...I did not know my **ELDERS** knew much more about the man in the **RAINCOAT** who reminded you of some records you had...by Glenn Miller... **WE HAD WORK TO DO** & both seemed to be busy although we both had

a tedious parent...somewhat...but we coped cheerfully...

AS WE WERE SUPPOSED TO DO IN THE 1960s DECADE...& I had some experience of this type of person my days in Cambridge & Kenya...

BUT you did not really at all seem to know where you had been the last 9 years...yet you could tell me of obscure Museums & collections of old...this was very usefull...we took to meeting lunchtimes at the V & A lectures & snatching a quick cup of coffee with Kate or others in the Lyons little cafe South Kensington...I had Teddy & the kids & Gestapo to manage at Harwell...

I can only say IF I HAD KNOWN CERTAIN THINGS THEN PERHAPS SOMETHING COULD HAVE BEEN DONE...to STOP MADNESS...sheer MADNESS... I did hear they were using some peculiar drugs... LETS KEEP THE KIDS FROM HAVING TO WEAR THIS CHAIN shall we...yet I fear it has gone on too long

...

Dr Peter James Palmer Whitehead who in a month heard he had 5 YEARS TO LIVE...a tumour began in his brain & his writing was often backwards...

SUMMARY : Perhaps the last chance TO HALT THE KILLING FOR THIS MONEY WAS XMAS 1959 February 1960...BUT THE MASSIVE CRIMINAL ASSISTANCE EASILY AVAILABLE FROM THE BRITISH REALM INTERCEPTED THE COURIER TO General de GAULLE....

He and ANDRE MALRAUX were awaiting the WILL...WILLS...

as soon as they saw it was a legal ESTATE then the matter was in the hands of RANSOM family and others helping

Detectives Colleagues of Andre

Malraux from Colne Engaine/the WORLD/

Imperial cunning had messages sent to Malone & Silverlee & Ransom brothers that de GAULLE & MALRAUX had received the Papers...AND WERE CONSIDERING...

Had de Gaulle & Andre Malraux received the packages then the PLAN WITH THE NATIONS OF GROTE HOMES A TO Z the globe to OPEN THE DOORS ON FRAUD VIOLENT CRIME WOULD GO AHEAD swiftly the last days February first days of March 1

960-

The exposure had every chance of stopping NOBLE BRITAIN getting more & more blood dripping criminally insane...a mounting genocide...a word being used end January 1960...*a newly invented word it was* - There was an opportunity TO HALT MADNESS...

An examination of the RANSOM Grote Estate has persons believe its destruction by the greedy has lead very much to the HORRIBLE STATE OF THE GREEN EARTH...& THE BLUE SEAS....

THE NATIONAL INDUSTRY created by Noble Britain to hide the GROTE RANSOM WEDDELL GENOCIDE had very little wages to pay...more records of Ransom Weddell Gronlander families disappeared from Collections-documents- ALL POST/mail was stolen swiftly- deceit reigned & vulgar persons had long black tongues seen to be hanging out- they were usually the thieves fraudsters into 2 & 3 generations now...& in no doubt of the massive numbers of the slain GROTE HOMES children- After awhile it became obvious the heir did not know anything of substance beyond 1950s &

Mengele HARRINGTON GAVE OUT GRETA HAD SO MANY SINS SHE WAS STOPPING HERSELF REMEMBERING ...

Mengele was anxious that Greta & ANDRE MALRAUX did not speak not even about LIFE AT 50 Lancaster Gate Square - It was plotted to keep RANSOM family from having access to The Pillar house & they were turned away coming one afternoon 24th

December 1968 by 3 or 4 cars full of filthy Noble foulness -

Murder & maiming went on overseas

An American lawyer missing on the LINER on his way back 4 days across the Atlantic-

some retired Police etc. began to assist LIR from 1972...& got threatened as soon as **ANDRE MALRAUX** died Nov 1976-

Len calls her `The Maniac of Mainz` -

she took

and defended her brother on the steps of the castle-
she was 15 years.

It was felt she would like to make a HIGH marriage but she preferred the Trader JACQUE RANSOM with his golden hair and blue eyes & married him at 16 years of age- she had 12 sons- the USA has some Ransom lines reaching back here- We appear to be from the eldest- RANSOM...

RANSOM HISTORIES show the fortunes of the family & it is seen they are humanists...

