

We arrived back from this afternoon- I in a white frock & green coat-black patent shoes white socks-straw hat Granny Mary Helena has made me with some little daisies on it...

white bag on strap across my chest & full of money from Granny-Harry & Augusta-that-sweet-grey-girl a Frobisher who gives me a monthly little account for school things & such matters as this ... (

JIM & Lindsay 14 killed horribly her 15 years old adopted daughter in ROME-she was returning with her Cello-

THEY WANT ALL OF AUGUSTA's MONEYS...

AUGUSTA Frobisher is Napier & Ettrick lines to Millie Frobisher my grandpa Ransom's mother)

...Stella stars/our hostess... & Freddie by the kitchen tables of the generous kitchen-living room were to call out ' You monkeys-we thought you must be still sleeping- & it was only when JO got up we found you gone- we were thinking of sending out the search party, you monkeys-' (Andre & Greetha are monkeys now...)

JO did not mind-she was able to rest-write-& think what she will wear for The Dancing. She says ` Greetah has made him so good I do not recognise him-IN THE DAYLIGHT-'

1937 There's a lot of boogie-woogie blues played at this time-very cheerful-Mead Lux Lewis-Albert Ammons-& the Master-YANCY-Wirelesses are on all day-seldom off-but turned low if there's conversation- I am born in the age of BBC-1931-I have the Radio

Times of 1933...

We had come in after 6.30 pm for he ANDRE did not want simple tea in the tiny Geisha tea shop with pink & white coconut pyramid cakes so special...where Aunt Winnie & I take lady friends- but a big place he say`th-
causing some anguish to my code of Grote-Ransom-Weddell care of moneys for personal use

!

But he explained he wished for a big place where he might sit & study people...

.

thus we had a High Tea

(a place called Cordys when he cometh the Widower summer 1945)-

The food will be described later-it is a very pleasant menu for late afternoon in summer- & he liked me curtseying

-□ as I always do when in a frock-but never in my usual weekday garb when out of school uniform- I do not curtsy in the shorts made for me in Scotland in our Pirn Mill on Arran-they are tough -but I bow sometimes with hands neatly folded behind my back...

I am taught this in my role as HEIR to MARGARETHE GIRL OF THE SNOWS...

For this afternoon I had changed into my Sunday or duties & invitations clothes- & was a girl & I like frocks but not when Lennie & I are

FLYING UP TO GREENLAND FOR A BEER

...

or to THE WEDDELL SEA almost FOR A COFFEE ICE CREAM !

CHARNAL HOUSE/Hearse Martyrs....Lennie & I sold this Pirn Mill to Uncle Grandison in 1938 as he has the skills-but everybody agreed we retain the ground as Grote-Ransom Estate-a Dr Miss Bunty Grandison-Reptiles-British Museum Natural History in the 1960s talks of him as `Uncle Frank` - she another who died

after they JIM

1756-1840s West GREENLAND- GOOD PEOPLE- Jacop eldest son of POUL Gronlander & his Carlisle wife Margaret Yates-
his letter `on father`s death` is reproduced in 4 Vols.

History of Greenland

-Finn Gad 1968-1970s

- Jacop eldest child is 15 when his father dies in the accidental shooting-POUL was teaching a Company employee to fire the new gun-
Jacop's brave little mother Margaret of the .gold curls the blue eyes had taken a rowing boat to rescue some children-they all drowned-
POUL

was away at the time

...

Their 5 children were orphans-□ JACOP with help from elders of the COMMUNITY & Church West Greenland took charge-saw to education continuing

-

His father had left him well off-

Jacop was not tall like father, he was dark haired & not with his mother`s golden curls...
a boy raised in a

rarefied

Gotharb West Greenland household

with literature in several languages- at the forefront of medicine so far as the 18th

century could-his parents believing in the botanical-not the animal cures-he an 18th

century enlightened youth

-

He Jacop had a certain amount of CARE WORK for his father's Religious community- eventually he went to

Noroway

to train for the Priesthood himself-he was 29 years when he felt he could think about his own career... but by then he'd a broader mind- he had a belief in hypnotic markers for the brain

-a form of SELF DISCIPLINE-

but he'd been left too young & with care to have the brilliance of POUL & the culture of Margaret- nevertheless it was all there in his early learning- & it is to Gertrud his daughter he will in abundance hand it on...

