For my father & everyone

m to be away & I hath no protection with Harry at work & poor Granny Gordon with Grandpa just gone to the churchyard-

Aunt Winnie Gordon had gone to Manchester cousins who go to the beaches at St

Annes- I may have had a postcard-a telephone call to `Crail `

‘Below the photo is of George ANDRE talking in New York with the composer Edgard

VARESE MARCH 1937

- & G.R. next year at a birthday

tea-Charles Magowan family-1937 March 4 months before ANDRE MALRAUX & JOSETTE arrive-

1936 March-April- LEN & I are out and about seeing NEW YORK-a daughter of GREAT POUL GRONLANDER

has a line in New York & USA-cousins 2

nd
degree to Gertruid his grand-daughter- the mother of JOHN RANSOM my great-grandpa & of Margarethe Ransom Mrs Thomas Immanuel Grote-TIG the HOMES-

1936 April Len & I had the Composer VARESE & his nice wife with others who are friends of Aunt Margarethe to luncheon-

Some perhaps are very old & they knew TIG our dear Thomas. We are staying in the Bridal House of Margarethe on Long Island-it is all white inside & beautiful full of light & a terrace garden has views of the sea- We are learning our manners after living rough South America travelling the Grote Homes & meeting the children-it is Aunt Mag's wishes

h say't her

in-laws Grote Brokers Wall Street- I think I am to go shopping with some ladies & Mrs Varese to buy a pretty frock on 5

th
avenue- they say American childrens' clothes are so sweet-& they have heard that Len-Jean & I have been attacked in Mexico

-
so best buy a pretty frock or two & such an attack will not happen again

...
I say I am brave like Fred of The Mary Rose & our Island in the Snow- Margarethe's father- & they are pleased I know all about FRED RANSOM with his yellow hair his sea-blue eyes from his mother they say- & his grandmother who had Dutch blood-

An old gentleman knew Aunt Margarethe's father FREDERICK RANSOM OF THE MARY ROSE - your family ship-& his wife her mother GERTRUID- grandchild of Poul-

Ah Poul a genius-we have acted his Hamlet-we should act it again-
I am reminded Poul 6 feet 5 inches tall is my grandpa 4 times back with deep blue eyes & black-brown hair-I must marry someone like him- He is my hero as well as Fred- Poul married Margaret of Carlisle- Even if we waken the dead in their ice tombs I do not think I can marry POUL-this would not be allowed as he is a family member & died in 1765- & ANYWAY MARGARET MIGHT WANT TO WAKE UP & HAVE LIFE OVER AGAIN

-

There is excitement that the frozen mammoths may be able to be made come alive again- it's a matter of 'ethics' I think -I may ask Len...'

Margarethe's father & mother are my grandparents twice back- ALREADY THEY ALL THE RANSOMS & WEDDELLS & FRIENDS □ SAY I HATH HIS ENQUIRING DRIVE-
& Lennie & I will have the Island OPEN & the Theatre School workshops going on...for HUMANITAS

-

Monaco hath said 'a Republic' & New York they speak the same-

We Len & me recovered after the attacks-escape & WILD DRIVE over the Mexican deserts are we think safe in Aunt Mag's Bridal Home on the Island April 1936- I HAD MY 3rd Birthday Mexico during the ATTACK- JEAN was 6 weeks in hospital but they wanted her dancing again before she left-so she danced for everyone- (refs. 1988 USA State Department)-

Dear old young-old VARESE- JEAN can dance his music- buildings & what you think about-invisible in the air- I can see him as a cine film in my memory- he is leaning eagerly over the table talking or listening-popping questions excitedly-but such kindly manners- FJR has said `he sometimes slings a hammock with us about the South American Homes-the children can play what he is working out in his head...` □ I think he is a Catholic too.□□□ It is after we hath eaten nice things &

hath

been speaking upon music- arts-□ Len & I are becoming so civilized-

Although when we are hidden by PAUL WHITEMAN who wakes his band up in the hay at noon each day- he says□ `Wake up Savages`

All the Ransom families play lots of instruments each-Len has a Strad

that Aunt Margarethe thinks the family bought from him the maker- & Grandpa Ransom Len's father a famous clarinet given him & an inscription on it-□ Aunt Mag has several pianos round the world so she can keep up-& they are there for everybody to use

-□ I have been bought girls clothes by all of them on 5

th

Avenue by the next week-

**delicate frocks with frills & puffs of sleeves & such lovely colours so delicate pale too-
like dawn & dusk-
snow & sleet & water...**

**-as he tells me if I say a wrong thing he will tug on my bib-he means the collars on my
frocks-**

**I have heard said we hath been living rough South America with our Inca/Aztec kin &
kith-**

doing good work as Tiggy did

**- & we are congratulated for going all the way to San Julian's bay to visit San Julian's

**This is `dear Cousin Clarke Gable`s line too-& the MacMurrays` say he is acting very
well-all of Aunt Margarethe's friends have the news`**