1954 Ed du *tin*-Cann tells a room of high educated medics 1954 January "Heroin-my doctor recommends it-I have used it for 11 years-GIVES YOU ZING.." -

He has helped destroy the families that gave him life

1924 MARY GORDON insisted HIS FATHER'S FAMILY find a good childless
COUPLE-pay for a Nurse-and raise this child- `IT TOOK TWO PERSONS TO MAKE THIS
CHILD` - When he is 2 years old an adoption certificate was written for him/copy
deposited/shown 1978-9/-he was causing trouble at the school of Victoria and little Peter-
The Headmistress said `this is Peter and Victoria`s school- his child will leave ` Li
ttle Peter said `she had a gang of 6- but she did not hit me
...` The school was not too keen on Gang leaders-

When MARY GORDON died a 2 man legal Team came to her sisters at 'Stella Maris'
wanting to take a painting- & asked his educated & holy aunts and

Miss Winifred Gordon “ had Mrs Gordon left MASTER EDWARD any money-”

ANDRE MALRAUX was there one afternoon in July 1946 and he will have this explained to him in the years ahead- Annie Carroll Williams-Artist sent them packing...

I

Greetha

Ransom came along from Convent School a 3 minute walk away- ANDRE George looked puzzled & I a young person of the families was not told the matter...

Annie said - “ the man Edward is now a grey pool in a forest to us...while my sister was alive she did her duty-she tried to see he lived a good and holy life & she saw he was given a very good education a chance in life-it took two people to make him-not just the fallen woman his mother... No you may not come in and look over our home-for I do not know you & this is a Holy House...”

HE & HIS FATHER du Cann *law* (‘a penniless lawyer’ says Winston Churchill January 1960 to Philip Silverlee man of letters...) kept TERESA GORDON from psychiatric hospital when the Marital Court 1946 had said she was to be placed-indefinitely- for poisoning her mother-and other serious matters of violence- He/they told lies in the Marital Court August September 1946 & had no right whatsoever to attend ! He is one of her bastards ! He brought upon many people violence & destroyed lives- terrible hardships- by cunningly helping her sister Winifred delay putting Teresa his mother in the NUT HOUSE for poisoning his grandmother Mary Gordon whom he sent to ask IF THERE WAS MONEY FOR HIM NOW SHE WAS DEAD ! He insisted a mad woman his mother be free-so she could go on supplying him with information on the GROTE RANSOM ESTATE & HARMING GRETA RANSOM & her brother little COLIN Frederick RANSOM heirs -he has helped the criminally insane probably because he is a dope addict by his own words from 17 years of age

I answer this tall man with flat cap and stick whom I know by sight & will be repeating his word `pervert` to the next enquirer of why I am standing there alone rehearsing for the next enquiry which I fear will come...for they know their dear Frederick Charles is widowed of Jean ballerina-

" There is a pervert in the Marquee- Jimmie Mr Pong...& he tried again to poison me with a glass of lemonade-I knocked it over` I will relate in firm way to who comes next...

I watched Mr Tate (*possibly the brother of the other Tate boy who founded The Tate Gallery ?*) as they went down to the gate where a Policeman is stationed & I knew he had to convince Mr Chartris to stand by what they had all heard

but Mr Chartris is National Gallery perhaps it is and he fears that D. Lindsay THE EVIL FAIRY he is called... they all encourage JIM JONG...& Ettie has paintings and things...

Immediately came old Lady `Tachel` Greetha-why are you standing here alone-where is Frederick Charles and **JEAN IS DEAD-how terrible-**
WHAT was Mr Tate saying to you ?

I reply they have gone to get the Police-there is a PERVERT in the marquee...they say Ettie

(Desborough

) is not safe now she has NO SONS...! ”

(They do not trust Mr Pong)

Lady *Tachel*- She has begun to say she has her frock on from India-it has a bustle from the 1890s ...it is a nice luncheon where some of the old SOULS wear their old clothes- this is her yellow frock-she has a pink one too...sprigged flowers all over it...she has reminded me JEAN is dead- & here *hath* come with Grandpa me is Jean's sister Aunt Baxter who looks very sad and grim almost-
like the painting of James SEA-her grandfather she never knew for her father James his eldest son born 1825 was 60 when she was born to Minerva-Olivea who was 41 years old then-

Both daughters

trained in ballet but it was Jean who rose to be a ballerina & choreographed the Spanish dances for ballet when she was married first of all but he died of appendicitis- then she found Frederick Charles determined to have a Monument to The Weddell Sea as everybody laughs happily when they introduce us

...

but now JEAN is poisoned & I am not to say but help poor Lennie who is only 17 years old & lost his mother-

Aunt Baxter married a book binder Argentine-direct line of Dissenter Baxter who survived evil old Judge Jeffreys !

Aunt Baxter who has two beautiful looking sons- one with golden hair-(they are murdered 1953 in Australia by Jim & 2 Lindsay)-

But she is not delicate faced like JEAN but is more like me-sturdy- I think it is that we have got the jaw of SAN JULIAN her great grandpa the holy INCA and philosopher brave when he goes to the Weddell Sea and sails all over the sub-arctic- *Our jaw I have heard it said is too firm a jaw for girls...*

it looks alright on Cousin Clarke Gable

...

...IN 24 hours Mr Tate so kindly and tall was dead-he was supposed to have left a suicide note saying he had offended JIM-and the Crown... Mr Wayland wa

s kicked to death

-Mr Chartris persecuted