She is the figure in several

Delacroix paintings...noticeably in

Sardanapulus

(Louvre)...

where she is the exotic figure with indigo veil

...she is also painted as Saintly figures...& by other painters France...possibly Russia in her 40s & 50s...

Dr John Ray Ransom LETTERS FROM JEAN *HIS MOTHER*

Read by him on NIGHT WATCH JANUARY 1960...Colne Engaine/Detectives Colleagues of Andre Malraux 1960/1961

`He married-Monica (?) -Norwegian father French mother ` her mother French was ` a bit of a maniac-

but disciplined & of good stock-she brings the dark hair into the family again

-` the Poulsens` have it 20

th

century-but we go far because of F.R. who marries Gertruid-except for IVY Jean who has the black eyes the black hair & the tiny stature of our mother JEAN-she`s North South Poles -arctic & sub-arctic as it was called then

...

`Jacop has his children well educated- a humanist broad education they acquire, holy, but a certain input of the Arts-music-theatre-ideas- not just the Classicism-science-nature and holy work of his parents household- Yet Poul & Margaret with the dolls gave performances of Shakespeare plays AND POUL WROTE HIS OWN HAMLET...the Greenlanders always came to the same conclusions as Shakespeare....

But the devotion to nature-the commonsense understanding of a world shared with other forms of life-the dependency-was born in them-it had been passed on from father Jacop from his parents they never met-

and Poul`s mother-a girl an Eskimo a little bit French-who read Lucretius-& spoke on astro-physics and matter to her small son POUL before she died when he was 7 years of age- her parents seem to have gone travelling Europe- Venice we hear about...

It is this independence of thought that will have his daughter Gertruid ELOPE with the young `Millionaire` FRED RANSOM-

He & his brother JOHN own 19 acres under New York-that `parcil of land` their father bought when Antigua was becoming lawless & he felt the happy domestic homestead of CAIN their second son could no longer be the main home

-
(his 4 children are Fred-CAIN-John- & a sister-who married & went to live in California-)

JACOP in 1770 age 20 years old is given the Island `for father`s death` Jacop was determined to have church-College-holy work begun-

His children were all fiercely

Greenlanders-

hoping for Independence

- they dressed in Eskimo garb or Western clothes- in Great Britain only Western clothes~

JACOP is half British

a family of Carlisle-good stock- a Frenchwoman married in way back-but otherwise all British stock-sea people-

Nota bene: All these people joining their lives are very well educated-tolerance is a feature-HUMANISM !

They are all of SEAS people ancestry-

1820s there sailed into Jacopsholmen Island the RANSOM brothers of Montrose Farm with many Estates the globe... Fred & John they had lost their parents recently - they had distant kin Greenland- back to Icelandic Saga centuries- & could count their ancestors & the Ransom Brides on their fingers-as they counted their crew-

Old Jacop inclined to the aesthetic & holy & humanist learning was only anxious to get a College up

...

He

did not at first approve the Plans the RANSOM boys put forward for workshops on his Island

-

but he had NOT his father POUL's skill with moneys & trading-

But a furniture shop began- the oak ballast lay about the shores from previous centuries-

CHRIST WAS A CARPENTER -

An enamel works- but after a short time F.R. discontinued it- technology not good- he returned to metal pans and utensils- Began from his scrap metal to think about a

GIGANTIC BELL for the Church...& time keeping on the island...

JACOP had his bell made

!

FRED RANSOM explained that they had to have a community & educated support coming from other nations or the Danes would walk in & take it...

even Norway was becoming unpleasant over JACOP owning the Island...The age wanted profit & had lost the enlightenment of the 18

th

century...MUCK & MONEY was the rule...

Captain Alan Villiers describes the Island & its cultural life-

before the British Imperial scum set about having the first bell cast in Greenland cut up in the 1940s-50s

...

I Greta Ransom- F.R & Gertruid`s gt-gt grand-daughter saw the early photographs of F.R. beside the BELL-it is much higher than him-& the OX is there-they used it in the Xmas Plays- a second theatre was by the shores-a natural theatre using the landscape-this was for winter lights performances-here F.R. heated the open air seats- I think it must have been with pipes & hot water...electricity was used from very early & the first electric shovel to put in pylons for the experimental building for the first College...

