1960 (*Politan* & Detectives Colleagues Andre Malraux) **IT IS NOW KNOWN THAT JOSETTE MALRAUX GOT POST/mail she collected in Paris for ANDRE MALRAUX at an address they had used 1930s... *He had left for an unknown destination that day & she decided to call as they had just remembered this address before they parted...It was 1944 the end of October- reading it all by early November 1944 the 32 years old girl with 2 tiny sons was very upset***

...

Her mother had arrived by 1

st

November & confirms her daughter was upset & she believed it was because the place was big & cold & she seemed to have some writing to do

...

She JOSETTE saw on the Papers/documents/letters the name of the child GRETA RANSOM who had shared Summer 1937 Clacton-on-Sea & East Anglia with them... She could recall the child talking of AN ISLAND IN THE SNOWS where a church with paintings a theatre a College being built steps with all the names of the children on & where she had been the year before with LENNIE who was only 15 years but HE FLEW PLANES...& much more...FOR SHE HAD MADE SOME NOTES IN HER WRITING IDEAS BOOK...HEADLINES sub- headings in green red blue inks...Andre insisted it was the child's dreams...

`JO...SHE HAD TO HAVE BECOME VERY FRIGHTENED as she read the correspondence & thought back 5-6-7 years ago...& there were photographs...

**IF ONLY SHE HAD NOT MADE ENQUIRIES ABOUT THE FAMILY de Salle ....SHE TRIED TO DO AS A LETTER ASKED....` find out WHY the British would NOT allow a search of JACOPSHOLMEN the RANSOM-Gronlander island off Xristenshab...there were 78 miles of the island & the 2 girls of the family of Monsieur de SALLE & his wife of the Norwegian Poulsen Gronlander family were believed to be alive-it was feared the two tiny boys were dead in the Arctic winters...& the parents had not been seen since 1941...**

**1939 The family had sent distressing letters December 1939 reaching Frederick John RANSOM 23<sup>rd</sup> December at Clacton Essex but he had been sent abroad that day after receiving them...he had however told a relative who conveyed information to them Grote Brokers...they had also received a letter from young FRED RANSOM Greta's father 1943 but he was asking them what had happened... The letters from M. de Salle tell how the family of 6 with 4 children under 12 years of age were THROWN OUT OF THE RANSOM BIG WARM HOUSE 9<sup>th</sup>**

**December**

**1939**

**by someone they knew from PARIS where his mother had an Apartment with her sister-2 Chinese women educated & well off...**

**it was not known why this had been done...**

***no replies could be received from London only phone messages from Whitehall` the matter was receiving attention` ...***

**The man they knew half Chinese was a British Major & came**

**with a British Army Squad ordering them out of the very practical warm Ransom home on the island/**

**So much they could gather from the letters & from other persons England who could tell them of an unpleasant situation for the families Ransom/de Salle/Poulsen/**

**1938 autumn**

**...M de Salle had visited young Fred Ransom's father in London and it was all arranged he might take his family to the Island...Paul & Veronica Frobisher Canada would send stores furs & might be able to send them some assistance...another member or two of the families...**

**STORES had been sent from Canada 1939 & should have arrived in the early autumn if not by the summer months...` (JIM Pong & G. B. carefully spied upon de Salle family**

from 1938 & it was Jong who had the STORES from Frobisher family stolen summer 1939/

1960s...Research Malone/Silverlee in the field with Dr John RAY (*his research 1948 onwards*)- FJR and LIR- Argentine Solicitors Etc. Grote Brokers New York, Frobisher Canada/

**IMPORTANT POINT** Josette distressed at the cheque book withdrawals by ANDRE -□ it was sent from New York by Grote Brokers/Ransom Solicitors 1938...They now 1944 asked what the sums drawn on the cheque book sent to him were for ?□ & he is asked **NOT TO TELL WHO THE OVERSEAS ACCOUNTANTS ARE...** Nota

bene : the sums drawn are large & this would require KUDOS to forge his signature for such amounts...Gross Britain Whitehall the Lords & the Crown of course had the technique to do this... T

he ordinary lower Class bloke fag in mouth would not be able to continue this gigantic FRAUD in a hurry-

A Noble gang could of course...standing on its Fallen Empire flashing its diamond teeth...