Delacroix sailed up from Bordeaux & painted in the church-& inside the door ! The

Angel !

That was stolen & chewed over in a magazine mid-20th

century !

Thus Gross Britain & Denmark Imperial brutes robbed Greenland of a great parts of its `18th-`19th century histories-because they did not want THE UNIVERSITY GOING UP-ON JACOPSHOLMEN-it would mean recognition of RANSOM-GRONLANDER & also interfere with PROFIT-

WITH THE HISTORY KNOWN OF THE ISLAND abroad...these obscene dope-fiends could not

grasp at the greatest piece of philanthropy GROTE HOMES & RANSOM ESTATE IN 3 PARTS-Reserves-Sea shores of the world A to Z-education for children A-Z agreed by

these independent of Gross Britain & Scandinavia small nations-who had such violent arrogance from Gross Britain at the top of its CLASS PYRAMID

...
!

With some surprising humanist exceptions- one with a dead German husband -but she had little KUDOS with him dead...!

The slaying of the Grote children around the world would not have happened -if narcotics stuffed CLOWNS had been stopped creating landscapes of Hironymous BOSCH...Making the world a HELL because they could not get sufficient dou
gh -

Gertruid/Gertrud eloped to PARIS with FRED RANSOM-she so dark haired he so fair- `her eyes were as diamonds in the Northern skies` married blue-turquoise eyes- (*`Jacop's Ladder`* a long autobiography by F.R. after Gertruid's death- I G.R. Summer 1960 was jeered at that it was `all burned`-but we manage to recover some)

Lennie-my father-John & Ivy- all evidence of the life of their great grandparents was searched for & destroyed 1930s-1960s by Gross Britain Nobles & Imperial Clowns-destroyed or hoarded

for future sales & devilry

as all of our 2,000 years of RANSOM Seas people histories/ we have restored much-but they the good & pure-humanists- have lost their lives

-
so corruption can call itself divine- & ITS VULGAR GREED reign...

They have been killing people & children with sadistic hate envy & racism for money...for DOUGH

...
they remove gravestones-documents-homes-photos-
but hide a collection designed to GET THEM CLEARED OF THIS GREATEST CRIME OF MANKIND

...
They can still hoot & jeer again about `an old Eskimo` ...

in the red

...& her ape offspring & families...The utopia-democracy JACOPSHOLMEN Island...
Their filthy behaviour upon the island granted to JACOP "for a holy place & to erect

when you can the University to POUL GRONLANDER was photographed by hidden Eskimo

...”

Photographed in the 1950s when they abused & did not stop the imprisoning of the *Poulsen*

de SALLE two girls thrown in the Arctic WINTER with their parents & 2 baby brothers soon dead

...

All this to be lost in smutty jokes

`not virgins yah know` ...

More vulgar sniggers were recorded at the 3

rd

drink in a Vice bar...WHITES or the others...

What was called `Perverts Corner` in these Clubs had become 20

th

century the refuge of a handful of humanists

...

the rest of the BARS were Mr PONG & LINDSAYBUGGARHS Fraud-theft-obscene speech about MALRAUX de Gaulle & Greetha Ransom & families...heir & Guardian & a humanist-

1830 onwards- THERE WAS A PLAIN reason for the Elopement-young Fred Ransom knew the British would object - It was the romantic flight which appealed to Gertruid a modern holy aesthete into poems girl with several languages who

put back in nature all she took out` ...

.

THE BRITISH WOULD INTERFERE WITH A RICH

YOUNG SEA-TRADER-MARRYING AN ESKIMO-

& they would fast get objections at Noble & Diplomatic level who would be told to stop such a marriage- they'd an eye on all rich young sea traders in Gross Britain !

The

racism

of Gross Brit at the

TOP

was disgusting

~

nowhere in the globe was it so harsh & GREEDY !

But our dear sweet Gertrud got 4 weddings-4 frocks-4 rings...and this pleased Old Jacop her father -keen on these things

...

He old JACOP b 1750 first child POUL & Margaret had intended his only daughter who pleased him well with her HUMANISM & care for her PEOPLE & HER LANDS...

for a HIGHER marriage in

Noroway

perhaps- her brother is Count Poulsen- The PLAY SEASON began late 1830s- the theatre built as a tall sailing ship, a 4 master...

Examined 1920s/1930s by many fine sailors-architects-& Alan Villiers & seamen...`

Ship construction -he knew what he was doing Peter`... Then a tier added- & then the gilding after they'd all seen RIENZI Richard Wagner`s Opera in a small German Theatre- Classics, Shakespeare, even Schiller`s The Robbers-to please the young ! Performed in several languages- Latin & Greek/Latin some ancient plays were experimented with- Miracle Plays medieval & Asian pieces too...

Poul`s Hamlet...& his extentions to the plays `for the Greenland mind` for they liked to take a play over 2 weeks-stopping & starting-asking questions...

Playbills I G.R. saw as a child- all disapproved of by Gross Britain & Earls of Lindsaybuggarhs-JIM-and the Nobles of Racism...

Mengele Doc Harrington got hold of all these & many Records 1947 at `Jo's Place` in her cupboard with all her writings & her life with ANDRE & their two sons- the chateau Andre will buy after her death- This was their home the day she died November 1944-

Mengele is employed by the Government & Crown of Great Britain in this work- but apart from it being bestial theft aided by parts of Whitehall- ADMIRALTY divinities- I doth not remember all- except about a man at the end of a passage with a bust outside- who is in charge of OUR FURNITURE round the world -

after the war he'd gone into Petroleum Shares...always good at arithmetic...did well ...they lived outside Clacton Town...raised the children...later go to Australia to retire...survive...?

1900s-1940s... THE GROTE CHILDREN...he knew them & gives many of their names... **al so the names of the Mass Murderers-he has noted their movements after the War** ... there were pits after the War in his town Northern France on the Seashores

THE NOTEBOOK IS IN FRENCH & IT IS FULL...we have published it twice

THE BOYS HAD JUST BEEN KILLED...

Then he ANDRE MALRAUX did read it...some of them he recognised as in Public Service...now we sent investigators...by this time you were out of it...we felt you could not cope & had retired to your games on the REC

...Malone says later he had enough evidence to

KNOW YOU WERE A VICTIM OF MEMORY LOSS...dope...

but he was stretched in his work

...& had to take such care to keep Mr & Mrs

Mengele

Harrington at bay...from all of us...

1945He our onion seller had not bothered to remove his mother's grave to England when he settled...alongside it were some with names he'd known when a child... in a near place a pit you'd not wish to investigate...

His wife had spoken to Greta Ransom

1945

& she told her how she had made her Convent school uniform from her dead grandmother's clothes...Mrs Potter did not know enough of what had gone on...His wife

had been to the hospital & they said Mary Gordon poisoned-it was time to lock Teresa up-they had spoken with Miss Win... Captain Ransom was expected back anytime...the War Office had sent instructions months ago `to return for Home Duties` ... His wife heard Greta had told a school friend who told her mother `SHE Clytemnestra says he is to die abroad...` His wife could be found in the school music room ...or she might be taking a basket of clothes to the Cleaners for old folk...she did a number of things...she noticed what went on in the town...Greta & Colin were neglected & Greta had St Vitus` Dance rather badly 1944

...She'd speak to Connie Nurse Napper but did not get close after the wedding to ANDRE failed...Fiona-Funnula had been tricked-tripped up...by Miss Winnie listening to Italian East Enders just out of prison & Borstal...they'd been paid to break the sombre suited couple up...

Andre & Greta were of a similar age because of circumstances...

1960 Suddenly there were extensions to the grounds where a Grote Home had been & now a Hotel had been erected seashores of Northern France... the end of the 1940s...

Violent persecution has always occurred- Greta & I experienced it- when she came to live in my London home 1957-
I did not know why we were the subject of these bizarre attacks- why the hatred directed at us from your class Peter came from the very TOP - Why were we in danger- It was BECAUSE YOUR NATION STOLE MY POST/mail- from 1937 winter- it went on- it never stopped !

The Earl & his family, British Crown figures- some dissolute nobles all had ear-marked this Estate for themselves- back in the 1920s- they referred to the creators as Eskimos- adding Apesafter a marriage was made SUB-ARCTIC...

1957- 20 years from the commencement- your nation continued to steal my Post-my mail- Why did no one step forward- speak to me ? People were either too terrified to speak - or they believed I knew & some felt or were certain...that it was a matter for my superior-now that I worked increasingly for him- General de Gaulle !