JOSETTE she WAS DISTRESSED by the correspondence **she tried send ANDRE a note by the RESISTANCE-that did not reach him until after her death/ IT HAD HAD TO BE PASSED WORD OF MOUTH-** her note destroyed by the first person carrying it -

it arrived via 3 persons & the last person could only recall 'SHE WAS WORRIED ABOUT AN ISLAND' later he Courier French resistance number 2 recalled a little more but it did not make sense to Malraux...IN 1959 CHRISTMAS it made sense to MALRAUX... she had died because of all this Estate & his Guardianship....

Her mother describes her early November 1944 as walking about saying 'but he has not had a Cheque Book' ... She believed her daughter was writing a story for publication to earn money ...(or that her daughter had got tangled up with a forger who had now disappeared...?)

The visit was a difficult one & Madam Clotis left early in a huff...9 November 1944 Jo putting her Mother on the 9 am train then falling on the line/ (or was she pushed by another person as the two men say visiting Xmas 1945 to Clacton on Sea one from the British Foreign office the other War Office-visit to Elders of the town ...)

...

JOSETTE could hardly tell her mother this whole SAGA that she was suddenly presented with reading the Post/mail...SHE JO... HAD TO KNOW WHEN SHE HAD READ ALL THE CORRESPONDENCE that she & ANDRE MALRAUX were in danger... THE 2 GUNMEN SENT BY THE British Consul FRANCE end October 1944 had Orders to KILL THE WOMAN & ANDRE MALRAUX... Only Noble Britain could organise this GREATEST CRIME OF MANKIND...

*You piles of dog`s dirt along a street...a seafront...URANUS is the place for all of you...*

Philip Silverlee left Gross Britain for his 28 years old daughter's funeral & stayed using his KUDOS to keep these filthy BRUTES away from his family ...He may not return for 2 years to London Town ...*(diaries Malone/Silverlee/Malraux)* *Incidentally this dead young woman was met when a small child in single figures 1930s by Greetah & Lennie Ransom when with her parents and brother she came to Frinton-on-Sea & came to tea at Mary & George Gordon's sweet little home `Crail` Clacton-on-sea... And her father Philip played Winnie's new piano... He was asked by Greetha to play The Cathedral Under the Sea Claude Debussy...***

Important points : The research & vast records of others -

I still cannot follow from the archives exactly how Josette alerted Noble GROSS BRITAIN she had these Papers from GROTE HOMES Brokers & RANSOM SOLICITORS... She Josette may have called upon somebody Paris before she left for the Charentes end October 1944 that afternoon...or telephoned immediately somewhere Paris... *There is a man she regarded as perhaps a father figure of letters & he is said to have committed suicide 1946 but is branded as German sympathizer-as `YOUNG PACCELLI` ...* Clearly the BRITISH CONSUL in PARIS summer 1944 WAS ALERTED TO THE URGENCY OF REMOVING ALL POST/mail for ANDRE MALRAUX from Paris ...He comes to take up his DUTIES for G. B. at the LIBERATION OF PARIS 1944...

Eye witness & oral (including Andre Malraux) say that Clara Malraux was found by *Mengele*

paedophile Harrington swiftly at THE LIBERATION of PARIS & they met at a Café table Paris summer 1944

../he had a Post England in War as Director of a Scientific Establishment-he had NO SCIENTIFIC TRAINING WHATSOEVER.../

“And she took up the association immediately-  
1938

it had been sexual & she took a long holiday with him...

Harrington later to be called always

*Mengele*

therefore 1938 is ONLY JUST LOOSE FROM SENTENCES FOR PAEDOPHILIA

1960 Reports Detectives Colleagues Andre Malraux :
